Kauffman, 1986-01-01 *Solving Thorny Behavior Problems* Caltha Crowe, 2009 Arguing excluding classmates forgetting to do homework balking at sharing These common problems can disrupt learning frustrate children and exhaust teachers This book gives you five strategies for working with children to solve these sorts of problems problem solving conferences conflict resolution role playing class meetings and individual written agreements With warmth wit and deep insight into classroom life veteran teacher Caltha Crowe guides teachers in making the most of each strategy She includes detailed steps true stories from classrooms actual conversations with students and answers to real teachers questions Interactive planning pages will help you adapt the strategies for your own students

Teaching Students with Learning and Behavior Problems Donald D. Hammill, Nettie R. Bartel, 2004 *Simple Strategies for Teaching Children at Risk, K-5* Melissa Stormont, Cathy Newman Thomas, 2013-12-03 Easy to implement strategies teachers can use right now While opinions differ on how to define students who are at risk most teachers agree that they are seeing more children hit roadblocks due to limited academic experiences challenging environments ADHD or behavioral problems Teachers often feel underprepared to connect with these students and improve their learning experiences In their latest work Melissa Stormont and Cathy Newman Thomas draw upon their field experiences within special education and psychology to offer K 5 teachers practical tools for building relationships with these children Readers will discover simple strategies for developing students academic aptitude and social behavior as well as how to Identify who is at risk for failure and why Build positive teacher student relationships and establish supportive groups among children Use data based decision making Provide students with increased time to practice with feedback Incorporate technology supports Know when and how to involve professionals and families Moving well beyond mere theory teachers who are working amid reforms and sweeping cuts can implement these strategies immediately and make a real difference in children s lives Get started today This is a great book with which to

start because it covers the basics the foundation that needs to be in place before the academics can take hold for a student at risk The ideas are easy to follow and could be implemented with little or in some cases no additional prep that s a bonus for an already busy teacher Barbara L Townsend Reading Specialist West Side Elementary School Elkhorn WI
