Tantra Sex Secrecy Politics And Power In The Study Of Religions

Yves Mühlematter, Helmut Zander

Tantra Sex Secrecy Politics And Power In The Study Of Religions:

Tantra Hugh B. Urban, 2012 Bhadriraju Krishnamurti 1928 is Professor and Head of the department of Linguistics at Osmania University Hyderabad He received a B A Hons Degree 1948 in Telugu language and literature at Andhra University Waltair and an M A 1955 and Ph D 1957 in linguistics from the university of Pennsylvania U S A **The Power of Tantra**

Hugh B. Urban, 2009-10-30 In the West the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock For European colonizers Orientalist scholars and Christian missionaries of the Victorian era Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so called Indian mind a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism Yet for most contemporary New Age and popular writers Tantra is celebrated as a much needed affirmation of physical pleasure and sex indeed as a cult of ecstasy to counter the perceived hypocritical prudery of many Westerners In recent years Tantra has become the focus of a still larger cultural and political debate In the eyes of many Hindus much of the western literature on Tantra represents a form of neo colonialism which continues to portray India as an exotic erotic hyper sexualized Orient Which then is the real Tantra Focusing on one of the oldest and most important Tantric traditions based in Assam northeast India Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos the human body and political society In a fresh and vital contribution to the field the author suggests that the real meaning of Tantra lies in helping us rethink not just the history of Indian religions but also our own modern obsessions with power sex and the invidious legacies of cultural imperialism **Secrecy** Hugh B. Urban, 2021-01-12 The powers of political secrecy and social spectacle have been taken to surreal extremes recently Witness the twin terrors of a president who refuses to disclose dealings with foreign powers while the private data of ordinary citizens is stolen and marketed in order to manipulate consumer preferences and voting outcomes We have become accustomed to thinking about secrecy in political terms and personal privacy terms In this bracing new work Hugh Urban wants us to focus these same powers of observation on the role of secrecy in religion With Secrecy Urban investigates several revealing instances of the power of secrecy in religion including nineteenth century Scottish Rite Freemasonry the sexual magic of a Russian born Parisian mystic the white supremacist Br der Schweigen or Silent Brotherhood movement of the 1980s the Five Percenters and the Church of Scientology An electrifying read Secrecy is the culmination of decades of Urban s reflections on a vexed ever present subject **The Power of Tantra** Hugh B. Urban, 2009-10-30 In the West the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock For European colonizers Orientalist scholars and Christian missionaries of the Victorian era Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so called Indian mind a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism Yet for most contemporary New Age and popular

writers Tantra is celebrated as a much needed affirmation of physical pleasure and sex indeed as a cult of ecstasy to counter the perceived hypocritical prudery of many Westerners In recent years Tantra has become the focus of a still larger cultural and political debate In the eyes of many Hindus much of the western literature on Tantra represents a form of neo colonialism which continues to portray India as an exotic erotic hyper sexualized Orient Which then is the real Tantra Focusing on one of the oldest and most important Tantric traditions based in Assam northeast India Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos the human body and political society In a fresh and vital contribution to the field the author suggests that the real meaning of Tantra lies in helping us rethink not just the history of Indian religions but also our own modern obsessions with power sex and the invidious legacies of cultural imperialism **The Path of Desire** Hugh B.

Urban,2024-03-27 A provocative study of contemporary Tantra as a dynamic living tradition Tantra one of the most important religious currents in South Asia is often misrepresented as little more than ritualized sex Through a mixture of ethnography and history Hugh B Urban reveals a dynamic living tradition behind the sensationalist stories Urban shows that Tantric desire goes beyond the erotic encompassing such quotidian experiences as childbearing and healing He traces these holistic desires through a series of unique practices institutional Tantra centered on gurus and esoteric rituals public Tantra marked by performance and festival folk Tantra focused on magic and personal well being and popular Tantra imagined in fiction film and digital media The result is a provocative new description of Hindu Tantra that challenges us to approach religion as something always entwined with politics and culture thoroughly entangled with ordinary needs and desires **Esotericism**

