enigmatic leader Osama bin Laden But the organization that changed the face of terrorism forever and unleashed a whirlwind of counterterrorism activity and two major wars had been on the scene long before that eventful morning In Al Qaeda the Islamic State and the Global Jihadist Movement What Everyone Needs to Know Daniel L Byman an eminent scholar of Middle East terrorism and international security who served on the 9 11 Commission provides a sharp and concise overview of Al Qaeda from its humble origins in the mountains of Afghanistan to the present explaining its perseverance and adaptation since 9 11 and the limits of U S and allied counterterrorism efforts The organization that would come to be known as Al Qaeda traces its roots to the anti Soviet jihad in Afghanistan in the 1980s Founded as the Soviets withdrew from Afghanistan Al Qaeda achieved a degree of international notoriety with a series of spectacular attacks in the 1990s however it was the dramatic assaults on the World Trade Center and the Pentagon on 9 11 that truly launched Al Qaeda onto the global stage The attacks endowed the organization with world historical importance and provoked an overwhelming counterattack by the United States and other western countries Within a year of 9 11 the core of Al Qaeda had been chased out of Afghanistan and into a variety of refuges across the Muslim world Splinter groups and franchised offshoots were active in the 2000s in countries like Pakistan Iraq and Yemen but by early 2011 after more than a decade of relentless counterterrorism efforts by the United States and other Western military and intelligence services most felt that Al Qaeda s moment had passed With the death of Osama bin Laden in May of that year many predicted that Al Qaeda was in its death throes Shockingly Al Qaeda has staged a remarkable comeback in the last few years In almost every conflict in the Muslim world from portions of the Xanjiang region in northwest China to the African subcontinent Al Qaeda franchises or like minded groups have played a role Al Qaeda s extreme Salafist ideology continues to appeal to radicalized Sunni Muslims throughout the world and it has successfully altered its organizational structure so that it can both weather America s enduring full spectrum assault and tailor its message to specific audiences Authoritative and highly readable Byman s account offers readers insightful and penetrating answers to the fundamental questions about Al Qaeda who they are where they came from where they re going and perhaps most critically what we can do about it What Everyone Needs to Know is a registered trademark of Oxford University Press [IntelCenter the Al-Qaeda Documents](#) IntelCenter,2003-08 This volume is the third in The al Qaeda Documents series of books by Tempest Publishing and IntelCenter The series is designed to pull together key documents necessary to develop a solid understanding of how al Qaeda and other terrorist organizations operate The documents enclosed in this first volume consist of court documents related to al Qaeda operatives in the US the USS Cole Bombing the East Africa Embassy Bombings and the Zacarias Moussaoui case This volume also contains the translations of five articles statements from al Qaeda members Osama bin Laden Saif al Adel Abu Ubeid al Qurashi Sulaiman Abu Ghaith Seif al Din al Ansari and al Qaeda s Political Bureau The article entitled Message to Our People in Iraq and the Gulf region Specifically and to our Islamic Ummah in General The Islamic Resistance Against the American Invasion of Qandahar and

Lessons Learned by Saif al Adel is of particular note As the name implies the article is essentially a lessons learned report covering various aspects of the fighting in Afghanistan and how this knowledge can be applied by mujahideen in Iraq It provides valuable insights into al Qaeda s operations in Afghanistan as well as the mujahideen tactics being employed in Iraq today It is my hope that this volume and others to follow will help increase the level of understanding of al Qaeda and its affiliates by counterterrorism professionals and thus better prepare us for this most difficult of conflicts Sincerely Ben VenzkeEditor
