Sibley, 1971 **Life in Tanganyika in the Fifties** Godfrey Mwakikagile, 2009 Life in Tanganyika in the 1950s and a look at race relations between whites and black Africans and others in this East African country are some of the subjects covered in the book It s full of human interest stories including the author s Born and brought up in Tanganyika the author writes from personal experience He also got the chance to ask many ex Tanganyikans a number of questions about life in Tanganyika in the fifties Many of them were born and brought up in Tanganyika during the same period the author was And many others went to Tanganyika as children but grew up there The ex Tanganyikans he contacted lived in different parts of the world including Tahiti Britain Australia New Zealand Canada Italy South Africa Zambia Zimbabwe the United States the Middle East and Russia among others And they all had interesting stories to tell about life in Tanganyika in the fifties The perspectives they provided and the memories they shared with the author about their lives in Tanganyika are some of the most interesting aspects of this book which focuses on one of the most important periods in the history of Africa The book is a primary source of information on how life was then in Tanganyika during one of the most important decades in the history of the country just before independence **A Modern History of Tanganyika** John Iliffe, 1979-05-10 The first comprehensive and fully documented history of modern Tanganyika mainland Tanzania The Chiwaya War E. Soldiers and Settlers in Africa, 1850-1918 Stephen Miller, 2009-09-30 The essays in this volume concentrate on imperial conflict Until recently most historians of empire have concerned themselves with economic issues More recently scholarship has turned to social and cultural aspects of Empire The role of the military however continues to be largely ignored Historians have traditionally viewed the military as an arm of the civil power an institution which did not create policy but faithfully obeyed the directives given to it These essays show that indeed the military thought for itself its officers made policy introduced new strategies and tactics and utilized the services of local settlers and indigenes to pursue the interests of empire and the rank and file informed ideas in Great Britain concerning Africa and Africans Contributors are Edward M Spiers Ian F W Beckett Bill Nasson John Laband Paul Thompson Fransjohan Pretorius Tim Stapleton Ian van der Waag James Thomas Jeffrey Meriwether

and Bruce Vandervort *An African Journey Through Its Art* Fima Lifshitz,2009 There were five They came together for reasons that no one is even sure of anymore and cut a swath through the universe Everyone knew their name and the lined up to follow them They knew their symbol the snarling wolf The warlords formed a following an almost religion And then it was over Years later and the followings of each of the original warriors have become clans The clans have grown and trained new warriors over time creating the driving force in all the universe Here are four people now training to follow in the ways of one particular wolf The wolf that ended it all in the first place the Blackwolf This is the start of their journey the beginning of their training Gregor Holden a Prince who s sense of duty is equaled only by his lust for adventure Candace Orthon a legacy who s father is a Blackwolf who s grandfather was a Blackwolf and who will be a Blackwolf if it kills her Ran Grastle already an accomplished warrior in his own right He s on the run for a committing a crime to exact justice and cares very little for the clan or anyone else Xesca a child of the last planet that the Blackwolf attacked She has come to learn his ways his style so that no one can ever attack her planet again These four If no one else let these four progress Prisoners of Tsavo Lalchand Sharma,Vishva Bandhu Lalchand Sharma,2019-03-13 Lalchand Sharma on the surface may seem like a regular man from a poor rural area of British India But look a little closer and you will see someone with an indomitable spirit who refused to try saving his own life by giving false evidence during a trial near Tsavo Kenya against fellow Indians This was when partly to explain their defeat at the hands of vastly outnumbered German forces during the Africa campaign of World War I the British made scapegoats out of innocent Indians At the same time the British were afraid that the Ghadar movement an Indian freedom struggle would spread to East Africa In this autobiography edited and set in its historical geographical and cultural context by the author s son readers will discover the manner in which the Indian and Kenyan freedom struggles coalesced The author also examines two paradigm shifts that played out in the cultural integration of Indians in the larger Kenya nation Learn about a fascinating and largely ignored piece of history and find out how the author escaped execution while others died in Prisoners of Tsavo *King's African Rifles Soldier vs Schutztruppe Soldier* Gregg Adams,2016-09-22 Specially commissioned artwork and thrilling combat accounts transport the reader to the far flung and inhospitable East African theatre of World War I where the Schutztruppe faced off against the King s African Rifles In an attempt to divert Allied forces from the Western Front a small German colonial force under the command of Oberst Paul von Lettow Vorbeck raided British and Portuguese territory Despite being heavily outnumbered his expert use of guerrilla tactics forced the British to mount a series of offensives culminating in a major battle at Nyangao Mahiwa that saw both sides suffer heavy casualties Meticulously researched analysis highlights the tactical and technological innovation shown by both armies as they were forced to fight in a treacherous climate where local diseases could prove just as deadly as the opposition **A Subject Bibliography of the First World War** A.
