punching under the bed with the broom and so she needed breath to punctuate the punches with She resurrected nothing but the cat I never did see the beat of that boy She went to the open door and stood in it and looked out among the tomato vines and jimson weeds that constituted the garden No Tom So she lifted up her voice at an angle calculated for distance and shouted Y o u u TOM There was a slight noise behind her and she turned just in time to seize a small boy by the slack of his roundabout and arrest his flight There I might a thought of that closet What you been doing in there Nothing Nothing Look at your hands And look at your mouth What \_is\_ that truck I don't know aunt Well I know It's jam that's what it is Forty times I've said if you didn't let that jam alone I'd skin you Hand me that switch The switch hovered in the air the peril was desperate My Look behind you aunt The old lady whirled round and snatched her skirts out of danger The lad fled on the instant scrambled up the high board fence and disappeared over it His aunt Polly stood surprised a moment and then broke into a gentle laugh Hang the boy can't I never learn anything Ain't he played me tricks enough like that for me to be looking out for him by this time But old fools is the biggest fools there is Can't learn an old dog new tricks as the saying is But my goodness he never plays them alike two days and how is a body to know what's coming He pears to know just how long he can torment me before I get my dander up and he knows if he can make out to put me off for a minute or make me laugh it's all down again and I can't hit him a lick I ain't doing my duty by that boy and that's the Lord's truth goodness knows Spare the rod and spile the child as the Good Book says I'm a laying up sin and suffering for us both I know He's full of the Old Scratch but laws a me he's my own dead sister's boy poor thing and I ain't got the heart to lash him somehow Every time I let him off my conscience does hurt me so and every time I hit him my old heart most breaks Well a well man that is born of woman is of few days and full of trouble as the Scripture says and I reckon it's so He'll play hookey this evening and Southwestern for afternoon I'll just be obleeged to make him work tomorrow to punish him It's mighty hard to make him work Saturdays when all the boys is having holiday but he hates work more than he hates anything else and I've \_got\_ to do some of my duty by him or I'll be the ruination of the child
