

Comparative Analysis of Social Policy Studies

Volkan Aşkun^a, Rabia Çizek^b, Edina Ajanovic^c

Abstract

While social policy refers to measures taken by society to improve and provide services to meet health and welfare needs, social policy studies are concerned with aspects of public policy, market transactions, personal consumption and interpersonal relationships that contribute to the well-being or wealth of individuals and/or groups. There has been an increase in the number of studies in the field of social policy. The main purpose of this study is to show how the research papers published in this field have undergone an evolutionary change in terms of emphasis. With 4,697 articles from seven different journals over 50 years, the most influential authors in the field, the impact of journals, the most collaborating countries, the evolutionary process of social policy studies in three different periods and the differences in transformations in this process are revealed. The number of studies making a general evaluation in the field of social policy is limited. The originality of the study shows how the studies in the journals, which are seen as a period of approximately 50 years, have transformed in this process. This study is expected to be a road map for researchers on what areas they will focus on according to the social policy transformation.

Sosyal Politika Çalışmalarının Karşılaştırmalı Analizi

Özet

Sosyal politika, sağlık ve refah ihtiyaçlarının karşılanmasına yönelik hizmetlerin iyileştirilmesi ve sağlanması için toplum tarafından alınan önlemleri ifade ederken, sosyal politika çalışmaları, bireylerin ve/veya grupların refahına veya zenginliğine katkıda bulunan kamu politikası, piyasa işlemleri, kişisel tüketim ve kişiler arası ilişkilerin yönleriyle ilgilenir. Sosyal politika alanında yapılan çalışmaların sayısında son yıllarda bir artış gözlenmektedir. Bu çalışmanın temel amacı, bu alanda yayınlanan araştırma makalelerinin vurgu açısından nasıl evrimsel bir değişim geçirdiğini göstermektir. Yedi farklı dergiden 50 yılı aşkın sürede 4.697 makale ile alandaki en etkili yazarlar, dergilerin etkisi, en çok işbirliği yapılan ülkeler, sosyal politika çalışmalarının üç farklı dönemdeki evrimsel süreci ve bu süreçteki dönüşümlerin farklılıkları ortaya konulmaktadır. Sosyal politika alanında genel bir değerlendirme yapan çalışma sayısı sınırlıdır. Çalışmanın özgünlüğü, yaklaşık 50 yıllık bir dönem olarak görülen dergilerdeki çalışmaların bu süreçte nasıl dönüştüğünü göstermektedir. Bu çalışmanın araştırmacılara sosyal politika dönüşümüne göre hangi alanlara odaklanacakları konusunda bir yol haritası olması beklenmektedir.

Social Policy A Comparative Analysis:

Social policy; a comparative analysis Michael James Hill, 1996 *A Handbook of Comparative Social Policy, Second Edition* Patricia Kennett, 2013-01-01 This extensively revised edition of *A Handbook of Comparative Social Policy* provides up to date and valuable insights on key concepts and issues such as globalization crime diversity housing child poverty gender inequality and social policy regimes To write about these topics editor Patricia Kennett has gathered an excellent team of researchers who deal with both the developing and the advanced industrial world Students of comparative social policy would benefit from engaging with this illuminating Handbook Daniel B land JohnsonShoyama Graduate School of Public Policy Canada The current context of social policy is one in which many of the old certainties of the past have been eroded The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research Organized around five themes this thoroughly revised and updated second edition explores the contextual conceptual analytical and processual aspects of undertaking comparative social research The contributions highlight specific areas of comparative social policy including child poverty and well being patterns of housing provision and housing inequalities and social protection in East Asia as well as crime and criminology in a global context The authors of the Handbook explore continuing and emerging themes as well as issues which are of particular relevance to understanding the contemporary social world International in scope this authoritative Handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative and international social research It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy *The Student's Companion to Social Policy* Pete Alcock, Tina Haux, Margaret May, Sharon Wright, 2016-06-17 This fully updated and expanded edition of the bestselling *Student's Companion to Social Policy* charts the latest developments research challenges and controversies in the field in a concise authoritative format Provides students with the analytical base from which to investigate and evaluate key concepts perspectives policies and outcomes at national and international levels Features a new section on devolution and social policy in the UK enhanced discussion of international and comparative issues and new coverage of nudge based policies austerity politics sustainable welfare working age conditionality social movements policy learning and transfer and social policy in the BRIC countries Offers essential information for anyone studying social policy from undergraduates on introductory courses to those pursuing postgraduate or professional programmes Accompanied by updated online resources to support independent learning and skill development with chapter overviews study questions guides to key sources and career opportunities a key term glossary and

