Balcázar-Goldstein, 2010-07-28 This is the story of a great lie between members of a middle class family the Daniels The direction of their lives changed dramatically as a result of a marriage and the birth of a child The Daniels' alcohol dependency the Powells' unhealthy influence a priest's spiritual failure erodes the weak structure which apparently sustains the moral principles of our characters when they fall into a vast web woven into disloyalty revenge and lust Overwhelmed by the devastating result of their acts they realized but not until much later that they had been their only victims for wanting to control the lives of others with the sole purpose of satisfying their harmful intentions Reduced to living in constant turbidity they did not suspect that inner reconciliation and redemption were hidden from the beginning behind love I would like to add a credit for the artist Jorge Posada who provided his paintings for the covers of both books Covers by Colombian artist Jorge Posada <http://www.jorgeposada.art.com> **Did You Receive the Holy Spirit When You Believed? (Acts 19:2)** Bob

McArthur, 2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are you fully birthed into the family of God Did you receive the Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Don't be alarmed This book is completely Jesus focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through

Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way **Federal Probation** ,1987 **A Choice Theory Approach to Drug and Alcohol Abuse** Michael Rice,MICHAEL. RICE LISAC,2009-09-17 Michael Rice uses Choice Theory to deal with the sociological and psychological withdrawals by reestablishing values creating new wants and goals and creating new or reconnecting relationships with the important people in one s life Added to this is learning new methods to deal with unhappiness instead of trying to bypass it with short term pleasure from a drug
