Peace with the 60s David Burner,2021-07-13 David Burner s panoramic history of the 1960s conveys the ferocity of debate and the testing of visionary hopes that still require us to make sense of the decade He begins with the civil rights and black power movements and then turns to nuanced descriptions of Kennedy and the Cold War the counterculture and its antecedents in the Beat Generation the student rebellion the poverty wars and the liberals war in Vietnam As he considers each topic Burner advances a provocative argument about how liberalism self destructed in the 1960s In his view the civil rights movement took a wrong turn as it gradually came to emphasize the identity politics of race and ethnicity at the expense of the vastly more important politics of class and distribution of wealth The expansion of the Vietnam War did force radicals to confront the most terrible mistake of American liberalism but that they also turned against the social goals of the New Deal was destructive to all concerned Liberals seemed to rule in politics and in the media Burner points out yet they failed to make adequate use of their power to advance the purposes that both liberalism and the left endorsed And forces for social amelioration splintered into pairs of enemies such as integrationists and black separatists the social left and mainline liberalism and advocates of peace and supporters of a totalitarian Hanoi Making Peace with the 60s will fascinate baby boomers and their elders who either joined denounced or tried to ignore the counterculture It will also inform a broad audience of younger people about the famous political and literary figures of the time the salient moments and above all the powerful ideas that spawned events from the civil rights era to the Vietnam War Finally it will help to explain why Americans failed to make full use of the energies unleashed by one of the most remarkable decades of our history *Earthly Bodies, Magical Selves* Sarah M. Pike,2001-01-24 Recent decades have seen a revival of paganism and every summer people gather across the United States to celebrate this increasingly popular religion Sarah Pike s engrossing ethnography is the outcome

of five years attending neo pagan festivals interviewing participants and sometimes taking part in their ceremonies Earthly Bodies Magical Selves incorporates her personal experience and insightful scholarly work concerning ritual sacred space self identity and narrative The result is a compelling portrait of this frequently misunderstood religious movement Neo paganism began emerging as a new religious movement in the late 1960s In addition to bringing together followers for self exploration and participation in group rituals festivals might offer workshops on subjects such as astrology tarot mythology herbal lore and African drumming But while they provide a sense of community for followers Neo Pagan festivals often provoke criticism from a variety of sources among them conservative Christians Native Americans New Age spokespersons and media representatives covering stories of rumored Satanism or witchcraft Earthly Bodies Magical Selves explores larger issues in the United States regarding the postmodern self utopian communities cultural improvisation and contemporary spirituality Pike s accessible writing style and her nonsensationalistic approach do much to demystify neo paganism and its followers

LIFE ,1970-12-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use LIFE ,1971-02-12 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *The New Age in the Modern West* Nicholas Campion,2015-11-19 New Age culture is generally regarded as a modern manifestation of Western millenarianism a concept built around the expectation of an imminent historical crisis followed by the inauguration of a golden age which occupies a key place in the history of Western ideas The New Age in the Modern West argues that New Age culture is part of a family of ideas including utopianism which construct alternative futures and drive revolutionary change Nicholas Campion traces New Age ideas back to ancient cosmology and questions the concepts of the Enlightenment and the theory of progress He considers the contributions of the key figures of the 18th century the legacy of the astronomer Isaac Newton and the Swedish visionary Emanuel Swedenborg as well as the theosophist H P Blavatsky the psychologist C G Jung and the writer and artist Jose Arguelles He also pays particular attention to the beat writers of the 1950s the counterculture of the 1960s concepts of the Aquarian Age and prophecies of the end of the Maya Calendar in 2012 Lastly he examines neoconservatism as both a reaction against the 1960s and as a utopian phenomenon The New Age in the Modern West is an important book for anyone interested in countercultural and revolutionary ideas in the modern West *The Consciousness Reformation* Robert Wuthnow,2023-11-15 The late 1960s and early 1970s marked an era of profound social experimentation and cultural transformation This period saw an explosion of countercultural movements ranging from communes and alternative family structures to radical political organizations like SDS Students for a Democratic Society and

