**Triquetra of the Universe** Shanel Fulton, 2024-02-02 Venture into the mystical realms where dreams stir amidst the mists of time awaiting your discovery The whisper of destiny beckons from the horizon tempting your soul into the unknown As the moon casts its glow upon the still waters treasures of the deep arise to greet the night revealing the heart's stolen moments a woman's tender reminiscence of a love that slipped through the sands of time Bound by broken promises the chains of the past rattle heralding the emergence of the Oracle's salvation The silver chalice of the Wiccan way stands solemn casting blessings upon the hearth of souls as temptation unfurls offering a tantalizing glimpse into a man's journey amidst the shades of truth and the sins veiled in the night's embrace The ancient Gaelic melodies of battle resound through the ages serenading the goddesses of lost tales Under the watchful eyes of summer's blaze betrayal's sting festers while deceit lays its cool touch with autumn's descent Amidst this eternal dance of fate and desire a path of destined light unveils itself

The Journey Reflections of a Time Before James Lagoski, 2011-03-26 While preparing this book for publication I really began to think of just how much The Journey became my purpose When I first started writing poetry around 15 years ago I was simply trying to find a way to describe the emotions that were consuming me within at the time My friend of 22 years committed suicide on Nov 18 1993 After writing poems afterwards for a couple years I had decided to create a 100 page book in order to keep a promise I'd made to Bill that his name would live on far past his death Today this book marks the 10th edition since that first book Follow Your Dreams Someday They Will Come True James Lagoski Publications University of Massachusetts (Amherst campus). **Zen Koans** Steven Heine, 2014-09-30 What is the sound of one hand clapping Does a dog have Buddha nature These cryptic expressions are among the best known examples of koans the confusing often contradictory sayings that form the centerpiece of Zen Buddhist learning and training Viewed as an ideal method for attaining and transmitting an unimpeded experience of enlightenment they became the main object of study in Zen meditation where their contemplation was meant to exhaust the capacity of the rational mind and the expressiveness of speech Koan compilations which include elegant poetic and eloquent prose commentaries on cryptic dialogues are part of a

great literary tradition in China Japan and Korea that appealed to intellectuals who sought spiritual fulfillment through interpreting elaborate rhetoric related to mysterious metaphysical exchanges In this compact volume Steven Heine who has written extensively on Zen Buddhism and koans introduces and analyzes the classic background of texts and rites and explores the contemporary significance of koans to illuminate the full implications of this ongoing tradition He delves deeply into the inner structure of koan literature to uncover and interpret profound levels of metaphorical significance At the same time he takes the reader beyond the veil of vagueness and inscrutability to an understanding of how koan writings have been used in pre modern East Asia and are coming to be evoked and implemented in modern American practice of Zen By focusing on two main facets of the religious themes expressed in koan records individual religious attainment and the role dialogues play in maintaining order in the monastic system Zen Koans reveals the distinct yet interlocking levels of meaning reflected in different koan case records and helps make sense of the seemingly nonsensical It is a book for anyone interested in untangling the web of words used in Zen exchanges and exploring their important place in the vast creative wellspring of East Asian religion and culture
