The Adventurer The Fate Of Adventure In The Western World:

The Adventurer Paul Zweig, 1981 The Description for this book *The Adventurer The Fate of Adventure in the Western World* will be forthcoming **Adventurer** Paul Zweig, 1981 **Romancing the Wild** Robert Fletcher, 2014-02-24 The worldwide development of ecotourism including adventures such as mountain climbing and whitewater rafting as well as more pedestrian pursuits such as birdwatching has been extensively studied but until now little attention has been paid to why vacationers choose to take part in what are often physically and emotionally strenuous endeavors Drawing on ethnographic research and his own experiences working as an ecotour guide throughout the United States and Latin America Robert Fletcher argues that participation in rigorous outdoor activities resonates with the particular cultural values of the white upper middle class Westerners who are the majority of ecotourists Navigating 13 000 foot mountain peaks or treacherous river rapids demands deferral of gratification perseverance through suffering and a willingness to assume risks in pursuit of continuous progress In this way characteristics originally cultivated for professional success have been transferred to the leisure realm at a moment when traditional avenues for achievement in the public sphere seem largely exhausted At the same time ecotourism provides a temporary escape from the ostensible ills of modern society by offering a transcendent wilderness experience that contrasts with the indoor sedentary mental labor characteristically performed by white collar workers **Men, Masculinities, Travel and Tourism** T. Thurnell-Read, M. Casey, 2014-10-22 *Men Masculinities Travel and Tourism* draws together established and emerging academics that have a key interest in men masculinity travel and tourism Through the chapters collected in this volume the reader will be exposed to cutting edge research and writing that offer global and local perspectives within these fields **Espionage in British Fiction and Film since 1900** Oliver Buckton, 2015-10-08 *Espionage in British Fiction and Film Since 1900* traces the history and development of the British spy novel from its emergence in the early twentieth century through its growth as a popular genre during the Cold War to its resurgence in the early twenty first century Using an innovative structure the chapters focus on specific categories of fictional spying such as the accidental spy or the professional and identify each type with a vital period in the evolution of the spy novel and film A central section of the book considers how with the creation of James Bond by Ian Fleming in the 1950s the professional spy was launched on a new career of global popularity enhanced by the Bond film franchise In the realm of fiction a glance at the fiction bestseller list will reveal the continuing appeal of novelists such as John le Carr Frederick Forsyth Charles Cumming Stella Rimington Daniel Silva Alec Berenson Christopher Reich to name but a few and illustrates the continued fascination with the spy novel into the twenty first century decades after the end of the Cold War There is also a burgeoning critical interest in spy fiction with a number of new studies appearing in recent years A genre that many believed would falter and disappear after the fall of the Berlin Wall and the collapse of the Soviet empire has shown if anything increased signs of vitality While exploring the origins of the British spy tracing it through cultural and

historical events Espionage in British Fiction and Film Since 1900 also keeps in focus the essential role of the changing enemy the chief adversary of and threat to Britain and its allies in the evolution of spy fiction and cinema The book concludes by analyzing examples of the enduring vitality of the British spy novel and film in the decades since the end of the Cold War

Departures Paul Zweig,2011-03-15 Departures is Paul Zweig s celebration of life and love Zweig thought of himself as a sojourner a contemporary Wandering Jew a man with a loose wire in his genes He led a number of distinct lives as a Jewish child in Brooklyn and on a farm in the Catskills as a literature student at Columbia as a young exile who spent a decade in Paris transforming himself into a French intellectual absorbing the language sex culture and leftist politics and as an American man of letters who produced a steady stream of poems essays and wide ranging works of literary scholarship and criticism In 1978 at the age of forty three he abruptly entered a new life the life of the dying which he inhabited for the next six years His writing was guided by a steely determination to hold the more pressing and distorting sentiments self pity regret anger fear at bay for the sake of his lucidity which became his way through the world of cancer This memoir stands as a testament to the passion and spirit with which Zweig lived and to the dignity that he brought to his final years The Home Place Dennis Cooley,2016-07-05 He wants to sit and visit at the kitchen table and he can hardly wait to get on the road again From Chapter 1 Robert Kroetsch one of Canada s most important writers was a fierce regionalist with a porous yet resilient sense of home Although his criticism and fiction have received extensive attention his poetry remains underexplored This exuberantly polyvocal text insightfully written by dennis cooley who knew Kroetsch and worked with him for decades seeks to correct that imbalance The Home Place offers a dazzling playful and intellectually complex conversation drawing together personal recollections Kroetsch s archival materials and the international body of Kroetsch scholarship For literary scholars and anyone who appreciates Canadian literature The Home Place will represent the standard critical evaluation of Kroetsch s poetry for years to come Penelope Voyages Karen R. Lawrence,2018-08-06 Looking at travel writing by British women from the seventeenth century on Karen R Lawrence asks an intriguing question What happens when instead of waiting patiently for Odysseus Penelope voyages and records her journey when the woman who is expected to waitsets forth herself and traces an itinerary of her own Lawrence ranges widely discussing both fiction and nonfiction and traversing the genres of travel letters realistic and sentimental novels ethnography fantasy and postmodern narrative In examining works as dissimilar as Margaret Cavendish s rendition of the Renaissance adventure narrative and Christine Brooke Rose s postmodernist Between she explores not only the significance of gender for travel writing but also the value of travel itself for testing the limits of women s social freedoms and restraints Lawrence shows how writings by Frances Burney Mary Wollstonecraft Sarah Lee Mary Kingsley Virginia Woolf and Brigid Brophy reconceive the meanings of femininity in relation to such apparent oppositions as travel home other self and foreign domestic Despite the differences historical generic political among these writers Lawrence maintains they share common insights Their accounts overturn the dichotomy

