critically reviews all the existing research in specific areas of nursing practice nursing care delivery nursing education and the professional aspects of nursing      *Spirituality in Nursing: Standing on Holy Ground* Mary Elizabeth O'Brien, 2021-02-09

*Spirituality in Nursing Standing on Holy Ground* Seventh Edition addresses the relationship between spirituality and nursing practice across a variety of settings related to caring for the ill and infirm      *Spirituality in Nursing* Mary O'Brien, 2010-10-25 This book explores the relationship between spirituality and the practice of nursing providing students and professionals with invaluable insights from a variety of perspectives Although an effort has been made to include examples of patient needs supported by both data and literature relative to other religious affiliations the overall orientation of the work is derived primarily from the Judeo Christian tradition Preface      *Crime and Forgiveness* Adriano Prosperi, 2020-07-14 The public execution of criminals has been a common practice since ancient times Adriano Prosperi identifies a crucial period when concepts of vengeance and justice merged with Christian beliefs in repentance and forgiveness to eventually give political authorities a moral rationale for encoding the death penalty into law      *Medieval Heresies* Carl T. Berkhout, Jeffrey Burton Russell, 1981      *Community, Urban Health and Environment in the Late Medieval Low Countries* Janna Coomans, 2021-08-26 By exploring the uniquely dense urban network of the Low Countries Janna Coomans debunks the myth of medieval cities as apathetic towards filth and disease Based on new archival research and adopting a bio political and spatial material approach Coomans traces how cities developed a broad range of practices to protect themselves and fight disease Urban societies negotiated challenges to their collective health in the face of social political and environmental change transforming ideas on civic duties and the common good Tasks were divided among different groups including town governments neighbours and guilds and affected a wide range of areas from water fire and food to pigs prostitutes and plague By studying these efforts in the round Coomans offers new comparative insights and bolsters our understanding of the importance of population health and the physical world infrastructures flora and fauna in governing medieval cities      *Religious Life between Jerusalem, the Desert, and the World* Kaspar Elm, James D. Mixson, 2015-11-16 Few medievalists of the last generation have contributed more to our understanding of late medieval religious life than Kaspar Elm Over the last half century his reflections now a monumental corpus of books essays and other publications have explored how the life of the cloister canonry and convent intersected with the world of the laity church and society beyond and how that story reflected the broader sweep of European history Until now relatively few Anglophone scholars and students have had direct access to Elm's work The present translation of several of his most important essays offers itself as a modest remedy to that circumstance      **New Catholic Encyclopedia** Catholic University of America, 2003 others In addition to the hundreds of new signed articles on a wide variety of topics this new edition also features biographies of contemporary religious figures thousands of photographs maps and illustrations and updated bibliographical citations The 15th volume is a cumulative index to the entire encyclopedia      *Piety in Practice and Print* Koen

Goudriaan, 2016 The late Middle Ages provide us with a fascinating religious landscape The quest for new religious ideals and intense spirituality can be observed in movements such as the Modern Devotion and the Franciscan Observance marking the late fourteenth and fifteenth century with new institutional dynamics and the formation of a variety of religious communities The dissemination of these new religious ideas and ideals profited from the advent of the printing press It is these subjects that Koen Goudriaan professor of Medieval History at VU University Amsterdam has studied for decades This volume edited by Anna Dlabová and Ad Tervoort presents a collection of eleven of his best essays It focuses on three themes the institutional parameters of late medieval religious movements the cult of remembrance and the interaction between religious movements and the early printing press Together these essays provide a representative sample of Goudriaan's substantial contribution to scholarship on late medieval history

### **The Encyclopedia of American Catholic History**

Michael Glazier, Thomas J. Shelley, 1997 The encyclopedia lists essential data on all Catholic colleges and universities and on all religious institutions of men and women but it was not feasible to have a separate entry on each Therefore a representative selection was made and articles were written on some of the larger and smaller colleges and universities and the same procedure was adopted with the religious orders and congregations Unfortunately space did not permit the inclusion of every important person or event in American Catholic history Introduction