in Western Culture Wouter J. Hanegraaff,2025-05-29 This accessible introduction by the world s leading expert explains why the study of esotericism is not a marginal pursuit but belongs at the center of modern research in the humanities Reflecting updates in the field since the foundational publication Western Esotericism A Guide for the Perplexed 2013 Wouter J Hanegraaff demonstrates that the exclusion of rejected knowledge from normative accounts of Western civilization is the reflection of a narrow Eurocentric ideology that became the template for discrediting and ultimately destroying so called primitive cultures associated with superstition and pagan idolatry during the global colonial age Rejecting this rejection of rejected knowledge means restoring the suppressed to its legitimate place in history and cultural analysis Through this approach Wouter J Hanegraaff depicts a radically inclusive vision of the Greater West and its forgotten histories from pagan antiquity through Jewish Christian and Islamic cultures up to secular modernity and beyond Magia Sexualis Hugh B. Urban,2006-10-04 Sexuality and the occult arts have long been associated in the western imagination but it was not until the nineteenth century that a large and sophisticated body of literature on sexual magic the use of sex as a source of magical power emerged This book the first history of western sexual magic as a modern spiritual tradition places these practices in the context of the larger discourse surrounding sexuality in American and European society over the last 150

years to discover how sexual magic was transformed from a terrifying medieval nightmare of heresy and social subversion into a modern ideal of personal empowerment and social liberation Focusing on a series of key figures including American spiritualist Paschal Beverly Randolph Aleister Crowley Julius Evola Gerald Gardner and Anton LaVey Hugh Urban traces the emergence of sexual magic out of older western esoteric traditions including Gnosticism and Kabbalah which were progressively fused with recently discovered eastern traditions such as Hindu and Buddhist Tantra His study gives remarkable new insight into sexuality in the modern era specifically on issues such as the politics of birth control the classification of sexual deviance debates over homosexuality and feminism and the role of sexuality in our own new world of post modern spirituality consumer capitalism and the Internet

Encyclopedia of Women in World Religions Susan de-Gaia,2018-11-16 This reference offers reliable knowledge about women s diverse faith practices throughout history and prehistory and across cultures Across the span of human history women have participated in world building and life sustaining cultural creativity making enormous contributions to religion and spirituality In the contemporary period women have achieved greater equality with more educational opportunities female role models in public life and opportunities for religious expression than ever before Contemporaneously with this increased visibility women are actively and energetically engaging with religion for themselves and for their communities Drawing on the expertise of a range of scholars this reference chronicles the religious experiences of women across time and cultures The book includes sections on major religions as well as on spirituality African religions prehistoric religions and other broad topics Each section begins with an introduction followed by reference entries on specialized subjects along with excerpts from primary source documents The entries provide numerous suggestions for further reading and the book closes with a detailed bibliography

Occult Roots of Religious Studies Yves Mühlematter,Helmut Zander,2021-06-08 The historiographers of religious studies have written the history of this discipline primarily as a rationalization of ideological most prominently theological and phenomenological ideas first through the establishment of comparative philological and sociological methods and secondly through the demand for intentional neutrality This interpretation caused important roots in occult esoteric traditions to be repressed This process of purification Latour is not to be equated with the origin of the academic studies De facto the elimination of idealistic theories took time and only happened later One example concerning the early entanglement is Tibetology where many researchers and respected chair holders were influenced by theosophical ideas or were even members of the Theosophical Society Similarly the emergence of comparatistics cannot be understood without taking into account perennialist ideas of esoteric provenance which hold that all religions have a common origin In this perspective it is not only the history of religious studies which must be revisited but also the partial shaping of religious studies by these traditions insofar as it saw itself as a counter model to occult ideas