SLA Symbionese Liberation Army Alongside these visible upheavals subtler shifts occurred in societal attitudes toward sexuality race religion and politics reflecting a broader reimagining of fundamental social norms These changes collectively signify a pivotal moment in American history with enduring implications for understanding social conflict and transformation This book seeks to explain the underlying forces driving these shifts by focusing on what we term the new consciousness a cultural evolution that legitimized and encouraged social experimentation Departing from traditional analyses that attribute unrest to economic or institutional strains this study explores symbolic cultural constructions and their role in reshaping societal values By emphasizing how individuals interpret their circumstances rather than solely examining objective conditions we align with theoretical traditions like those of Weber and symbolic interactionism Our inquiry examines four dominant meaning systems in American culture Theism Individualism Social Determinism and Mysticism and their varying relationships with social experimentation aiming to uncover how these symbolic frameworks influence attitudes behaviors and societal change This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1976 *Nature, Technology, and Society* Victor Ferkiss, 1994-11 Traces cultural attitudes toward the environment and technology across the span of human civilization While all human societies have enlisted technologies to control nature the last hundred years have witnessed the technological exploitation and destruction of natural resources on an unprecedented scale As environmental groups and the scientific community sound the alarm about deforestation global warming and ozone depletion the obvious question arises how did we get where we are today In *Nature Technology and Society* Victor Ferkiss sets out to answer this central question arguing that we cannot escape from our present environmental predicament unless we understand the ideas which have created it Ferkiss asks the basic questions concerning humans and their relationship to the environment He traces cultural attitudes towards the environment from early mankind to the present day This fascinating book is distinctive both in its comprehensiveness and in its attempt to place side by side influential thinkers and movements with varied views on these issues **Rationing Justice** Kris Shepard, 2009-04-01 Established in 1964 the federal Legal Services Program later Corporation served a vast group of Americans desperately in need of legal counsel the poor In *Rationing Justice* Kris Shepard looks at this pioneering program s effect on the Deep South as the poor made tangible gains in cases involving federal state and local social programs low income housing consumer rights domestic relations and civil rights While poverty lawyers Shepard reveals did not by themselves create a legal revolution in the South they did force southern politicians policy makers businessmen and law enforcement officials to recognize that they could not ignore the legal rights of low income citizens Having survived for four decades America s legal services program has adapted to ever changing political realities including slashed budgets and

severe restrictions on poverty law practice adopted by the Republican led Congress of the mid 1990s With its account of the relationship between poverty lawyers and their clients and their interaction with legal political and social structures Rationing Justice speaks poignantly to the possibility of justice for all in America Seeking the Sacred with Psychoactive Substances J. Harold Ellens, 2014-10-28 Can drugs be used intelligently and responsibly to expand human consciousness and heighten spirituality This two volume work presents objective scientific information and personal stories aiming to answer the question The first of its kind this intriguing two volume set objectively reports on and assesses this modern psycho social movement in world culture the constructive medical use of entheogens and related mind altering substances Covering the use of substances such as ayahuasca cannabis LSD peyote and psilocybin the work seeks to illuminate the topic in a scholarly and scientific fashion so as to lift the typical division between those who are supporters of research and exploration of entheogens and those who are strongly opposed to any such experimentation altogether The volumes address the history and use of mind altering drugs in medical research and religious practice in the endeavor to expand and heighten spirituality and the sense of the divine providing unbiased coverage of the relevant arguments and controversies regarding the subject matter Chapters include examinations of how psychoactive agents are used to achieve altered states in Judaism Christianity Islam and Buddhism as well as in the rituals of shamanism and other less widely known faiths This highly readable work will appeal to everyone from high school students to seasoned professors in both the secular world and in devoted church groups and religious colleges **Astrology and Popular Religion in the Modern West** Nicholas Campion, 2016-04-15 This book explores an area of contemporary religion spirituality and popular culture which has not so far been investigated in depth the phenomenon of astrology in the modern west Locating modern astrology historically and sociologically in its religious New Age and millenarian contexts Nicholas Campion considers astrology's relation to modernity and draws on extensive fieldwork and interviews with leading modern astrologers to present an invaluable contribution to our understanding of the origins and nature of New Age ideology This book challenges the notion that astrology is either marginal or a feature of postmodernism Concluding that astrology is more popular than the usual figures suggest Campion argues that modern astrology is largely shaped by New Age thought influenced by the European Millenarian tradition that it can be seen as an heir to classical Gnosticism and is part of the vernacular religion of the modern west **The Odyssey of a New Religion** Phillip Charles Lucas, 1995-02-22 solid scholarship It will not only serve as a model for those studying the New Religious Movements of the late twentieth century but will offer help to mainline and other religious institutions who are struggling with problems of identity and change in our complex society today Church History a thoroughly enjoyable book that would fit well into a graduate readings seminar on new religious movements The book deserves a wide reading Nova Religio Lucas's study provides a model of how best to combine the methodologies and analyses of the history of religions and sociology He has provided the groundwork for continued tracking of developments in this new religious movement for comparative purposes

