Bisman, Cynthia

Note: This is not the actual book cover

Social Work Practice Cases And Principles

**Shelagh Jane Larkin, Jaylene Krieg
Schaefer**

Social Work Practice Cases And Principles:

Social Work Practice Cynthia Bisman, 1994 Incorporating the components of practice relationship assessment communication self awareness use of self and intervention Cynthia Bisman presents general principles that all practitioners can follow and helps you understand how what is done is related to why it is done *Social Work Practice Cases and Principles* also features Material from over twenty five case studies including verbatim dialogue taken from process recordings audio and video tapes that exposes the gritty reality of social workers in practice with clients Discussion of new concepts including relationship as a belief bonding self awareness use of self as practitioner observation and assessment as the social workers case history And much much more *Social Work Practice* Kim Strom-Gottfried, 1999 An ideal supplement for courses in Social Work PRACTICE and METHODS Covers the full range of generalist practice skills as prescribed by Council on Social Work Education The 36 exercises each keyed to specific skills and client groups offers the most comprehensive coverage available today An early exercise 4 is devoted exclusively to the NASW Code of Ethics enabling the students to understand the Code and how it applies to a variety of case vignettes Throughout the exercises the student is provided with hands on experience with individuals families groups communities and organizations Concepts and Methods of Social Work Walter A. Friedlander, 1976 **Social Case Work** Mr. Rohit Manglik, 2023-05-23 In this book we will study about the process of helping individuals through professional support to resolve personal and social problems It introduces concepts methods and principles of case work emphasizing empathetic communication client assessment planning and evaluation Clinical Social Work with Individuals, Families, and Groups Michael C. LaSala, 2022-08-25 This textbook equips Masters of Social Work MSW students and beginning social workers with the personal and professional tools needed to work successfully with individuals families and groups guided by the social justice values of the profession This book is a comprehensive description of practical field tested ready to apply interventions based on the author s 40 years of practice as well as his national and international teaching training and supervision By drawing case illustrations from composites of actual practice he demonstrates how to apply various models as well as how to identify avoid and rectify clinical errors This book also provides core understandings and techniques from models of psychotherapy alongside essential clinical skills that cut across these approaches such as engagement establishing therapeutic relationships managing one s anxiety reaching for pain and the clinician s use of self Filled with reflective questions and ideas for class discussion the book addresses how to heal relationships across all contexts such as with clients in diverse and oppressed groups and doing clinical social work during the age of Covid Providing a description of clinical social work that is congruent with diversity equity and social justice this excellent textbook is for students and instructors of MSW courses and will prove indispensable to beginning practitioners

Multicultural Social Work Practice Derald Wing Sue, 2005-10-13 The groundbreaking new text for culturally competent social work practice In *Multicultural Social Work Practice* author Derald Wing Sue one of the most prominent and

respected pioneers in diversity research and practice explores and synthesizes the important theoretical political and philosophical concepts related to cultural competence in the field of social work This comprehensive yet practical text offers students definitive guidance on culturally sensitive social work practice This important new work challenges the reader to consider the different worldviews of a highly diversified population and achieve cultural competence through increased awareness knowledge and skills It provides specific definitions of multiculturalism cultural competence and multicultural social work that clearly guide discussion analysis and debate It also highlights the sociopolitical and social justice aspects of effective practice and closely examines how social work theories concepts and practices are often rooted in and reflective of the values of the dominant society Multicultural Social Work Practice features sections on Conceptual dimensions of multicultural social work practice The political dimensions of social work practice Racial cultural identity development social work implication The practice dimensions of multicultural social work Systemic and ecological perspectives of multicultural social work Profiles in culturally competent care for diverse populations In addition to the aforementioned coverage this innovative text features unique chapters on barriers to effective practice cultural styles in intervention strategies and indigenous healing strategies It also employs generous clinical and real life examples to illustrate important concepts A lively provocative guidebook that challenges traditional social work practice and featuring a foreword by Monica McGoldrick Multicultural Social Work Practice is a benchmark text for students of social work professional social workers and others in the helping professions

Gerontological Social Work in Small Towns and Rural Communities Lenard W

Kaye, Sandra Butler, 2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book's significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to

four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book's empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

Social Work Practice With Individuals, Families, and Groups Shelagh Jane Larkin, Jaylene Krieg Schaefer, 2025-01-06 Social Work Practice with Individuals Families and Groups An Integrated Approach serves as a foundational text that supports students through effective practice with multiple levels of client systems from the classroom to the profession Authors Shelagh Jane Larkin and Jaylene Krieg Schaefer have integrated the practicum experience throughout the core chapters emphasizing its role as the first area of social work practice Developed with both BSW and foundational MSW programs in mind this text offers an accessible exploration of social work practice with individuals families and groups through diverse case studies and practical examples aligned with the 2022 EPAS core competencies The Social Work Field Placement John Poulin, Selina Matis, Heather Witt, 2018-10-28 This unique core text helps BSW and MSW students structure their field placement learning around the nine CSWE professional social work competencies Empowering students to go beyond merely completing tasks the book facilitates mastery and integration of these competencies by elucidating key concepts and applying them to realistic competency based case scenarios Each user friendly chapter directly linked to a particular competency promotes thought provoking reflection about field work with critical thinking questions a detailed case example and an online competency reflection log template These tools reinforce learning by connecting competencies directly to students internship experiences Cases are structured to serve as models when students prepare their own cases and include a review of the competency detailed practice settings socioeconomic and context factors at micro macro and mezzo levels a problem overview an assessment of client strengths and weaknesses and a closing summary Additional learning aids include chapter opening vignettes and objectives plus chapter summaries Web and video links offer students a wealth of supplemental resources and a robust instructors package provides teachers with PowerPoints written competency assignments with grading rubrics and discussion exercises The print version includes free searchable digital access to entire contents of the book Key Features Integrates field placement experiences with the nine CSWE 2015 competencies Promotes thought provoking reflection about fieldwork with detailed case studies and challenging learning tools Includes discussions of

ethical dilemmas technology and social media to reflect growing use and the challenges associated Includes online instructors resources including PowerPoints written competency assignments with grading rubrics and class discussion field reflection activities Print version includes free searchable digital access to entire contents of the book **Essential Law for Social Workers** Robert G. Madden,2003 This book explores legal concepts legal reasoning and legal processes illustrated with case vignettes from social work practice in order to provide social work practitioners and students with practical and accessible legal knowledge It introduces readers to scholarship about the law and to conceptual knowledge that can be applied to any interaction with the legal system The volume features a discussion of recent reform movements including Alternative Dispute Resolution and an appendix of sources for legal information and research on the law