The Body in Religion Yudit Kornberg Greenberg,2017-12-14 The Body in Religion Cross Cultural Perspectives surveys influential ways in which the body is imagined and deployed in religious practices and

beliefs across the globe Filling the gap for an up to date and comparative approach to theories and practices of the body in religion this book explores the cultural influences on embodiment and their implications for religious institutions and spirituality Examples are drawn from religions such as Jainism Confucianism Daoism Shintoism Paganism Aboriginal African and Native American religions in addition to the five major religions of the world Topics covered include Gender and sexuality Female modesty and dress codes Circumcision and menstruation rituals God language and erotic desire Death dying and burial rites Disciplining the body through prayer yoga and meditation Feasting and fasting rituals Illustrated throughout with over 60 images The Body in Religion is designed for course use in religious studies as well as interdisciplinary courses across the humanities and the social sciences Further online resources include a sample syllabus

Hidden Religion Micah Issitt,Carlyn Main,2014-09-16 Covering secret societies mysterious ancient traditions and the often mistaken history of the world s religious symbols this book takes readers on a tour through the fascinating world of religious symbolism and reveals the most mysterious and misunderstood facets of religion Hidden Religion The Greatest Mysteries and Symbols of the World s Religious Beliefs not only explores the history and origins of widely recognizable symbols like the Christian cross and the Star of David but also introduces readers to more obscure symbols from religious traditions around the world even defunct ones like those of the ancient Aztec and Mayan societies In addition the book discusses the religious secrets found in the major religions including secret societies of Christianity Judaism Islam and Buddhism Containing more than 170 entries the encyclopedia is organized by religious category such as Abrahamic East Asian and African Diasporic religions then alphabetically within each category Each entry is prefaced with a short introduction that explains where and when the religious tradition originated and describes the religion today This information is followed by an analysis of the historical development and use of symbols along with an explanation of connections between symbols used by different religions such as shared astrological symbolism in the form of moon sun or star motifs

Heaven's Gate George D. Chryssides,2016-12-05 On March 26 1997 the bodies of 39 men and women were found in an opulent mansion outside San Diego all victims of a mass suicide Messages left by the Heaven s Gate group indicate that they believed they were stepping out of their physical containers in order to ascend to a UFO that was arriving in the wake of the Hale Bopp comet The Heaven s Gate suicides were part of a series of major incidents involving New Religions in the 1990s as the new millennium approached Despite the major attention that Heaven s Gate attracted at the time of the suicides there have been relatively few scholarly studies This anthology on Heaven s Gate includes a combination of articles previously published in academic journals some new writings from experts in the field and some original Heaven s Gate documents All the material is expertly brought together under the editorship of George D Chryssides

Encountering Kali Rachel Fell McDermott,Jeffrey John Kripal,2005-01-01 Encountering Kali explores one of the most remarkable divinities the world has seen The Hindu goddess Kali is simultaneously understood as a blood thirsty warrior a deity of ritual

possession a tantric sexual partner and an all loving compassionate mother Popular and scholarly interest in her has been on the rise in the west in recent years Responding to this phenomenon McDermott and Kripal's volume focuses on the complexities involved in interpreting Kali in both her indigenous south Asian settings and her more recent Western incarnation Through the shifting lenses of scriptural history temple architecture political reflection and the goddess's recent guises on the Internet the contributors pose questions that illuminate our understanding of Kali while addressing the problems and promises inherent in every act of cross cultural interpretation

On Dreams and the East C. G. Jung, Heinrich Zimmer, 2025-01-14 Jung's landmark seminar on the symbolism of yoga and its applications to dream analysis In the summer of 1933 C G Jung conducted a seminar in Berlin attended by a large audience of some 150 people including several Jewish Jungians who would soon leave Germany Hitler had begun consolidating his position as dictator and these students were distressed at Jung's recent decision to accept the presidency of a German professional psychotherapy society that was rapidly becoming Nazified and purged of Jews On Dreams and the East makes these seminar sessions widely available for the first time offering tantalizing insights into Jung's evolving understanding of yoga and the realization of the self The seminar commences with a presentation on the psychology of yoga by noted Indologist and linguist Heinrich Zimmer whose collaboration in these talks reflects Jung's growing engagement with the Hindu tradition particularly Tantric yoga Jung analyzes a series of dreams of a middle aged male patient focusing on mandalas and the centering process He reflects on related motifs in alchemical symbolism Navaho healing drawings Mithraism baptism symbolism the foundation of Rome ecclesiastic dances and labyrinths drawing connections with the symbolism of yoga and Tantra Featuring a richly documented introduction by Giovanni Sorge On Dreams and the East opens a window on Jung's deepening exploration of Eastern thought and the comparative study of the individuation process at a critical juncture in his life and work

