The Adventures Of Icanbe Icanbe Meets Fear Doubt:

The Adventure of Weak Theology Štefan Štofaník, 2018-10-16 In this distinctive exploration of John D Caputo s work tefan tofan k traces Caputo s journey of philosophical discovery from his earlier more conventional academic writings to his later almost confessional works of weak theology and his deep engagement with Derrida tofan k draws upon Caputo's life story to help explain sudden shifts in Caputo's thinking offers intricate readings of philosophical passages that have all too often been taken for granted and joins in Caputo's effort to find a theology that can be trusted and that does not rely upon dogmatic and hierarchical authority At the same time to an k subtly disagrees with aspects of Caputo's view and turns to the work of Antoine de Saint Exup ry as a way to suggest that one cannot take leave of the tradition of theology as easily as Caputo thinks At times The Adventure of Weak Theology reads like a letter to Caputo and tofan k s own passion for theology his deep understanding of Caputo's work and his gift for writing makes this an immensely appealing book for both admirers and critics of Caputo McClure's Magazine ... ,1912 G.
