## **Talking In Tranquility Interviews With Ted Berrigan:**

**Talking in Tranquility** Ted Berrigan, 1991      **The Selected Poems of Ted Berrigan** Ted Berrigan, 2011-02-07

Following the highly acclaimed *Collected Poems of Ted Berrigan* poets Alice Notley, Anselm Berrigan, and Edmund Berrigan have collaborated again on this new selection of poems by one of the most influential and admired poets of his generation. Reflecting a new editorial approach, this volume demonstrates the breadth of Ted Berrigan's poetic accomplishments by presenting his most celebrated, interesting, and important work. This major second-wave New York School poet is often identified with his early poems, especially *The Sonnets*, but this selection encompasses his full poetic output, including the later sequences *Easter Monday* and *A Certain Slant of Sunlight*, as well as many of his uncollected poems. *The Selected Poems of Ted Berrigan* provides a new perspective for those already familiar with his remarkable wit and invention and introduces new readers to what John Ashbery called the "crazy energy" of this iconoclastic, funny, brilliant, and highly innovative writer.

Praise for *The Collected Poems of Ted Berrigan*: "This is a great, great book for all seasons of the mind and heart." Robert Creeley. "Thanks to this invaluable *Collected Poems*, one can hear as never before Ted Berrigan dreaming his dream." *The Nation*. "The *Collected Poems of Ted Berrigan* is not only one of the most strikingly attractive books recently published but is also a major work of 20th-century poetry. It is a book that will darken with the grease of my hands. There is no better way to praise it than by saying: If you enjoy poetry, you should have it." *Bloomsbury Review*. "It's a must-have poetic knockout." *Time Out*, New York.

**The Collected Poems of Ted Berrigan** Ted Berrigan, 2007-03-21. Comfortably intimate, classically adroit in its formal wit and invention, altogether unique yet in no way excluding this meticulously edited edition of a master poet's collected works, gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions. No one ever recognized the people with whom he lived more particularly than did Ted Berrigan, and no one ever brought them home to a reader with such unaggressive and persistent power. This is a great, great book for all seasons of the mind and heart.

Robert Creeley: Ted Berrigan was a leader of the New York School, his crazy energy embodied that movement and the city itself. It is wonderful to have his *Collected Poems* in print.

John Ashbery: A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation. His poems, deft, light, definitely humorous, irreverent, poignant, marvelous, and tough. The truth doing its work, the great man doing the ordinary thing with a quick ear and a quick tongue, revealing the personal in the universal. He gives you his full attention about to be born again, thinking of you.

Joanne Kyger: In a life devoted to experimental art, Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world. He wondered what might actually be captured within the pages of a book, but *The Collected Poems* allows us to again enjoy Ted Berrigan's delightfully demanding presence.

Lorenzo Thomas: A singular balance of personal, historical vision and sentiment, both sweet and sour, developed within the fractured verbalism of the late twentieth-century found lyric, creates

in Ted Berrigan's poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of *Late Returns A Memoir of Ted Berrigan* Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi

*Speaking with George Oppen* Richard Swigg, 2014-01-10 Seventeen interviews with George and Mary Oppen conducted between 1968 and 1987 are here brought together for the first time Two are fresh discoveries while re-audited recordings of other interviews have given a new authoritative accuracy to the text These conversations provide a unique account of a major American poet's evolution through the Depression war exile and a return to poetry after two decades of silence They span Oppen's early years as an Objectivist his assessments of such as Ezra Pound and William Carlos Williams and his views on the merits of his later contemporaries Allen Ginsberg Jerome Rothenburg and others Above all it is Oppen's detailed commentary on his own writing and his explanations of how individual poems unfold which gives special importance to these new collected interviews

**Affect, Psychoanalysis, and American Poetry** John Steen, 2018-07-12 Poetry has often been defined by its closure its condensation of meaning and value into discrete self-referential textual objects Affect Psychoanalysis and American Poetry challenges the dominant metaphor of poetic containers by turning to recent poetic texts that represent the contagious and uncontainable feelings of anxiety grief shame and rage From modernists Wallace Stevens to mid-century poets Randall Jarrell Robert Creeley and Ted Berrigan and finally to contemporary practitioners Aaron Kunin and Claudia Rankine John Steen argues that new poetic techniques arise from the poetic productivity of negative affects and that a new model of poetic value can be found in poems that are instead of containers permeable social spaces of intimacy attachment and withdrawal Drawing from object relations psychoanalysis queer theory and affect theory Affect Psychoanalysis and American Poetry finds poetry's singularity in its unique capacity to represent anew the transmissible relational and uncontainable valences of feeling that structure and destabilize social life

