## Talking In The Dark:

**Talking in the Dark** Steve Harper, 2007-07-01 Have you ever stopped praying When life seems unfair and prayer doesn't seem to make any difference you may quit praying Most people who admit that they stopped praying for a while including the author say they felt as if they were suffocating after a period without prayer Sometimes I think God has called me to speak write and teach about prayer so I won't give up on it altogether writes Harper After more than forty years of praying I still don't understand prayer Prayer does not come easily for me In the pages of this book Harper continues I will ask you to roll up your sleeves and confront your problems with prayer and then keep praying Sometimes you will feel as though you are talking in the dark But the fact is sound travels in both darkness and light If you're frustrated in your prayer life and wonder whether prayer is worth the effort this book is for you Nothing daunts Harper in this wrangle with God No doubt experience or unholy feeling is out of bounds as he considers life and prayer's dark patches No matter how lost or lonely you feel he offers assurance During days when you feel the number one problem with prayer is an unresponsive God you'll have the strength to dig deeper and surrender to the mysterious sustenance God offers As you read Harper's brutally honest stories and follow his advice on how to cultivate a prayer life you'll discover the kind of prayer that makes you want to continue even though everything in you wants to quit