between adventure and domesticity demonstrating something illusory within both the stability of home and the freedom of travel **Migration and Modernities** JoEllen DeLucia, 2018-11-27 This collection initiates transnational transcultural and interdisciplinary conversations about migration in the 18th and 19th centuries **L.M. Montgomery and Gender** E. Holly Pike, Laura M. Robinson, 2021-11-15 The celebrated author of *Anne of Green Gables* and *Emily of New Moon* receives much deserved additional consideration in *L M Montgomery and Gender* Nineteen contributors take a variety of critical and theoretical positions from historical analyses of the White Feather campaign and discussions of adoption to medical discourses of death and disease explorations of Montgomery's use of humour and the author's rewriting of masculinist traditions The essays span Montgomery's writing exploring her famous *Anne* and *Emily* books as well as her short fiction her comic journal composed with her friend Nora Lefurgey and less studied novels such as *Magic for Marigold* and *The Blue Castle* Dividing the chapters into five sections on masculinities and femininities domestic space humour intertexts and being in time *L M Montgomery and Gender* addresses the degree to which Montgomery's work engages and exposes reflects and challenges the gender roles around her underscoring how her writing has shaped future representations of gender Of interest to historians feminists gender scholars scholars of literature and Montgomery enthusiasts this wide ranging collection builds on the depth of current scholarship in its approach to the complexity of gender in the works of one of Canada's best loved authors **Travel Writing and Empire** Steven H. Clark, 1999 Travel writing has become central to postcolonial studies This book provides an introduction to the genre particularly to its dynamics of power and representation and the degree to which it has promoted ideologies of empire The book combines detailed evaluations of major contemporary models of analysis new historicism travelling theory and post colonial studies with a series of specific studies detailing the complicity of the genre with a history of violent incursion from Columbus reports from the New World through to the nomadism of postmodern travelogue Among its particular areas of concern are Othering discourses of cannibalism and infanticide the production of colonial knowledge geographic medicinal zoological the role of sexual anxiety in the construction of the gendered travelling body the interplay between imperial and domestic spheres reappropriation of alien discourse by indigenous cultures Post colonial studies has concentrated on travellers as conduits of erasure and appropriation This book resists the temptation to think in terms of a simple monolithic Eurocentrism and offers a more complex reading of texts produced before during and after periods of imperial ascendancy In doing so it provides a more nuanced account of the hegemonic functions of travel writing As such it is necessary reading for students and academics of cultural studies literary theory anthropology and history **The Oliver Stone Encyclopedia** James M. Welsh, Donald M. Whaley, 2013 Oliver Stone has written and directed many memorable films while also developing a reputation for tackling controversial subjects such as the Turkish prison system *Midnight Express* the Vietnam war *Platoon* and *Born on the Fourth of July* insider trading *Wall Street* presidential assassination *JFK* and a voyeuristic media *Natural Born Killers* Along the way

Stone has been nominated for more than 10 Academy Awards and three times received Oscars for his work In The Oliver Stone Encyclopedia James M Welsh and Donald M Whaley provide an overarching evaluation of Stone s work as screenwriter producer and director While the entries in this volume address all of the usual aspects of Stone s career they also explore new avenues of critical evaluation especially influences such as Friedrich Nietzsche and Buddhism which Stone converted to in the 1990s In addition this volume traces Stone s obsession with Latin American politics evident in his film Salvador 1986 his screenplay for Alan Parker s Evita 1996 and the documentaries Commandante 2003 Looking for Fidel 2004 and South of the Border 2010 Each entry is followed by a bibliography of published sources both in print and online A comprehensive and engaging examination of the director The Oliver Stone Encyclopedia will appeal to scholars and fans alike as the most comprehensive reference on this director s body of work

The Critical History of Edgar Allan Poe's The Narrative of Arthur Gordon Pym Ronald C. Harvey, 2015-12-22 The Critical History of Edgar Allan Poe s The Narrative of Arthur Gordon Pym A Dialogue with Unreason traces the complex scattered criticism of Poe s most anomalous work as it has steadily grown in prominence to a central position in the study of Poe and American literature The winding route the criticism of Pym has charted as convoluted as the narrative itself has been a history of disagreement at almost every level at which critics and scholars read texts including the nature and genre of the work the seriousness or levity of the author s intent and its stature as a work of genius hackwork or something in between The unique set of thematic and narrative problems the work poses has eluded every hermeneutic structure brought against it so far consistently undermining the very reading strategies it seems to invite The only comprehensive critical history and bibliography of Pym this study fills a large hole Poe scholars have long felt as it analyzes the ways in which critics and critical camps have attempted to confront rationalize contain or evade its novel and disturbing features In the process the criticism is correlated with the popular reception and the international response Because literary history has entangled no author with his work more than Poe ultimately this book is as much a study of Poe as of Pym At every point therefore this study embeds the critical response to Pym in the history of Poe studies in general as well as in the larger context of American literary theory and history Includes bibliography and index

