The Publishers' Trade List Annual ,1898 Papers and Proceedings American Library Association. Annual Conference,1909 *Opal's Journey* Lionel Gambill,2014-06-06 Refusing to give up their ancestral land and be driven into the newly established reservation several Nez Perce bands led by Chief Joseph White Bird and Looking Glass embarked on a fighting retreat covering four states Washington Idaho Wyoming and Montana with an attempt to reach safety in Canada Along the way the native warriors outwitted the U S Cavalry again and again but eventually surrendered some 40 miles from the Canadian border where Chief Joseph made his famous I will fight no more forever speech About 750 men women children and elderly set out on the march over 100 died in battles and extreme hardship Based on historical facts mostly the story was told through the eyes of a fictitious nine year old white girl Opal who befriends the Nez Perce and goes through the war with them The oppression of the Native Americans was one of the darkest pages in the U S history yet the spirit of these proud people could never be destroyed even in the face of death and exile and material impoverishment Also the spirit of reconciliation prevailed as the peacemaker Chief Joseph eloquently summed up Whenever the white man treats the Indians as they treat each other then we shall have no more wars We shall be all alike brothers of one father and one mother with one sky above us and one country around us and one government for us all Then the Great Spirit Chief who rules above will smile upon this land and send rain to wash out the bloody spots made by brothers hands upon the face of the earth For this time Indian race is waiting and praying I hope that no more groans of wounded men and women will ever go to the ear of the Great Spirit Chief above and that all people may be one people **Bulletin of the American Library Association**

The Adventure Club had its inception one evening toward the last of June in Number 17 Sumner Hall which is the oldest most vine hidden and most hallowed of the seven dormitories of Dexter Academy It was a particularly warm evening the two windows were wide open and the green shaded light on the study table in the centre of the room had been turned low Sumner prided itself on being conservative to the extent of gas instead of electricity and tin bathtubs instead of porcelain and in the dim radiance the three occupants of the room were scarcely more than darker blurs Since final examinations had ended that afternoon and Graduation Day was only some twenty eight hours away none of the three was doing anything more onerous than yawning and the yawn which came from Perry Bush didn't sound as though it cost much of an effort It was rather a comfortable sleepy yawn one that expressed contentment and relief a sort of Glad that's over and I'm still alive yawn

Forthcoming Books Rose Arny,1998-04 *Missionaries of Republicanism* John C. Pinheiro,2014 The term Manifest Destiny has traditionally been linked to U S westward expansion in the nineteenth century the desire to spread republican government and racist theories like Anglo Saxonism Yet few people realize the degree to which Manifest Destiny and American republicanism relied on a deeply anti Catholic civil religious discourse John C Pinheiro traces the rise to prominence of this discourse beginning in the 1820s and culminating in the Mexican American War of 1846 1848 Pinheiro begins with social reformer and Protestant evangelist Lyman Beecher who was largely responsible for synthesizing seemingly unrelated strands of religious patriotic expansionist and political sentiment into one universally understood argument about the future of the United States When the overwhelmingly Protestant United States went to war with Catholic Mexico this Beecherite Synthesis provided Americans with the most important means of defining their own identity understanding Mexicans and interpreting the larger meaning of the war Anti Catholic rhetoric constituted an integral piece of nearly every major argument for or against the war and was so universally accepted that recruiters politicians diplomats journalists soldiers evangelical activists abolitionists and pacifists used it It was also Pinheiro shows the primary tool used by American soldiers to interpret Mexico's culture All this activity in turn reshaped the anti Catholic movement Preachers could now use caricatures of Mexicans to illustrate Roman Catholic depravity and nativists could point to Mexico as a warning about what America would be like if dominated by Catholics *Missionaries of Republicanism* provides a critical new perspective on Manifest Destiny American republicanism anti Catholicism and Mexican American relations in the nineteenth century
