believing George Jones was the greatest country singer of all time After deciding to become a country singer herself she went to Nashville got a record deal then met and married her hero With the pop crossover success of Stand by Your Man and the international political drama surrounding the song s lyrics came a gigantic audience who were sold a fairy tale image of a couple soon being called The King and Queen of Country Music Many fans still believe that fairy tale today The behind the scenes truth is very different from the images shown on album covers Illustrated throughout by singular artist Wayne White Cocaine Rhinestones is an unprecedented look at the lives of two indelible country icons reframing their careers within country music as well as modern history itself The Laser Video Disc Companion Douglas Pratt,1988 **Sociological**
