K. Wilson,2020-09-02 A bewildering feature of so much contemporary political violence is its stunning impersonality Every major city centre becomes a potential shooting gallery and every metro system a potential bomb alley Victims just happen as the saying goes to be in the wrong place at the wrong time We accept this contemporary reality at least to some degree But we rarely ask where has it come from historically Killing Strangers tackles this question head on It examines how such violence became unchained from interpersonal relationships It traces the rise of such impersonal violence by examining violence in conjunction with changing social and political realities In particular it traces both push and pull the ability of modern states to force the violence of their challengers into niche forms and the disturbing new opportunities that technological changes offer to cause mayhem in fresh

and original ways Killing Strangers therefore aims to highlight the very strangeness of contemporary experience when it is viewed against a long term perspective Atrocities regularly capture media attention and just as quickly fade from public view That is both tragic and utterly predictable Deep down we expect no different And that is why such atrocities must be repeated if our attention is to be re engaged Deep down we expect that too So Killing Strangers deliberately asks the very simplest of questions How on earth did we get here **Armor** ,1972