The Heresy of Jacob Frank Jay Michaelson, 2022 The Heresy of Jacob Frank is the first monograph length study on the religious philosophy of Jacob Frank 1726 1791 who in the wake of false messiah Sabbetai Zevi led the largest mass apostasy in Jewish history Based on close readings of Frank's late teachings recorded in 1784 and 1790 this book challenges scholarly presentations of Frank that depict him as a sex crazed degenerate and presents Frank as an original and prescient figure at the crossroads of tradition and modernity reason and magic Kabbalah and Western Esotericism Frank's worldview combines a skeptical rejection of religious law as ineffectual and repressive with a supernatural esoteric myth of immortal beings material magic and worldly power With close readings of the theological and narrative passages of Frank's teachings Michaelson shows how the Frankist sect evolved from its Sabbatean roots and the infamous 1757 59 disputations before the Catholic Church into a Western Esoteric society based on alchemy secrecy and sexual liberation Sexual ritual apparently tightly limited and controlled by the sect was not a libertine bacchanal but an enactment of the messianic reality a corporealization of what would later become known as spirituality While Frank was undoubtedly a manipulative even abusive

leader whose sect mostly disappeared from history Michaelson suggests that his ideology anticipated themes that would become predominant in the Haskalah Early Hasidism and even contemporary New Age Judaism In an inversion of traditional religious values Frank's antinomian theology held personal flourishing to be a religious virtue affirmed only the material and transferred messianic eros into social sexual and political reality *Indian Asceticism* Carl Olson, 2015-03-03 Using religious philosophical discourses and narratives from epic puranic and hagiographical literature Indian Asceticism focuses on the powers exhibited by ascetics of India from ancient to modern time **Goddess Beyond Boundaries** Tracy Pintchman, 2024-09-20 Tracy Pintchman sheds light on the spiritual creativity and religious life of the Parashakthi Temple in Pontiac Michigan Drawing on fifteen years of field research Pintchman reveals how Karumariamman the goddess honored by the temple embodies the border and boundary crossing dynamics of the lives of many of the congregants who worship at her temple which in turn has become a site of religious innovation **Introducing Hinduism** Hillary P. Rodrigues, 2023-01-06 *Introducing Hinduism* 2nd Edition is the ideal sourcebook for those seeking a comprehensive overview of the Hindu tradition This second edition includes substantial treatments of Tantra South India and women as well as expanded discussions of yoga Vedanta and contemporary configurations of Hinduism in the West Its lively presentation features case studies photographs and scenarios that invite the reader into the lived world of Hinduism introductory summaries key points discussion questions and recommended reading lists at the end of each chapter narrative summaries of the great epics and other renowned Hindu myths and lucid explanations of complex Indian philosophical teachings including Sankhya and Kashmir Saivism and a glossary timeline and pronunciation guide for an enhanced learning experience This volume is an invaluable resource for students in need of an introduction to the key tenets and diverse practice of Hinduism past and present Routledge Handbook of Yoga and Meditation Studies Suzanne Newcombe, Karen O'Brien-Kop, 2020-10-28 The Routledge Handbook of Yoga and Meditation Studies is a comprehensive and interdisciplinary resource which frames and contextualises the rapidly expanding fields that explore yoga and meditative techniques The book analyses yoga and meditation studies in a variety of religious historical and geographical settings The chapters authored by an international set of experts are laid out across five sections Introduction to yoga and meditation studies History of yoga and meditation in South Asia Doctrinal perspectives technique and praxis Global and regional transmissions Disciplinary framings In addition to up to date explorations of the history of yoga and meditation in the Indian subcontinent new contexts include a case study of yoga and meditation in the contemporary Tibetan diaspora and unique summaries of historical developments in Japan and Latin America as well as an introduction to the growing academic study of yoga in Korea Underpinned by critical and theoretical engagement the volume provides an in depth guide to the history of yoga and meditation studies and combines the best of established research with attention to emerging directions for future investigation This handbook will be of interest to multidisciplinary academic audiences from across the humanities social sciences and sciences Chapters 1 4 9 12 and 27 of this book are freely available