more Written by a team of experts working at the forefront of social policy **Patterns of Social Policy** Catherine Jones, 1985 Social Policy John Baldock, Lavinia Mitton, 2011-09-22 Designed for use by undergraduates on social policy social work and sociology courses and by students on vocational training courses including postgraduate this textbook covers all the main topics of social policy Handbook on the Political Economy of Social Policy Bent Greve, Amílcar Moreira, Minna van Gerven, 2024-05-02 Research in social policy has been greatly influenced by the emergence of modern political economy in the late 1970s The Handbook on the Political Economy of Social Policy offers a systematic yet comprehensive framework for understanding how concepts theoretical standpoints and methodological approaches stemming from political economy have been applied to the study of social policies and models of welfare provision The authors also signpost current developments and discuss their likely impact on future research **Social Policy: An Introduction** Blakemore, Ken, Warwick-Booth, Louise, 2013-10-01 What are social policies How are social policies created and implemented Why do certain policies exist The fourth edition of this highly respected textbook provides a clear and engaging introduction to social policy The book has been thoroughly updated to include Changes in social policy introduced by the Coalition government Incorporation of an international perspective throughout as well as a new chapter The global social policy environment Updated pedagogy to stimulate thought and learning Comprehensive glossary Social Policy is essential reading for students beginning or building on their study of social policy or welfare The wide ranging coverage of topics means that the book holds broad appeal for a number of subject areas including health social policy criminology education social work and sociology This textbook has always been a useful teaching resource because it combines substantial and engaging analysis with stand alone extracts The new edition adds a chapter on global social policy updates on the Coalition Government and guides to what is in the book The added activities are well thought out and can be adapted or expanded to suit the needs of particular students Hedley Bashforth Teaching Fellow in Social Policy University of Bath UK Social Policy An Introduction now in its fourth edition and eleventh year will remain a core social policy text on reading lists across the country due to its well written and comprehensive nature Completely revised it has been updated and extended to reflect contemporary developments in social policy including the policy implications of the Coalition Government and now includes a chapter on global social policy environments reflecting the continued internationalisation of social policy debates Updated pedagogical features which include activities for the reader learning outcomes at the start of each chapter and detailed case studies throughout enhance this thought provoking and stimulating text Dr Liam Foster University of Sheffield UK This book provides as it states an introduction to the field and does so by adopting a highly attractive pedagogic style that evidences at every turn a sensitivity to the approaches to learning of contemporary students Although it is tailored to meet the needs of primarily first year specialist students it is equally suitable for those on other programmes who are taking an option in social policy Because the book anticipates theoretical issues and debates and students will confront as they progress to a more advanced level it will

also retain value as be a longer term reference resource I will certainly be citing it on a second year core course I teach It is immediately clear that a great deal of thought has been invested into designing this book What Blakemore and Warwick Booth have produced is a clearly laid out and well structured analysis of impressive breadth that is a readily accessible learning instrument both for student and teacher Importantly it provides numerous opportunities to experiment with new ways of approaching the teaching of the subject Each chapter sets out clearly expressed learning outcomes with a fair balance of theoretical and empirical concerns Visual displays in box material graphs and flow charts provides a most effective means for absorbing the large amount of ground covered There is good incorporation of statistical material and up to date policy developments Students are also encouraged to exploit useful links to internet and other media sites Particularly attractive from a teaching point of view are the range of tasks set for the students which are aimed clearly at rapid capacity building Chapters end by listing the key terms and concepts addressed to aid revision of material This is repeated in the glossary at the end of the book Most of the materials are derived from the British context but there is also a secondary focus on EU member states and beyond as well as a good chapter on global social policy Steen Mangen Department of Social Policy London School of Economics and Political Science UK *Ideal Types in Comparative Social Policy* Christian Aspalter,2020-12-06 This book introduces readers to the world of ideal types within the readings of Max Weber by giving a theoretical understanding of ideal types as well as applying the development of ideal types to an array of social policy arenas The 21st century has seen the development of welfare regime analysis marked by two differing strands real typical welfare regime analyses and ideal typical welfare regime analysis the latter focusing on the formation development and application of ideal types in general comparative social policy Designed to provide new theoretical and practical frameworks as well as updated in depth developments of ideal typical welfare regime theory this book shows how Weber s method of setting up and checking against ideal types can be used in a wide variety of policy areas such as welfare state system comparison comparative social and economic development health policy mental health policy health care system analysis gender policy employment policy education policy and so forth The book will be of interest to all scholars and students working in the fields of social policy including health policy public policy political economy sociology social work gender studies social anthropology and many more *Handbook on East Asian Social Policy* Misa Izuhara,2013-01-01 Dramatic socio economic transformations over the last two decades have brought social policy and social welfare issues to prominence in many East Asian societies Since the 1990s and in response to national as well as global pressure there have been substantial developments and reforms in social policy in the region but the development paths have been uneven Until recently comparative analysis of East Asian social policy tends to have focused on the established welfare state of Japan and the emerging welfare regimes of four Tiger Economies Much of the recent debate indeed preceded Chinas re emergence onto the world economy In this context this Handbook brings China more fully into the contemporary social policy debates in East

Asia Organised around five themes from welfare state developments to theories and methodologies to current social policy issues the Handbook presents original research from leading specialists in the fields and provides a fresh and updated perspective to the study of social policy Providing a comparative international approach this Handbook will appeal to academics researchers and students at both undergraduate and postgraduate levels working in the fields of social policy as well as policy makers and practitioners who are interested in social policy lessons from other societies Social Policy in Britain Pete Alcock, Lee Gregory, 2022-03-24 In this fifth edition of the best selling core introductory textbook Pete Alcock and Lee Gregory provide a comprehensive and engaging introduction to social policy Continuing with the unbeaten narrative style and accessible approach of the previous editions the authors explore the major topics of social policy in a clear and digestible way By breaking down the complexities behind policy developments and their outcomes the book demonstrates the relationship between core areas of policy and the society we live in This new edition has been thoroughly revised and updated to cover the impact of Brexit and contains reflections on the implications of the Covid 19 pandemic for social policy Each chapter contains comprehension activities to aid understanding as well as helpful summary points and suggestions for further reading

Reviewing **Social Policy A Comparative Analysis**: Unlocking the Spellbinding Force of Linguistics
