**Viola Desmond's Canada** Graham Reynolds,2016-03-30T00:00:00Z In 1946 Viola Desmond was wrongfully arrested for sitting in a whites only section of a movie theatre in New Glasgow Nova Scotia In 2010 the Nova Scotia Government recognized this gross miscarriage of justice and posthumously granted her a free pardon Most Canadians are aware of Rosa Parks who refused to give up her seat on a racially segregated bus in Alabama but Viola Desmond s act of resistance occurred nine years earlier However many Canadians are still unaware of Desmond s story or that racial segregation existed throughout many parts of Canada during most of the twentieth century On the subject of race Canadians seem to exhibit a form of collective amnesia Viola Desmond s Canada is a groundbreaking book that provides a concise overview of the narrative of the Black experience in Canada Reynolds traces this narrative from slavery under French and British rule in the eighteenth century to the practice of racial segregation and the fight for racial equality in the twentieth century Included are personal recollections by Wanda Robson Viola Desmond s youngest sister together with important but previously unpublished documents and other primary sources in the history of Blacks in Canada NEW Teaching Guide Available Here
