Teaching the Educable Mentally Retarded

PRACTICAL METHODS

This new Third Edition has been enlarged in scope to cover problems and methods of teaching the retarded from the pre-readiness stage through the high school work study on-the-job program and the vocational workshop program. The material is presented in an informal, non-technical manner for easy reading and understanding. Information, suggestions, examples, and procedures detailed in the text have been used in actual classroom and workshop situations and have been found helpful for both teacher and pupils in developing incentives, and promoting personal dignity and success.
