Tall Story:

Tall Story Candy Gourlay, 2012-02-14 Andi is short And she has lots of wishes She wishes she could play on the school basketball team she wishes for her own bedroom but most of all she wishes that her long lost half brother Bernardo could come and live in London where he belongs Then Andi s biggest wish comes true and she s minutes away from becoming someone s little sister As she waits anxiously for Bernardo to arrive from the Philippines she hopes he ll turn out to be tall and just as crazy as she is about basketball When he finally arrives he s tall all right Eight feet tall in fact plagued by condition called Gigantism and troubled by secrets that he believes led to his phenomenal growth In a novel packed with quirkiness and humor Gourlay explores a touching sibling relationship and the clash of two very different cultures School Experience Peter Woods, Martyn Hammersley, 2017-04-28 First published in 1977 this volume brings together a range of viewpoints informed by reports of empirical research which bear on the experience of school Each chapter demonstrates the application of the new sociology of education in its various guises to the world of teachers and pupils In doing so they exemplify the fields of investigation opened up by these theoretical developments and also suggest directions ahead The tensions in the articles reflect the tensions that existed in the sociology of education By bringing them together the aim of this volume is to contribute to a more soundly based sociology of education *Classroom Ethnography* Martyn Hammersley, 2021-06-23 Originally published in 1990 Classroom Ethnography examines the interplay between empirical research and methodological reflection It explores the nature the methods the role and the limitations of ethnographic research on school classrooms Beginning with examples of Hammersley s empirical research the book then moves on to a number of reflections about the methodology of ethnographic research covering such matters as the role of theory and the relative contributions of qualitative and quantitative work Classroom Ethnography will be of use to those with an interest in educational research methodology and in particular of ethnographic research on classrooms **Mr. Tall** Tony Earley, 2024-09-24 In Mr Tall his first story collection in two decades Tony Earley brings us seven rueful bittersweet riotous studies of characters both ordinary and mythical seeking to make sense of the world transforming around them He demonstrates once again the prodigious storytelling gifts that have made him one of the most accomplished writers of his generation In the title story a lonely young bride terrifyingly shares a remote mountain valley with a larger than life neighbor while the grieving widow of The Cryptozoologist is sure she s been visited by a Southern variant of Bigfoot Have You Seen the Stolen Girl introduces us to the ghost of Jesse James who plagues an elderly woman in the wake of a neighborhood girl s abduction In Haunted Castles of the Barrier Islands a newly empty nest couple stumbles through an impenetrable Outer Banks fog seeking a new life to replace the one they have lost while Yard Art follows the estranged wife of a famous country singer as she searches for an undiscovered statue by an enigmatic artist In the concluding novella Jack and the Mad Dog we find Jack the giant killer of the stories in full flight from threats both canine and existential Earley indelibly maps previously

undiscovered territories of the human heart in these melancholy comic and occasionally strange stories Along the way he leads us on a journey from contemporary Nashville to a fantastical land of talking dogs and flying trees teaching us at every step that even in the most familiar locales the ordinary is never just that *True to Life Intermediate Personal Study*

Literature, Modernism and Myth Michael Bell,1997-01-28 The use of myth in Modernist literature is a misleadingly familiar theme Joyce s appropriation of Homer s Odyssey and Eliot s of Frazer s Golden Bough are like Lawrence s primitivism or Yeats s nationalist folklore attempts to discover an underlying metaphysic in an increasingly fragmented world In Literature Modernism and Myth Michael Bell also examines the relationship of myth and modernism to postmodernism Myth Bell shows is inherently flexible it was used to justify Pound s totalizing vision of society which eventually descended into fascism and

the liberal ironic vision of human existence Joyce and Mann expressed Those theorists who present myth as another form of mystification a search for false origins ignore its use by modernists to emphasise the ultimate contingency of all values This anti foundational element Bell claims enables myth to act as a corrective to the claims of ideological critique Bell shows how postmodern concerns with political and social responsibility and the role literature plays in formulating this have in fact been inherited from modernism
