Tao Of Philosophy The Edited Transcripts:

The Tao of Philosophy Alan Watts,1995 Featuring the edited transcripts of eight lectures delivered by Alan Watts from 1960 to 1973 The Tao of Philosophy offers a rich introduction to the wit and wisdom of one of the foremost philosophers of the twentieth century *Taoism* Alan Watts,1999 Alan Watts played a major role in bringing Taoist and Zen philosophy to the West in the 1960s and early 1970s In his later years Watts became increasingly fascinated with the Tao and had been intending before he died to write a classic book on the subject much as he had done in The Way of Zen He did not live to complete this The following chapters are derived from lectures delivered between 1968 and 1973 at weekend seminars They were lively events and drew great crowds Those lectures have helped complete the body of work that Watts had completed before his death

Ontologized Ethics Elvis Imafidon,John Ayotunde Isola Bewaji,2013-11-21 Ontologized Ethics New Essays in African Meta Ethics examines an often neglected meta ethical issue in African philosophical discourse the extent to which one s orientation of being or idea of what is as an individual or as a group of persons does or should determine one s concept of the good To what extent is ethics or our idea of what is permissible or impermissible grounded on ideas of what fundamentally exists or what it means to be The aim of this collection of essays with emphasis on an African philosophical context will be to establish more firmly and vigorously whether there is an intrinsic link between ontology and morality that is whether and if so how the proper norms for human actions can be explained and validated once we make lucid ideas about metaphysical topics such as human nature community relationality and spirituality The essays included in this volume focus rigorously on ethical issues such as communalism adultery environmental ethics and bioethics with the primary aim of showing whether the link between such issues and metaphysical beliefs is trivial or intrinsic

Seeing, Knowing, Being John Greer,2012-02-15 From ancient Taoist sages and Sufi mystics to Christian contemplatives and contemporary Zen masters Seeing Knowing Being explores the profound truth behind all the world s mystic traditions Living a spiritual life has nothing to do with fixing ourselves It is simply a matter of awakening to what we already are The real work of self discovery and the answer to our suffering emptiness and loss of meaning is learning to see in a different way The mystical adventure is all in the seeing says John Greer From departure to arrival nothing changes but our eyes But the process isn t that simple In this all embracing work that is destined to become a classic Greer artfully traces the steps and stages of the delicate process of awakening He shows how we can move from society s hand me down version of reality to the wonder of our true nature from conceptual habitual patterns of thinking to knowing the truth by being Like a master artist who captures an image and stirs something deep inside of us Greer also highlights nearly one hundred evocative metaphors as varied and colorful as the sages themselves to kindle your imagination and spark your intuition to shift your perspective and shake you into an awareness that no amount of explanation can What Greer shows with great wisdom and compassion is that when you put aside the map of the mind you can follow the compass of your heart You can move through the details of life going to work

raising a family throwing out the garbage and still experience the wonders and oneness of life with deep reverence gratitude and joy Books often describe journeys Seeing Knowing Being actually takes you on one A profound expedition into the true nature of life MATTHEW FLICKSTEIN author and producer of the award winning film With One Voice The Truth of Žižek Paul Bowman, Richard Stamp, 2007-05-17 Slavoj i ek is widely regarded as one of the world s most important contemporary thinkers His work has contributed dramatically to the reinvention and revivification of many key theoretical and political debates Indeed his vociferous and challenging body of work amounts to a sustained ground breaking terrain shifting and far reaching intervention into a large number of academic disciplines intellectual fields and cultural debates The Truth of i ek addresses the rigorous critical assessment demanded by this broad and increasingly influential corpus This timely and compelling collection of essays from an international team of leading i ekian scholars addresses the full range of i ek s theoretical interventions assessing critically the political philosophical psychoanalytical cultural and institutional stakes of his work Each chapter engages with and challenges i ek s thought to explicate a key aspect of his work clarifying its importance and challenging its claims through rigorous critique By focusing on i ek s contributions to these disciplines fields and debates this collection sets out to diagnose and assess the emergence of a i ekian moment within contemporary intellectual cultural and political events The Truth of i ek provides the first sustained engagement with and assessment of the significant impact of i ek s work This compelling and valuable collection of essays from cutting edge scholars picks up the gauntlet thrown down by i ek the demand that his readers respond with the coldness and cruelty of true friendship

Deconstructing Popular Culture Paul Bowman, 2017-09-16 Popular culture permeates every aspect of our lives from the music we listen to the films and television shows we watch and the books we read But who decides what counts as popular culture Why is it so important And how do we go about studying it This book provides a comprehensive introduction to popular culture and examines the problems and possibilities of studying this fast changing field Employing a unique approach Bowman uses techniques of deconstruction to unpick analyse and deconstruct contemporary examples of popular culture The book looks at music Hollywood film and the self help movement to question claims behind the importance of popular culture and encourage readers to form their own interpretations of the culture they experience every day With theory interwoven throughout but in a way that is barely noticeable to the reader the book provides covers the important theoretical work in the field whilst directing the reader through ways to avoid common pitfalls in studying theory An innovative user guide and glossary explain essential terms and ideas making difficult concepts relevant accessible and interesting This witty thought provoking book provides a clear novel introduction to popular culture for all students of cultural studies media studies and sociology *The Relevance of Alan Watts in Contemporary Culture* Peter J. Columbus, 2021-03-31 Whilst accounting for the present day popularity and relevance of Alan Watts contributions to psychology religion arts and humanities this interdisciplinary collection grapples with the ongoing criticisms which surround Watts life and work Offering rich

examination of as yet underexplored aspects of Watts influence in 1960s counterculture this volume offers unique application of Watts thinking to contemporary issues and critically engages with controversies surrounding the commodification of Watts ideas his alleged misreading of Biblical texts and his apparent distortion of Asian religions and spirituality Featuring a broad range of international contributors and bringing Watts ideas squarely into the contemporary context the text provides a comprehensive yet nuanced exploration of Watts thinking on psychotherapy Buddhism language music and sexuality This text will benefit researchers doctoral students and academics in the fields of psychotherapy phenomenology and the philosophy of psychology more broadly Those interested in Jungian psychotherapy spirituality and the self and social identity will also enjoy this volume
