**Blessings & Rituals for the Journey of Life** Susan Langhauser,2010-12-01 Congregations celebrate various rites and rituals as a way of commemorating the significant life events and experiences of their members By blessing something or someone God s presence is invoked and the sacred is invited into the mundane the holy into the ordinary This book offers pastors and other church leaders a collection of ready made easily adaptable blessings and rituals for a variety of occasions The book is divided into four major chapters Children Adults Everyday Life and Pastoral Care It includes blessings and rituals for such occasions as welcome into a home or neighborhood receiving a first Bible graduation from high school receiving a driver s license blessing the backpacks and lunch boxes for a new school year and pet funerals Pastoral care rituals include such occasions as grief lost love anger and declining health Key Benefits Provides readers with a source of blessings and rituals for key moments in congregational members lives and meaningful ways to celebrate and support their life experiences and transitions Shows readers how the intentional use of blessings and rituals within the congregation helps reveal to the community God s presence in every phase of life

**Self-Help Books** Sandra K. Dolby,2010-10-01 Understanding instead of lamenting the popularity of self help books Based on a reading of more than three hundred self help books Sandra K Dolby examines this remarkably popular genre to define self help in a way that s compelling to academics and lay readers alike Self Help Books also offers an interpretation of why these books are so popular arguing that they continue the well established American penchant for self education they articulate problems of daily life and their supposed solutions and that they present their content in a form and style that is accessible rather than arcane Using tools associated with folklore studies Dolby then examines how the genre makes use of stories aphorisms and a worldview that is at once traditional and contemporary The overarching premise of the study is that self help books much like fairy tales take traditional materials especially stories and ideas and recast them into extended essays that people happily read think about try to apply and then set aside when a new embodiment of the genre comes along

Wise Follies Grace Wynne-Jones,2007-12-01 Why waving goodbye to Mr Wonderful may be the wisest folly of all Alice Evans has got a GSOH GFCH gas fired central heating a cat and a Mitsubishi colour portable People have told her she can look pretty if she tries She s thirty eight and single so will someone please pass the message on What Alice thinks she needs is Mr Wonderful A man like her pottery teacher James Mitchel who s warm and wise and gorgeous But as one long hot summer disappears with no sign of her snaring the man of her dreams Alice is forced to consider the alternatives Should she

settle for Mr Mediocre her dull but dependable ex boyfriend Eamon and spend the rest of her days trying to like golf Or could there be another way for a woman to ditch all the longing and really start living her life     The British National Bibliography