Journal of the American Academy of Religion a carefully researched and well written history of one of the important new religious movements to appear in the United States during the 1960s the volume can be heartily recommended to all students of American religion American Historical Review Lucas has written one of the best informed studies of the evolution of a metaphysical cult into mainline eastern orthodoxy The Reader s Review This is an important book for libraries with holdings in American religion Choice a fascinating narrative a rich feast for the investigator of the subculture of esoteric religion American Studies International especially welcome It offers an in depth meticulously documented history of a church the Holy Order of MANS that arose from the Christian esoteric mystery tradition and then metamorphosed into a traditionalist Orthodox Christian sect This unlikely tale has more twists and turns than a whodunit this volume is that rarest of finds an academic book that is a delight to read Gnosis Magazine Traces the journey of a new religious movement from its start as a monastic style New Age order to its transformation into the more conventional Christ the Savior Brotherhood an Eastern Orthodox sect A remarkable story of social and spiritual change in contemporary America

Motherhood Reconceived Lauri Umansky,1996-08 From the early days of second wave feminism motherhood and the quest for women s liberation have been inextricably linked And yet motherhood has at times been viewed by anti feminists and select feminists alike as somehow at odds with feminism In reality feminists have long treated motherhood as an organizing metaphor for women s needs and advancement The mother has been regarded with suspicion at times deified at others but never ignored The first book devoted to this complex relationship Motherhood Reconceived examines in depth how the realities of motherhood have influenced feminist thought Bringing to life the work of a variety of feminist writers and theorists among them Jane Alpert Mary Daly Susan Griffin Adrienne Rich and Dorothy Dinnerstein Umansky situates feminist discourses of motherhood within the social and political contexts of the 1960s Charting an increasingly favorable view of motherhood among feminists from the late 1960s through the 1980s Umansky reveals how African American feminists sought to redefine black nationalist discourses of motherhood a reworking subsequently adopted by white radical and socialist feminists seeking to broaden the racial base of their movement Noting the cultural left s conflicted relationship to feminism that is the concurrent demand for individual sexual liberation and the desire for community Umansky traces that legacy through various stages of feminist concern about motherhood early critiques of the nuclear family tempered by strong support for day care an endorsement of natural childbirth by the women s health movement of the early 1970s white feminists attempt to forge a multiracial movement by declaring motherhood a universal bond and the emergence of psychoanalytic feminism ecofeminism spiritual feminism and the feminist anti pornography movement

The Presidents We Imagine Jeff Smith,2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency s ever changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely

unexamined role in the nation's real politics *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1973 **No Requiem for the Space Age** Matthew D. Tribbe, 2014-06-06 This fluidly written first book uses Americans' reactions to the Apollo moon landings to examine cultural and social trends in the 1960s and 70s

Experimentation in American Religion Robert Wuthnow, 2023-11-15 *Experimentation in American Religion: The New Mysticism and Their Implications for the Churches* explores the emergence of new religious movements in America, particularly those outside the traditional Judeo-Christian framework. Wuthnow examines these movements in the context of the societal shifts during the 20th century, focusing on why they gained popularity, especially among groups that traditional religions had struggled to engage, such as college students, young people, and the educated. These new religions often draw from Eastern spiritual practices, the occult, and humanistic ideals, challenging the dominance of conventional Western religious traditions. The book uses a sociological approach, relying on random sample surveys to analyze patterns in religious commitment, focusing on social factors such as education, age, and background. Although the study acknowledges the limitations of sociological data in fully capturing the nuances of religious belief, it aims to provide insight into the social context of these new religious movements and why certain individuals are attracted to them. The author avoids adhering to any single sociological theory, recognizing that different types of new religious movements, such as yoga, astrology, and psychic phenomena, require distinct explanations. This work is part of a larger project to understand the changing religious landscape in America, building on the research conducted by Wuthnow and others at the Survey Research Center. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1978.

This is likewise one of the factors by obtaining the soft documents of this **The Age Of Aquarius Technology And The Cultural Revolution** by online. You might not require more time to spend to go to the ebook creation as capably as search for them. The Age Of Aquarius Technology And The Cultural Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Age Of Aquarius Technology And The Cultural Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Age Of Aquarius Technology And The Cultural Revolution has opened up a world of possibilities. Downloading The Age Of Aquarius Technology And The Cultural Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Age Of Aquarius Technology And The Cultural Revolution has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Age Of Aquarius Technology And The Cultural Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Age Of Aquarius Technology And The Cultural Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading The Age Of Aquarius Technology And The Cultural Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Age Of Aquarius Technology And The Cultural Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Age Of Aquarius Technology And The Cultural Revolution Books

What is a The Age Of Aquarius Technology And The Cultural Revolution PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Age Of Aquarius Technology And The Cultural Revolution PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Age Of Aquarius Technology And The Cultural Revolution PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Age Of Aquarius Technology And The Cultural Revolution PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Age Of Aquarius Technology And The Cultural Revolution PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features.

PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
