Society, Politics & Economic Development Irma Adelman, Cynthia Taft Morris, 1976 *Society, Politics & Economic Development* Irma Adelman, Cynthia Taft Morris, 1971 **Society, Politics and Economic Development** E. L. Tolbert, 1967 **Society, politics & economic development** Irma Adelman, 1967 **Society, Politics & Economic Development; a Quantitative Approach, by Irma Adelman Nd Cynthia Taft Morris** Irma Adelman, Cynthia Taft Morris, 1967 SOCIETY POLITICS & ECONOMIC DEVELOPMENT Irma ADELMAN, 1971 Comparative Development Perspectives Gustav Ranis, 2019-03-08 This book provides comparative perspectives on problems of economic development in the 1980s It emphasizes improvements in economic institutions and policies associated with the development process and employs the comparative historical approach to evaluate dimensions of the development process **Understanding the Process of Economic Change** Douglass C. North, 2010-04-19 In this landmark work a Nobel Prize winning economist develops a new way of understanding the process by which economies change Douglass North inspired a revolution in economic history a generation ago by demonstrating that economic performance is determined largely by the kind and quality of institutions that support markets As he showed in two now classic books that inspired the New Institutional Economics today a subfield of economics property rights and transaction costs are fundamental determinants Here North explains how different societies arrive at the institutional infrastructure that greatly determines their economic trajectories North argues that economic change depends largely on adaptive efficiency a society s effectiveness in creating institutions that are productive stable fair and broadly accepted and importantly flexible enough to be changed or replaced in response to political and economic feedback While adhering to his earlier definition of institutions as the formal and informal rules that constrain human economic behavior he extends his analysis to explore the deeper determinants of how these rules evolve and how economies change Drawing on recent work by psychologists he identifies intentionality as the crucial variable and proceeds to demonstrate how intentionality emerges as the product of social learning and how it then shapes the economy s institutional foundations and thus its capacity to adapt to changing circumstances Understanding the Process of Economic Change accounts not only for past institutional change but also for the diverse performance of present day economies This major work is therefore also an essential guide to improving the performance of developing countries **New Frontiers in Comparative Sociology** Masamichi S. Sasaki, 2009 This book is a collection of notable papers from the first six volumes of the journal Comparative Sociology Its content represents leading edge and contemporarily astute analyses in the burgeoning science of comparative sociology especially relevant to a globalizing world in transition Given that not everyone is acquainted with comparative sociology this book offers an opportunity to enlighten readers unfamiliar with the discipline about the importance of comparative sociology to the new world order Taken together the articles illuminate various aspects of comparative sociology a theoretical methodological substantive Some compare social entities in subjective case study fashion

while others report on rigorous social research All contribute in one form or another to describing the many and varied facets of the exciting and new science of comparative sociology The content of this volume has previously been published in Comparative Sociology volumes 1 to 3 *1967 Annual Supplement* John B. Simeone, Alfred de Grazia, Carl E. Martinson, 2013-12-01
