Political Crisis and Christian Ethics Ronald H. Stone, 2023-09-26 The Political Crisis and Christian Ethics addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president s followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr s writing on politics and in Barack Obama s use of the theologian s thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich s critique of John Foster Dulles work and in the author s critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead s philosophy of education and religion and a vision of the good president In summary The Political Crisis and Christian Ethics is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy **Christian Ethics in the Modern Age** Brian Hebblethwaite, 1982 [The New Testament and Ethics](#) Joel B.

of life the center of attention at all times Consequently they will not find a specifically spiritual vocabulary or an alien pious rhetoric They will not find a long list of prayers practices and penances They will not find a list of things to be given up Patiently and gently these souls will open up to God They will see that true peace comes from true love and that love means an entire giving and that giving means some changes Such transitions are sometimes easy sometimes not But in the end what was once unwisely loved is now put aside and what was once foolishly despised is now embraced with gratitude Every man who has gone even a part of the way knows this The purpose of the book then is to open the soul to the grace of God and to show some practical consequences of the love of God in a life that wants to find love and peace from the Introduction *The Modern Church* Philip Augustus Nordell,1912 *The Oxford Handbook of the Bible and Ecology* Hilary Marlow,Mark Harris,2022 Does the Bible have anything to contribute to contemporary concerns about the environment This collection of essays on the Bible and ecology explores biblical texts and their interpretation in the light of ecological issues The handbook covers a number of political and ethical issues as well as offering detailed exploration of individual Bible books It discusses a number of controversial views including whether the Judeo Christian tradition has contributed to the environmental crisis and how the Bible is used by climate change deniers **Catalogue of Oberlin College for the Year ...** Oberlin College,1912 **Virtue Ethics in the Conduct and Governance of Social Science Research** Nathan Emmerich,2018-04-06 This edited collection focuses on the virtue theory and the ethics of social science research
