The Use of Scripture in the

Apocryphon of John David Creech, 2017-08-01 David Creech explores at length the Apocryphon of John's ambivalent treatment of the Jewish and Christian scriptures Although Moses is explicitly corrected at five points in the text Genesis account of creation is nonetheless the basis for the Apocryphon's cosmogony and anthropogony Its uneven treatment of the biblical text is the result of a dispute between the authors of the Apocryphon and other early Catholics At the earliest stage of the text the Christians who wrote and read the Apocryphon worshiped alongside other early catholic Christians without any sense of contradiction or inconsistency The key shift in the Apocryphon occurred after Irenaeus of Lyons assault on Knowledge Falsely So Called In response to his concerted effort to bring the church under the authority of early catholic bishops the framers inserted corrections to Moses The corrections are primarily rhetorical and used to refute early catholic identity markers

The Wolves Are Waiting Natasha Friend,2022-03-22 From award winning author Natasha Friend comes a compelling investigation of sexual harassment and the toxic and complicit structures of a small college town Before the night of the Frat Fair 15 year old Nora Melchionda s life could have been a Gen Z John Hughes movie She had a kind of boyfriend a spot on the field hockey team good grades and a circle of close friends Of course there were bumps in the road she and her lifelong BFF Cam were growing apart and her mother was trying to clone her into wearing sensible khakis instead of showy short skirts But none of that mattered because Nora always had her dad Rhett Melchionda

on her side Rhett was not only Nora's hero but as the Athletic Director of Faber College he was idolized by everyone she knew. Now Nora would give anything to go back to that life. The life before whatever happened on the golf course. She doesn't want to talk about it not that she could because she doesn't remember anything and insists that whatever happened was nothing. Cam though tries to convince Nora to look for evidence and report the incident to the police. And then there's Adam Xu who found Nora on the golf course and saw her at her most vulnerable. She ignores it all hoping it will all go away. But when your silence might hurt other people hiding is no longer an option. *The Wolves Are Waiting* begins in the aftermath of an attempted assault but reaches farther than a story about one single night or one single incident. What Nora and her friends will uncover is a story that spans generations. But it doesn't have to anymore.

Men's Reproductive and Sexual Health Throughout the Lifespan Douglas T. Carrell, Alexander W. Pastuszak, James M. Hotaling, 2023-11-16 Approximately one in twenty men have sperm counts low enough to impair fertility but little progress has been made in answering fundamental questions in andrology or in developing new diagnostic tools or management strategies in infertile men. Many of these problems increase with age leading to a growing population of men seeking help. To address this there is a strong movement towards integrating male reproductive and sexual healthcare involving clinicians such as andrologists, urologists, endocrinologists and counselors. This book will emphasize this integrated approach to male reproductive and sexual health throughout the lifespan. Practical advice on how to perform both clinical and laboratory evaluations of infertile men is given as well as a variety of methods for medically and surgically managing common issues. This text ties together the three major pillars of clinical andrology: clinical care, the andrology laboratory and translational research.

Dreams, Visions, and Spiritual Authority in Merovingian Gaul Isabel Moreira, 2002-02-15 In early medieval Europe dreams and visions were believed to reveal divine information about Christian life and the hereafter No consensus existed however as to whether all Christians or only a spiritual elite were entitled to have a relationship of this sort with the supernatural Drawing on a rich variety of sources histories hagiographies ascetic literature and records of dreams at saints shrines Isabel Moreira provides insight into a society struggling to understand and negotiate its religious visions Moreira analyzes changing attitudes toward dreams and visionary experiences beginning in late antiquity when the church hierarchy considered lay dreamers a threat to its claims of spiritual authority Moreira describes how over the course of the Merovingian period the clergy came to accept the visions of ordinary folk peasants women and children as authentic Dream literature and accounts of visionary experiences infiltrated all aspects of medieval culture by the eighth century and the dreams of ordinary Christians became central to the clergy's pastoral concerns Written in clear and inviting prose this book enables readers to understand how the clerics of Merovingian Gaul allowed a Christian culture of dreaming to develop and flourish without compromising the religious orthodoxy of the community or the primacy of their own authority
