Tanglefoot An Almost True Story Of Civil Wars And Cities:

Tanglefoot Richard Connelly Miller,2005 This book follows the trail of Captain George Wellington Streeter and his controversial struggle to claim his homemade island as the District of Lake Michigan Today the island is part of Chicago s Gold Coast The Chicago of Fiction James A. Kaser,2011-02-01 The importance of Chicago in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In The Chicago of Fiction A Resource Guide James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included **Joyce in the Belly of the Big Truck; Workbook** Joyce A. Cascio,2005-05 *The Story of the Fifty-fifth Regiment Illinois Volunteer Infantry in the Civil War, 1861-1865* United States. Army. The Sweetheart of the Civil War Ernest K. Emurian,2012-10-01 The Mule Soldiers Blair Howard,2014-12-15 The Mule Soldiers is the true story fictionalized of Streight s Raid into Northern Alabama that took place from 19 April to 3 May 1863 A brigade of Federal infantry led by Colonel Abel D Streight set out on a 220 mile ride to destroy the Western and Atlantic railroad at Rome Georgia The raid turned into a running battle between Streight s raiders and Confederate General Nathan Bedford Forrest The most fascinating thing about the raid is that Streight s brigade of four infantry regiments was mounted on mules a huge problem in itself Not only did he have almost 1 500 stubborn and wily animals to contend with and the inimitable general Forrest few of his men had ever ridden a horse let alone a mule For Streight it was a long and tortuous journey across Northern Alabama For Forrest it was one defeat after another at the hands of the very able Abel Streight even though he Forrest had the advantage of home territory and the sympathy and aid of the local populace Streight s Raid took place at the same time as and was loosely coordinated with the more famous Grierson s Raid the inspiration for the book The

Horse Soldiers by Harold Sinclair and the movie of the same name starring John Wayne and William Holden Although Streight was probably unaware of Grierson s Raid it s certainly true that it caused a diversion that contributed to the success of Grierson s Raid and much confusion among the Confederate pursuers of both raids They say that truth is stranger than fiction This amazing story proves the point for the end of the story is well unbelievable **The Little Bugler** William B. Style,1998 Details the career of one of the youngest Civil War soldiers **The Draytons and the Davenants** Elizabeth Rundle Charles,1884 The Draytons and the Davenants Elizabeth Rundle Charles,2016-05-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Family Under Fire Ronald Kidd,1995-01-01