as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Hidden Intercourse Wouter J. Hanegraaff, Jeffrey Kripal, 2008-12-31 From rumours about gnostic orgies in antiquity to the explicit erotic symbolism of alchemical texts from the subtly coded eroticism of medieval kabbalah to the sexual magic practiced by contemporary occultists and countercultural translations of Asian Tantra the history of Western esotericism is rich in references to the domains of eros and sexuality This volume which brings together an impressive array of top level specialists is the first to analyze the eroticism of the esoteric without sensationalism or cheap generalizations but on the basis of expert scholarship and attention to textual and historical detail While there are few other domains where the imagination may so easily run wild the various contributions seek to distinguish fact from fiction only to find that historical realities are sometimes even stranger than the fantasies In doing so they reveal the outlines of a largely unknown history spanning more than twenty centuries

The book delves into Tantra Sex Secrecy Politics And Power In The Study Of Religions. Tantra Sex Secrecy Politics And Power In The Study Of Religions is a crucial topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Tantra Sex Secrecy Politics And Power In The Study Of Religions, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Tantra Sex Secrecy Politics And Power In The Study Of Religions
 - Chapter 2: Essential Elements of Tantra Sex Secrecy Politics And Power In The Study Of Religions
 - Chapter 3: Tantra Sex Secrecy Politics And Power In The Study Of Religions in Everyday Life
 - Chapter 4: Tantra Sex Secrecy Politics And Power In The Study Of Religions in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Tantra Sex Secrecy Politics And Power In The Study Of Religions. This chapter will explore what Tantra Sex Secrecy Politics And Power In The Study Of Religions is, why Tantra Sex Secrecy Politics And Power In The Study Of Religions is vital, and how to effectively learn about Tantra Sex Secrecy Politics And Power In The Study Of Religions.
 3. In chapter 2, the author will delve into the foundational concepts of Tantra Sex Secrecy Politics And Power In The Study Of Religions. The second chapter will elucidate the essential principles that must be understood to grasp Tantra Sex Secrecy Politics And Power In The Study Of Religions in its entirety.
 4. In chapter 3, this book will examine the practical applications of Tantra Sex Secrecy Politics And Power In The Study Of Religions in daily life. The third chapter will showcase real-world examples of how Tantra Sex Secrecy Politics And Power In The Study Of Religions can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Tantra Sex Secrecy Politics And Power In The Study Of Religions in specific contexts. The fourth chapter will explore how Tantra Sex Secrecy Politics And Power In The Study Of Religions is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Tantra Sex Secrecy Politics And Power In The Study Of Religions. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Tantra Sex Secrecy Politics And Power In The Study Of Religions.

Tantra Sex Secrecy Politics And Power In The Study Of Religions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tantra Sex Secrecy

Politics And Power In The Study Of Religions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tantra Sex Secrecy Politics And Power In The Study Of Religions has opened up a world of possibilities. Downloading Tantra Sex Secrecy Politics And Power In The Study Of Religions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tantra Sex Secrecy Politics And Power In The Study Of Religions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tantra Sex Secrecy Politics And Power In The Study Of Religions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tantra Sex Secrecy Politics And Power In The Study Of Religions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tantra Sex Secrecy Politics And Power In The Study Of Religions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tantra Sex Secrecy Politics And Power In The Study Of Religions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Tantra Sex Secrecy Politics And Power In The Study Of Religions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
