Taste Of Battle Front Line Action 1914 1991:

The Taste Of Battle Bryan Perrett, 2012-10-11 As close as you can get to the reality of war Three generations of front line soldiers recount their experiences Few people today experience a live war situation even professional soldiers can serve their career without going to war Yet the question is often asked what is it like How do combatants cope with the danger How does a battle look to the ordinary soldier In a unique mix of dialogue reportage and objective historical analysis fiction Bryan Perrett brings the reality of war to the reader in a direct no holds barred exciting narrative The fictional soldiers in this book based on recorded accounts are at the very heart of the action From Mons in 1918 through the First and Second World Wars to Malaya in 1956 Vietnam in 1968 and Kuwait in 1991 **Animosity, the Bible, and Us** Society of Biblical Literature. International Meeting, European Association of Biblical Studies, 2009 **A Bibliography of Military and Political Aspects of the Malayan Emergency, the Confrontation with Indonesia, and the Brunei Revolt** Justin J. Corfield, 2003 The Malayan Emergency the confrontation with Indonesia and the Brunei Revolt are fundamental to an understanding of Southeast Asia during the 20th century This bibliography brings together 4575 sources which should provide useful information for scholars researching these developments and Southeast Asian history in general Sources include books theses newspaper and magazine articles and unpublished manuscripts **American Book Publishing Record**, 2001

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *Carlos Lacerda, Brazilian Crusader: The years 1914-1960* John W. F. Dulles, 1991-01-01 Journalist and spectacularly successful governor Carlos Lacerda was Brazil's foremost orator in this century and its most controversial politician He might have become president in the 1960s had not the military taken over In the first volume John F W Dulles paints a portrait of a rebellious youth who had the willfulness of his prominent father and who crusaded for Communism before becoming its most outspoken foe Recalling Lacerda's rallying cry Brazil must be shaken up Dulles traces the career of the journalist whose unsparing attacks on the men in power led authorities to imprison him and employ thugs who pummeled him physically Lacerda's spirited oratory helped him become Brazil's most popular congressman but it scared the rulers of Brazil who prohibited the broadcast of his speeches after he returned from exile in 1956 Their effort to deprive him of his mandate stirred the entire nation and culminated in one of the most dramatic sessions ever held in the Chamber of Deputies **The Czecho-Slovak Struggle for Independence,**

1914-1920 Brent Muegggenberg, 2014-09-06 The calamity of World War I spawned dozens of liberation movements among ethnic and religious groups throughout the world None was more successful in realizing the goal of self determination than the Czechs and Slovaks From its humble beginning the Czecho Slovak liberation movement grew into an impressive struggle that was waged from the capitals of Western Europe to the frozen steppes of Siberia Its ranks included exiled propagandists war prisoners turned legionaries and conspirators inside Austria Hungary This book shows how these groups overcame their estrangements and coordinated their efforts to win independence for their homeland It also examines the consequences of

the Czecho Slovaks achievements including their entanglement in the Russian Civil War and their impact on the postwar settlements that redrew the political boundaries of Central Europe Reading and Rebellion in Catholic Germany, 1770-1914 Jeffrey T. Zalar, 2018-11-29 Popular conceptions of Catholic censorship symbolized above all by the Index of Forbidden Books figure prominently in secular definitions of freedom To be intellectually free is to enjoy access to knowledge unimpeded by any religious authority But how would the history of freedom change if these conceptions were false In this panoramic study of Catholic book culture in Germany from 1770 1914 Jeffrey T Zalar exposes the myth of faith based intellectual repression Catholic readers disobeyed the book rules of their church in a vast apostasy that raised personal desire and conscience over communal responsibility and doctrine This disobedience sparked a dramatic contest between lay readers and their priests over proper book behavior that played out in homes schools libraries parish meeting halls even church confessionals The clergy lost this contest in a fundamental reordering of cultural power that helped usher in contemporary Catholicism Flying Magazine ,1977-09 **Bradstreet's** ,1914 Bradstreet's Weekly ,1914 **New Zealand International Review** ,1991 Semper Fidelis Allan Reed Millett,1991 Traces the history of the Marine Corps from the American Revolution to the present and reveals how the force has adapted to changing times LIFE ,1941-03-24 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **LIFE** ,1941-01-06 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use The Athenaeum ,1914

Historical Abstracts ,1994 Vols 17 18 cover 1775 1914 Piero Di Cosimo Dennis Geronimus,2006-01-01 Inverting rules with obvious relish Florentine artist Piero di Cosimo 1462 1522 is known today as he was in his own time for his highly personal visual language one capable of generating images of the most mesmerizing oddity In this book Dennis Geronimus overcomes the scarcity of information about the artist s life and works only one of the nearly sixty known works by Piero is actually signed and dated and pieces together from extensive archival research the most complete and accurate account of Piero s life and career ever written Unfettered imagination was the sign under which Piero exercised his pictorial invention and yet the complicated artist was also a product of his culture The book fills gaps in the artist s biography and provides intensive analysis of Piero s protean imagery discusses his various patrons and commissions and lists his extant lost and uncertainly attributed works The Greek Filmography, 1914 Through 1996 Dimitris Koliodimos,1999 Contains 2 300 plus entries comprehensively covering the output of the Greek film industry Each entry presents the film s title in both Roman and Greek alphabets as well as a translation of the title into English and other titles used for foreign release where applicable

statistics such as production year and running time names of production company production personnel and main cast members and a plot synopsis Some entries also include quotations from outstanding reviews and listings of awards received Appendices list recipients of the main Greek film awards Annotation copyrighted by Book News Inc Portland OR *The Publishers' Circular and Booksellers' Record* ,1914
