The Talking Pictures Murder Case George Baxt, 1990 The advent of talking pictures causes chaos in Hollywood and revenge is in the air as Alexander Roland of Diamond Films confronts tyrannical Marie Darling a mother of fading screen The Talking Pictures Murder Case George Eaxt, 1992-04-01 Talking Picture Magazine ,1929 stars What Was The Film When? The Movies of Laurel and Wagner's Beverly Hills Script ,1929 The Billboard .1927 RKO Radio Pictures Horror, Science Fiction and Fantasy Films, 1929-1956 **Hardy** Mark Potts, Dave Shephard, 2007 Michael R. Pitts, 2015-04-17 King Kong and The Thing from Another World are among the most popular horror and science fiction films of all time and both were made by RKO Radio Pictures Between 1929 and 1956 RKO released more than 140 genre features including The Most Dangerous Game The Phantom of Crestwood Before Dawn The Monkey s Paw The Hunchback of Notre Dame You ll Find Out The Spiral Staircase The Enchanted Cottage It s a Wonderful Life Captive Women and Killers from Space RKO is remembered for its series of psychological horror movies produced by Val Lewton including Cat People I Walked with a Zombie The Seventh Victim and The Body Snatcher The studio also produced films in the adventure comedy fantasy mystery and western genres They released many Walt Disney classics Snow White and the Seven Dwarfs Fantasia Pinocchio Cinderella Peter Pan as well as several Tarzan features This volume covers these movies in detail with critical and historical analysis in depth plot synopsis and numerous contemporary reviews **Mystery Movie Series** of 1930s Hollywood Ron Backer, 2012-08-01 This companion volume to Mystery Movie Series of 1940s Hollywood McFarland 2010 focuses on 22 series and 167 individual films primarily released during the 1930s It was a decade that featured some of the most famous cinema detectives of all time among them Charlie Chan Nick and Nora Charles Philo Vance Nancy Drew and such lesser known but equally entertaining figures as Hildegarde Withers Torchy Blane Mr Moto Mr Wong and Brass Bancroft Each mystery movie series is placed within its historical context with emphasis on its source material and the changes or developments within the series over time Also included are reviews of all the series films analyzing the quality and cohesiveness of the mystery plotlines For titles based on literary sources a comparison between the film and the written work is provided **Jean Arthur** Jerry Vermilye, 2012-06-06 Blonde vivacious Jean Arthur is best remembered today for her unizue childlike voice and for the handful of classic Thirties and Forties movies she made for directors Frank Capra and George Stevens such as You Can t Take It With You Mr Smith Goes to Washington The More the Merrier and her last picture Shane released in 1953 But not many know that her 30 year film career dates from the early Twenties when she was an inexperienced contract player at Fox In fact Arthur appeared in more movies of the silent era mostly program Westerns and minor comedies than she made after the advent of sound Born with the name Gladys Greene in 19 00 Jean Arthur renamed and reinvented herself when she arrived in Hollywood in 1922 fictionizing her background and subtracting eight years from her actual age Colleagues have recalled the eccentric personality and behind the scenes insecurities that negated her

popularity with the press and inhibited her later career as a stage and TV star prompting her eventual retreat into seclusion All of these exploits and more are detailed in this comprehensive biofilmography by Jerry Vermilye a much published author who tells his story in a brisk non judgmental style that has drawn critical praise for his volumes on such legendary film personalities as Cary Grant Barbara Stanwyck Bette Davis Charles Bronson Audrey Hepburn Buster Crabbe Lawrence Olivier and Elizabeth Taylor This book includes casts production credits and critical commentary on Jean Arthur's many films as well as 100 scene stills portraits and candids many of them are photographs from the author's private collection Picture Almanac Terry Ramsaye, 1945 Speaking Pictures Alistair Fox, 2016-03-21 A new way to understand the human longing for stories informed by both neuroscience and psychoanalytic theory In this book Alistair Fox presents a theory of literary and cinematic representation through the lens of neurological and cognitive science in order to understand the origins of storytelling and our desire for fictional worlds Fox contends that fiction is deeply shaped by emotions and the human capacity for metaphorical thought Literary and moving images bridge emotional response with the cognitive side of the brain In a radical move to link the neurosciences with psychoanalysis Fox foregrounds the interpretive experience as a way to reach personal emotional equilibrium by working through autobiographical issues within a fictive form Outlook and Independent ,1929 Music News ,1929 Becoming Nick and Nora Rob Kozlowski, 2023-08-01 As .1929 Nick and Nora Charles in the six Thin Man movies from 1934 to 1947 the team of William Powell and Myrna Loy showed that marriage didn t have to mean the end of the romantic comedy From the comedic delight that was the initial The Thin Man through its five seguels as well as eight other films including the Oscar winning The Great Ziegfeld and Manhattan Melodrama Powell and Loy were cemented in the public imagination as Hollywood's happiest married couple In Becoming Nick and Nora comedy writer and Hollywood historian Rob Kozlowski follows the winding path that Powell and Loy s screen personas took over their careers Studios originally cultivated the two as villains in the silent era Powell as a mustachioed swashbuckling fiend and Loy as an exotic adversary With the rise of talkies the two managed to broaden their range beyond villainous stereotypes but it took several false starts before they achieved their lasting legacy as Nick and Nora Packed with behind the scenes details and memorable characters this is a lively look at two tinseltown icons and a film series that remains beloved nearly a century later William Powell Roger Bryant, 2014-12-09 Actor William Powell is perhaps best known for his roles as charming Nick in The Thin Man films and blustery Clarence Day in Life with Father As diverse as those characters are they don't begin to reveal the full scope of talent demonstrated by one of Hollywood's most intelligent leading men Elegant witty and dignified Powell created accessible and human characters in a great variety of roles His talent was such that Powell has a large and growing fan base 50 years after his last film was released evidenced by the popularity of DVD rereleases and the frequent appearance of his films on cable television. The focus of this book is Powell's work in more than 90 films from the silent era to the age of CinemaScope woven into the dramatic and touching story of the actor s life It

begins by leaping into how Powell and actress Myrna Loy were launched to stardom as husband and wife Nick and Nora Charles in The Thin Man The next chapter sets the stage for the baby Powell's entry into the world in 1892 and details his childhood and upbringing Following chapters trace Powell's journey into the film industry his early career as a popular villain and his transition to talkies in the late 1920s aided by his stage training The book details his work at Warner Bros which turned him into a leading man and his years of stardom at MGM The book describes turning points in Powell's life the death of lover Jean Harlow a 21 month hiatus from films while the actor battled cancer and a new leap to the top in Life with Father Concluding chapters detail another flurry of films and the actor's retirement A filmography lists Powell's films from 1922 to 1955 including those believed to be lost The New York State Exhibitor ... ,1929 **Quota Quickies** Steve Chibnall, 2019-07-25 This book the first of two volumes will provide a major new history of the British B film tracing the development of the low budget supporting feature from the 1927 Films Act which introduced a quota system for the distribution and exhibition of indigenous product to the age of television when B film producers channelled their energies into making TV programmes Along the way the authors will address leading producers and studios B film stars distributors the genres and themes that tended to dominate B film production comedy horror crime and fantasy Quota Quickies will include a case study of the B films of Michael Powell The authors argument is that the B film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers and that the films themselves provided an outlet for the exploration of peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re evaluation The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr Movina Picture Review & Theatre Management, 1927
