By Word of Mouth Louis Goossens, Paul Pauwels, Brygida Rudzka-Ostyn, Anne-Marie Simon-Vandenberghe, Johan Vanparys, 1995-12-08 This volume contains seven synchronic and diachronic empirical investigations into the expression and conceptualization of linguistic action in English focusing on figurative extensions. The following issues are explored: Source domains and their relation to the complexities of linguistic action as a target domain. The role of axiological parameter: the experiential grounding of metaphors expressing value judgements and the part played by image schemata: how value judgements come about and their socio-cultural embedding. The graded character of metaphoricality and its correlation with degrees of recoverability/salience. The interaction of metonymy and metaphor: e.g. the question what factors motivate the conventionalization of metonymies which includes the perspective that conventionalized metaphors frequently have a metonymic origin. The role of image schemata in the organization and development of a lexical subfield which raises new questions on the nature of metaphor: the identification of source and target domains and the Invariance Hypothesis.

Richards, 2023-03-22 Words are powerful. By changing a single word the entire meaning of a message can be obscured or misdirected. The Words Bediuzzaman Said Nursi, The Words is the first volume of the Risale-i Nur and consists of thirty-three independent parts or Words which explain and prove aspects of the fundamental matters of belief. These consist of such matters as God's existence and unity, the manifestation of the Divine Names and attributes in creation, the resurrection of the

dead and the hereafter prophethood the miraculousness of the Qur'an the angels the immortality of man's spirit Divine Determining fate or destiny together with such questions as the true nature of man and the universe and man's need to worship God Each subject is explained with comparisons and allegories and demonstrated with reasoned arguments and logical proofs The most profound aspects of the truths of belief which were formerly studied only by advanced scholars are explained in such a way that everyone even those to whom the subject is new may understand without difficulty This work answers brilliantly the attacks made on the Qur'an in the name of science and philosophy and demonstrates the rationality of belief in God and logical absurdity of denial It shows too that man's happiness and salvation both in this world and the next lie only in belief in God and knowledge of God *Selected Works of Miguel de Unamuno: The agony of Christianity, and Essays on faith* Miguel de Unamuno, 1967

Preach the Word Stephen Oliver Stout, 2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4 1-5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3 10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should

seek to preach like Paul and the way to do that is to Preach the Word **Theological Essays** Charles Bradlaugh,1882

Exploring the Word Rodney E. Whittle,2009-09 This is a daily inspirational study book based on a pattern to read your Bible through in one year Rev Rodney Whittle along with his congregation used this plan for many years to read their Bible through it was such a blessing to him personally He decided to follow that same format as he wrote this book There are two passages to read a day a morning Old Testament passage and an evening New Testament passage He would take an inspirational thought he received from that passage and write a study As he wrote the monthly booklets he didn't necessarily do them in sequential order and he only lacked eight days of his last month January before he passed away His wife Grace worked and completed the eight days that remained with other materials he had written in times past Rodney E Whittle was born in Cereal Alberta Canada on October 29 1928 and died on September 8 2007 At his home two missionaries from the Canadian Sunday School Mission arrived on bicycles to do missionary work Through the ministry of these men Rodney was wonderfully converted and called to preach the gospel He spent the years 1944 1950 at Prairie Bible Institute where the missionary boys were attending He met his wife Grace at Prairie and they married on August 28 1950 and celebrated 57 happy years together He had four daughters ten grandchildren and six great grandchildren at the time of his passing He pastored and helped many churches Houston Texas Dallas Texas St Louis Missouri Minneapolis Minnesota Nassau Bahamas and Kingston Jamaica He was pastoring in White Bear Lake Minnesota at the time of his death **"The" Quarterly Review** ,1881 *The Vitality of Worship* Robert Davidson,1998 This commentary on the book of Psalms by Robert Davidson seeks to show how a knowledge of the place the psalms originally had in the worship of ancient Israel enables them to come alive in worship within believing communities today i

The Word Became Flesh E. Stanley Jones,2006-06-01 This updated classic contains 364 daily devotionals revolving around And the Word became flesh John 1 14 and its meaning for a transformed life From his wide experience with world religions and contact with believers across the globe E Stanley Jones explains the difference between Christianity in which God reaches toward humanity through Jesus Christ and other faiths in which humanity reaches toward God in various ways Includes Daily scripture reading commentary a prayer and affirmation for each day Discussion guide for 52 weeks with several questions for reflection and conversation Scripture index Topical index E Stanley Jones 1884 1973 was perhaps the most widely known and admired Christian evangelist of his time He spent a lifetime in missionary work in India Japan and other countries and touched many more lives through his writings Praise for the original volume goes to the heart of the matter for it deals with that which makes the Christian religion unique and

enduring among all religions God becoming man a religion rooted and grounded in human history Kirkus Characteristically always spiritually motivated and down to the very heart of life itself Christian Herald *Commentary on the Gospel According to Luke* James Stark,1866 **Fire of Mercy, Heart of the Word** Erasmo Leiva-Merikakis,2021-09-01 To the untrained eye St Matthew's Gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is In his fourth and final volume of meditations on Matthew chapters 26-28 Father Simeon formerly Erasmo Leiva Merikakis continues to show Matthew's prose to be not so much terse as economical astoundingly so given its depth The lay reader can derive great profit from reading this book Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent but rich with meaning Father Simeon's work is scholarly but eminently approachable by the lay reader The tone is very much of taste and see how good the Lord is and an invitation of friend come up higher The goal of the book is to help the reader experience the heat of the divine Heart and the light of the divine Word The author addresses both the objective and subjective levels of the Word of God both what it is in itself and what impact it ought to have in our lives Father Simeon comments on the Greek text demonstrating nuances in the text that defy translation He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus He shows that ultimately the text of the Gospel serves only one purpose to make possible a living encounter with the person of Jesus Christ an encounter that is wholly life transforming Every effort therefore has been made throughout the commentary to show how the presence of Christ in the world has changed the very nature of both history and human experience **A New History of the Holy Bible, from the Beginning of the World to the Establishment of Christianity.
