Tango On The Main:

Tango on the Main Joe Fiorito, 2012 New Geographies of Music 2 Séverin Guillard, Joseph Palis, Ola Johansson, 2024-07-22 This book is the second installment of a trilogy that explores the spatial dimensions of music Music has generated substantial interest among geographers but other academic disciplines have also developed related spatial perspectives on music This trilogy brings together multiple approaches each book investigating a bundle of interrelated themes New Geographies of Music 2 Music in Urban Tourism Heritage Policies and Place making starts by exploring contemporary approaches to the study of popular music as well as the relations existing between music tourism heritage and urban geography The chapters address a range of issues including how music shapes the feel of touristic towns and urban public spaces how music scenes have an increasing role in heritage and tourism policies and how this recognition of music has consequences on artistic practices and urban imaginaries This is a must read for anyone interested in the relationship between space and music **Queer Constellations** Dianne Chisholm, *Queer Constellations* investigates the dreams and catastrophes of recent urban history viewed through new queer narratives of inner city life The gay village gay mecca gai Paris the lesbian flaneur the lesbian bohème these and other urban phantasmagoria feature paradoxically in this volume as figures of revolutionary utopia and commodity spectacle as fossilized archetypes of social transformation and ruins of haunting cultural potential Dianne Chisholm introduces readers to new practices of walking seeing citing and remembering the city in works by Neil Bartlett Samuel Delany Robert Gluck Alan Hollinghurst Gary Indiana Eileen Myles Sarah Schulman Edmund White and David Wojnarowicz Reading these authors with reference to the history sociology geography and philosophy of space particularly to the everyday avant garde production and practice of urban space Chisholm reveals how and how effectively queer narrative documentary resembles and reassembles Walter Benjamin's constellations of Paris capital of the nineteenth century Considering experimental queer writing in critical conjunction with Benjamin's city writing the book shows how a queer perspective on inner city reality exposes contradictions otherwise obscured by mythic narratives of progress If Benjamin regards the Paris arcade as a microcosm of high capitalism wherein the unmaking of industrial society is perceived retrospectively in contemporary queer narrative we see the sexually charged and commodity entranced space of the gay bathhouse as a microcosm of late capitalism and as an exemplary site for excavating the contradictions of mass sex In Chisholm's book we discover how looking back on the ruins of queer mecca queer authors return to Benjamin to advance his dialectics of seeing how they cruise the paradoxes of market capital blasting a queer era out of the homogeneous course of history **The Routledge Companion to Global Film Music in the Early Sound Era** Jeremy Barham, 2024-01-31 In a major expansion of the conversation on music and film history *The Routledge Companion to Global Film Music in the Early Sound Era* draws together a wide ranging collection of scholarship on music in global cinema during the transition from silent to sound films the late 1920s to the 1940s Moving beyond the traditional focus on Hollywood this

Companion considers the vast range of cinema and music created in often overlooked regions throughout the rest of the world providing crucial global context to film music history An extensive editorial Introduction and 50 chapters from an array of international experts connect the music and sound of these films to regional and transnational issues culturally historically and aesthetically across five parts Western Europe and Scandinavia Central and Eastern Europe North Africa The Middle East Asia and Australasia Latin America Soviet Russia Filling a major gap in the literature The Routledge Companion to Global Film Music in the Early Sound Era offers an essential reference for scholars of music film studies and cultural history

More Than Two to Tango Anah' Viladrich,2013-09-26 The world of Argentine tango presents a glamorous facade of music and movement Yet the immigrant artists whose livelihoods depend on the US tango industry receive little attention beyond their enigmatic public personas More Than Two to Tango offers a detailed portrait of Argentine immigrants for whom tango is both an art form and a means of survival Based on a highly visible group of performers within the almost hidden population of Argentines in the United States More than Two to Tango addresses broader questions on the understudied role of informal webs in the entertainment field Through the voices of both early generations of immigrants and the latest wave of newcomers Anah Viladrich explores how the dancers musicians and singers utilize their complex social networks to survive as artists and immigrants She reveals a diverse community navigating issues of identity class and race as they struggle with practical concerns such as the high cost of living in New York City and affordable health care Argentina's social history serves as the compelling backdrop for understanding the trajectory of tango performers and Viladrich uses these foundations to explore their current unified front to keep tango as their own authentic expression Yet social ties are no panacea for struggling immigrants Even as More Than Two to Tango offers the notion that each person is truly conceived and transformed by their journeys around the globe it challenges rosy portraits of Argentine tango artists by uncovering how their glamorous representations veil their difficulties to make ends meet in the global entertainment industry In the end the portrait of Argentine tango performers diverse career paths contributes to our larger understanding of who may attain the American Dream and redefines what that means for tango artists

[Argentine Queer Tango](#) Mercedes Liska,2016-12-24 Argentine Queer Tango Dance and Sexuality Politics in Buenos Aires investigates changes in tango dancing in Buenos Aires during the first decade of the twenty first century and its relationship to contemporary social and cultural transformations Mercedes Liska focuses on one of the proposed alternatives to conventional tango queer tango which proposes to rethink one of the alleged icons of a national culture from a feminist conception and to imagine social transformation processes from bodily experiences Specifically this book analyzes the value of bodily experiences the redefinition of the mind body relationship and the transformation in the dynamics of the dance from the heteronormative movements of tango In doing so Liska addresses the ways in which bodily techniques and gender theories are involved in the denaturing and corporeality decoding of tango and its historical senses as well as the connections between different tango dance practices spread throughout the world