Laborers Patricia A. Adler, Peter Adler, 2018-08-06 Resorts have become important to American society and its economy one in eight Americans is now employed by the tourism industry Yet despite the ubiquity of hotels little has been written about those who labor there Drawing on eight years of participant observation and in depth interviews the renowned ethnographers Patricia A Adler and Peter Adler reveal the occupational culture and lifestyles of workers at five luxury Hawaiian resorts These resorts employ a workforce that is diverse in gender class ethnicity and nationality Hawaiian resort workers like those in nearly all resorts consist of four groups New immigrants hold difficult and dirty low status jobs for little pay Locals provide an authentic Polynesian flavor for guests a ready pool of youthful high turnover employees and a population trapped in a place that offers few occupational alternatives Managers tend to be middle class college educated young and middle aged men from the mainland whose lifestyles are occupationally transient Seekers mostly young white and from the mainland as well escape to paradise seeking adventure warmth extreme sports or some alternate life experiences The Adlers describe the work lives and careers of these four groups that labor in organizations that never close with shifts scheduled around the clock and around the year Paradise Laborers adds to the growing interest in the global flow of labor as these immigrant workers display different trends in gendered opportunities and mobility than those exhibited by other groups The authors propose a political economy of tourist labor in which they compare the different expectations and rewards of organizations employees and local labor markets

Voices of the Other Roderick McGillis, 2000 This book offers a variety of approaches to children's literature from a postcolonial perspective that includes discussions of cultural appropriation race theory pedagogy as a colonialist activity and multiculturalism The eighteen essays divide into three sections Theory Colonialism and Postcolonialism The first section sets the theoretical framework for postcolonial studies essays here deal with issues of otherness and cultural difference as well as the colonialist implications of pedagogic practice These essays confront our relationships with the child and childhood as sites for the exertion of our authority and control The second section presents discussions of the colonialist mindset in children's and young adult texts from the turn of the century Here works by writers of animal stories in Canada the U S and Britain works of early Australian colonialist literature and Frances Hodgson Burnett's *A Little Princess* come under the scrutiny of our postmodern reading practices Section Three deals directly with contemporary texts for children that manifest both a postcolonial and a neo colonial content and includes studies of children's literature from Canada Australia Africa the Caribbean and the United States

After the North Pole Erling Kagge, 2025-02-11 The Norwegian explorer philosopher and acclaimed writer tells of his historic 58 day journey to the North Pole on skis in this provocative memoir that is a profound meditation on nature and the history of explorers obsession The North Pole looms large in our collective psyche the ultimate Otherland in a world mapped and traversed It is the center of our planet's rotation one of the places that is most vulnerable in an epoch of global climate change Its sub zero temperatures and strange year of one sunset and one sunrise make it an eerie utterly

disorienting place that challenges human endurance and understanding Erling Kagge and his friend Børge Ousland became the first people to ever reach the pole without dogs without depots and without motorized aids skiing for 58 days from a drop off point on the ice edge of Canada's northernmost island Erling describes his record making journey probing the physical challenges and psychological motivations for embarking on such an epic expedition the history of the territory's exploration its place in legend and art and the thrilling adventures he experienced during the trek It is another example of what bestselling author Robert MacFarlane has called Kagge's extraordinary life in wild places Erling also observes the key role that this place holds in our current climate and geopolitical conversations As majestic mesmerizing and monumental as the terrain it captures After the North Pole is for anyone who has gazed out at the horizon and wondered what happens if you keep going After the North Pole is illustrated with 12-14 photographs Translated from the Norwegian by Kari Dickson

Touched by the Graces Buford Norman, 2001 After situating the libretti in the context of French classicism the author first discusses the prologues to the Quinault Lully operas then devotes a chapter to each of the libretti in which he examines such traditional literary elements as performance history plot characterization and style as well as issues more specifically related to musical theater The concluding chapter summarizes what opera can tell us about French classicism and explores in depth some of the key theoretical issues such as representation imitation and recognition **Imaginative Horizons**

Vincent Crapanzano, 2010-08-15 How do people make sense of their experiences How do they understand possibility How do they limit possibility These questions are central to all the human sciences Here Vincent Crapanzano offers a powerfully creative new way to think about human experience the notion of imaginative horizons For Crapanzano imaginative horizons are the blurry boundaries that separate the here and now from what lies beyond in time and space These horizons he argues deeply influence both how we experience our lives and how we interpret those experiences and here sets himself the task of exploring the roles that creativity and imagination play in our experience of the world
