

Differences between L1 and L2 writing

It was initially believed that the composing process in both L1 and L2 was similar. However, recent research suggests that L2 writers:

- are less fluent
- less effective in stating goals

Pedagogical implications:

- It's important to determine appropriate approaches to writing instruction for L2 writers in different contexts.
- Writing teachers need to be equipped to deal effectively with the sociocultural and linguistic differences of L2 ss.
- The assessment of L2 writing should take into account the fundamental differences between L1 and L2 writing.