All Poets Welcome Daniel Kane, 2003-03-26 This landmark book together with its accompanying CD captures the heady excitement of the vibrant irreverent poetry scene of New York's Lower East Side in the 1960s Drawing from personal interviews with many of the participants from unpublished letters and from rare sound recordings Daniel Kane brings together for the first time the people political events and poetic roots that coalesced into a highly influential community From the poetry reading venues of the early sixties such as those at the Les Deux M'gots and Le Metro coffeehouses to The Poetry Project at St Mark's Church a vital forum for poets to this day Kane traces the history of this literary renaissance showing how it was born from a culture of publicly performed poetry The Lower East Side in the sixties proved foundational in American verse culture a defining era for the artistic and political avant-garde The voices and works of John Ashbery Amiri Baraka Charles Bernstein Bill Berkson Ted Berrigan Kenneth Koch Bernadette Mayer Ron Padgett Denise Levertov Paul Blackburn Frank O'Hara and many others

enliven these pages and the thirty five track CD includes recordings of several of the poets reading from their work in the sixties and seventies The Lower East Side s cafes coffeehouses and salons brought together poets of various aesthetic sensibilities including writers associated with the so called New York School Beats Black Mountain Deep Image San Francisco Renaissance Umbra and others Kane shows that the significance for literary history of this loosely defined community of poets and artists lies in part in its reclaiming an orally centered poetic tradition adapted specifically to open up the possibilities for an aesthetically daring playful poetics and a politics of joy and resistance

**John Ashbery and American Poetry** David Herd,2024-07-30 David Herd sets out to provide readers with a new critical language through which they can appreciate the beauty and complexity of Ashbery s writing Presenting the poet in all his forms avant garde nostalgic sublime and camp the book argues that the perpetual inventiveness of Ashbery s work has always been underpinned by the poets desire to write the poem fit to cope with its occasion Tracing Ashbery s development in the light of this idea and from its origins in the dazzling artistic environment of 1950 s New York the book evaluates his poetry against the aesthetic literary and historical backgrounds that have informed it The story of a brilliant career and a history of the period in which that career has taken shape John Ashbery and American Poetry provides a compelling account of Ashbery s importance to Twentieth Century Literature

Joseph Mark Conte, 1996 Bibliographical biographical and evaluative commentary of contemporary American poets who published since 1945      The Stamp of Class Gary Lenhart, 2006 The Stamp of Class is about reading poetry with an awareness of class and its themes While numerous works have taken up the question of race and gender as they relate to literary creation no single book has probed the interplay between class and American poetry The nine essays in Gary Lenhart s book deal with the question of class as reflected in the works of Tracie Morris Tillie Olsen Melvin Tolson William Carlos Williams Walt Whitman and others The work is rooted in the author s own experiences as a working class poet and teacher and is the result of more than a decade of exploration      **Historical Dictionary of the Beat Movement** Paul Varner, 2012-06-21 The Beat Movement was one of the most radical and innovative literary and arts movements of the 20th century and the history of the Beat Movement is still being written in the early years of the 21st century Unlike other kinds of literary and artistic movements the Beat Movement is self perpetuating After the 1950s generation headlined by Jack Kerouac Allen Ginsberg and William S Burroughs a new generation arose in the 1960s led by writers such as Diane Wakoski Anne Waldman and poets from the East Side Scene In the 1970s and 1980s writers from the Poetry Project at St Mark s Church and contributors to World magazine continued the movement The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement It is now a

reviewer invites is to pry The New American Poetry out from the hoary platitudes that have encrusted it To this point critics mostly have examined The New American Poetry as an anthology former treatments of The New American Poetry look at it intently as a whole Though the almost singularly focused study of its construction and less often reception has lent a great deal of documented highly visible and debated material in which to consider we have been left with certain notions about its relevance that have become imbued ultimately in the collective critical consciousness of postmodernity This volume however goes beyond the analysis of construction and reception and achieves something distinctive extending those former treatments by treading on the paths they create This volume aims to discover another sense of radical that Perloff articulated rather than a radical that departs markedly from the usual we invite consideration of The New American Poetry that is radical in the sense of root of harboring something fundamental something inherent as we uncover and trace further elements correlated with its widespread influence over the last fifty years
