Tao Of Cannabis And Other Poems:

The Tao of cannabis and other poems David Swartz,1990 **AUTUMN in the Hothouse and Other Poems** David Swartz,2006-04 The metaphysical outrage and indignation contained within these verses for the most part formal yet seething with fury has its only parallel in Wilfred Owen s terrible indictments of the first Great War There is a significant difference however The poet s torment is expressed in the face of God and His Creation and not simply humankind s personal handiwork The lure of Swartz s Hothouse is how dangerously it verges on disintegration and madness The trial simply stated is why a boundless WHY hurled into abyss Only more fearful is the implied silence the calculated indifference of the answer The four long poems comprising Part Two are a lull in the rage of the opening section The poet while certainly not at ease with his Maker s universe attempts even to entertain while having his own private jokes with Bard Himself Part Three includes two representative dramatic poems The first Last Supper depicts the final moments of Christopher Marlowe the second The Hitler Sonata those of Adolf Hitler a disturbing powerful read If Plath confronted demons in her brilliant final anguish the author of THESE skillful wrenching poems assails the very source of them One cannot leave this book behind

Cold Mountain and his sidekick Shih Te the rebel poets who became icons of Chinese poetry and Zen has long captured the imagination of poetry lovers and Zen aficionados Popularized in the West by Beat Generation writers Gary Snyder and Jack Kerouac these legendary Tang era 618-907 figures are portrayed as the laughing ragged pair who left their poetry on stones trees farmhouses and the walls of the monasteries they visited Their poetry expressed in the simplest verse but in a completely new tone the voice of ordinary people Here premier translator J P Seaton takes a fresh look at these captivating poets along with Wang Fan chih another outsider poet who lived a couple centuries later and who captured the poverty and gritty day to day reality of the common people of his time Seaton's comprehensive introduction and notes throughout give a fascinating context to this vibrant collection

God Made Marijuana Santos O. González PhD, 2017-06-09 As the debate rages on over the legality of marijuana use and cultivation what if the final word on the use and cultivation of marijuana was actually found in the Word the Holy Bible And what if God's Word actually said that cannabis was not only morally and ethically acceptable but that it could help you mature spiritually and bring you closer to God God Made Marijuana A Modern Moral Ethical Argument Supporting the Use Cultivation and Legalization of Cannabis shows you why it's okay with God if you smoke cultivate or use marijuana Exploring the role of cannabis in medicine politics history religion and society author Santos O Gonzalez PhD provides scriptural evidence that shows that marijuana is good physically emotionally and spiritually and that individuals are not breaking any biblical moral code that prohibits its use for medicinal recreational or spiritual purposes God Made Marijuana also describes how the prohibition of marijuana and the war on drugs are politically and culturally constructed aberrations of the truth that have no grounding in God's moral authority With justifications that are rooted in the final authority God the Bible and other sacred texts users of cannabis or marijuana can continue without guilt But even more they can move forward with the knowledge that their use can help them expand their consciousness and grow closer to God

Sacred Bliss Mark S. Ferrara, 2016-10-20 One of the most important relationships that human beings have with plants is changing our consciousness consider the plants that give us coffee tea chocolate and nicotine Sacred Bliss challenges traditional attitudes about cannabis by tracing its essential role in the spiritual and curative traditions in Asia the Middle East Africa Europe and the Americas from prehistory to the present day In highlighting the continued use of cannabis around the globe Sacred Bliss offers compelling evidence of cannabis as an entheogen used for thousands of years to evoke peak experiences or moments of expanded perception or spiritual awareness Today the growing utilization of medical cannabis to alleviate the pain and symptoms of physical illness raises the possibility of using cannabis to treat the mind along with the body By engaging sacred and secular texts from around the world Sacred Bliss demonstrates that throughout religious history cannabis has offered access to increased imagination and creativity heightened perspective and insight and deeper levels of thought

part lion woman and eagle has endured erosion for five thousand years She is a symbol of wisdom and mystery and my personal symbol of an invisible toxic plague that continues to seep into Mother Earth In ancient Greece she was a symbol of an enigmatic death demon If no traveler could answer her riddle he or she was strangled Today she represents civilization s pollution time bomb that Mother Earth may soon be unable to defuse In Neolithic times Stone Age the first humans painted with ochre earth and animal blood on cave walls to capture the animal s spirit mana The tribe s survival depended on the hunter s kill Mother Earth was revered She nourished man beast and spirit Through ritual offerings humans created the necessary structure to reduce chaos and allowed them to survive and flourish One Green Thumb and Nine Sticky Fingers is both a serious and humorous guide that highlights some of the ancient sacred rituals and cycles and will inspire both novice and expert gardeners of today Natural cycles are the spine and theme of One Green Thumb This book reminds my readers that to survive modern man must live in balance with plants and animals This book will inspire individuals and families who want to learn how to understand and grow organic vegetables and flowers enjoy the protection and privacy of trees and promote a more balanced lifestyle for themselves and humanity Mother Nature s rhythmic cycles are signposts that guide the reader through mankind s eons of trial and error with her gifts the ability to recognize wild weeds as edible herbs as well as to plant and harvest healthy organic plants The reader learns here to follow the simplest rules of horticulture to maintain humans animals and insects life cycle integrity We can learn to re educate ourselves to respect all creatures right to life without poisoning ourselves with toxic chemicals With inspiration and education today s gardeners will contribute toward a more harmonious and productive future environment for humanity *History of Soymilk and Other Non-Dairy Milks*
