By Faith, Not By Sight Scott MacIntyre, 2012-04-02 A moving story of hope, faith, persistence, and the power of dreams. A piano prodigy, a nineteen-year-old college grad, a Marshall scholar, and an American Idol finalist. This guy had it made. He could sing. He could ski blind. What couldn't he do? Even if you saw him in concert, you might not believe that Scott MacIntyre is blind, and you'd never guess that at nineteen he faced a diagnosis that rocked his family and nearly took his life. So how did he do it? How did he overcome the odds? This is Scott's story, but he'd be the first to tell you that it's not really about him. This is the story of how God used a dedicated family, a selfless acquaintance, hardship, and a host of characters to give him life, faith, determination, and experiences most can only imagine. Peek behind the scenes to see how he learned to overcome his disability, how he made it in the music industry, how he found the love of his life, and how God taught him that in all things we can truly achieve our dreams. **By Faith, Not by Sight**

The Disney Middle Ages T. Pugh, S. Aronstein, 2012-12-10 For many, the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination. The essayists of *The Disney Middle Ages* explore Disney's mediation and re-creation of a fairy tale and fantasy past, not to lament its exploitation of the middle ages for corporate ends, but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation. What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture's fascination with the middle ages.

Carrie Underwood Vernell Hackett, 2010-09-16 In this book, follow the career of Carrie Underwood as she goes from the American Idol competition to worldwide celebrity. *Carrie Underwood: A Biography* follows the singer from a small town in Oklahoma to the stages of the most prestigious concert halls in the world. Along the way, fans will read about this girl-next-door's decision to compete on American Idol and her subsequent triumph, there about her first recordings in Nashville and her platinum albums, and about her sold-out concert tours with superstars like Brad Paisley, Kenny Chesney, and Keith Urban. But the book isn't only about Underwood as a celebrity. It is also about how she uses that celebrity to do good works, including speaking out for the Humane Society of the United States, participating in a song that benefited Stand Up For Cancer, doing public service announcements for the Do Something youth organization, and touring for the USO.
