The Akhmim Gnostic Codex

John Barber

The Akhmim Gnostic Codex:

The Magdalene Version: Secret Wisdom from a Gnostic Mystery School Stuart Wilson ,Joanna Prentis, Here is the real voice of Mary Magdalene giving secret teachings from her Mystery School During the years that followed the crucifixion a Gnostic group met in Midsummer Gatherings on the island of Cyprus Channeling by the angelic source Alariel has revealed eight Keynote Speeches by Mary Magdalene during these Gatherings These speeches show a profound understanding of the Way that Jeshua taught This is forbidden knowledge forbidden by the Church because it could lead to the enlightenment and empowerment of those who heard it and applied it in their lives The Pure Transmission which forms the teachings of Mary Magdalene has been restored to us through angelic intervention at the end of the planetary cycle These teachings will change your perception of Mary Magdalene forever

The Gnostic Discoveries Marvin W. Meyer,2009-07-21 The Meaning of the Nag Hammadi now in paperback opens the with the thrilling adventure story of the discovery of the ancient Papyri at Nag Hammadi Muhammad Ali the fellahin discovered the sealed jar he feared that it might contain a jinni or spirit but also had heard of hidden treasures in such jars Greed overcame his fears and when he smashed open the jar gold seemed to float into the air To his disappointment it was papyrus fragmenst not gold but for scholars around the world it was invaluable Meyer then discusses the pre Christian forms of wisdom that went onto influence what Christians believe today In addition some Nag Hammadi texts are attributed to Valentinus a man who almost became Pope and whose rejection changed the church in significant ways Text by text Meyer traces the history and impact of this great find on the Church right up to our current beliefs and popular cultural fascination with this officially suppressed secret knowledge about Jesus and his followers

The Gospels of the Marginalized Marvin W. Meyer,2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth

The Gnostics and Their Archetypes Diego Kurilo, Gnosis derived from the ancient Greek gn sis meaning knowledge or also known as gnosticism a Latinized form of gn sticism s is a scientific religious term that encompasses various teachings and religious

groups that flourished in the late 19th century 1st century and had their peak between the 2nd and 3rd centuries AD acting as precursors of later currents We could think that within these movements of connoisseurs many Christianities of a Gnostic nature perished since Christianity was born as a broad set of spiritual movements based on the life of Jesus of Nazareth The Christianity proposed by Paul of Tarsus triumphed and the Gnostic movements fell into disgrace and were considered heretical

Neoplatonism and Gnosticism Rich T. Wallis, Jay Bregman, 1992-07-07 In recent decades our view of Gnosticism has been revolutionized by the discovery of a Coptic Gnostic library at Nag Hammadi Egypt Currently Gnosticism is seen as a phenomenon extending far beyond Christianity and displaying a strong Platonic influence The opposition between the two systems was certainly not as sharp as Plotinus claimed Where why and how the ideological lines were drawn is discussed in the light of the new historical evidence

The Road from Eden John Barber, 2008

The Nag Hammadi Scriptures Marvin W. Meyer, James M. Robinson, 2010-09-14 The Nag Hammadi Scriptures edited by Marvin Meyer is the most complete up to date one volume English language edition of the renowned library of Gnostic manuscripts discovered in Egypt in 1945 which rivaled the Dead Sea Scrolls find in significance It includes the Gospel of Thomas the Gospel of Mary and the recently discovered Gospel of Judas as well as other Gnostic gospels and sacred texts This volume also includes introductory essays notes tables glossary index etc to help the reader understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought The compilation of ancient manuscripts that constitute The Nag Hammadi Scriptures is a discovery that challenges everything we thought we knew about the early Christian church ancient Judaism and Greco Roman religions

A Dictionary of Gnosticism Andrew Phillip Smith, 2014-03-17 A Dictionary of Gnosticism is a scholarly yet accessible guide that covers the people mythology movements scripture and technical terms related to this pre Christian Western religion It contains nearly 1700 entries from Achiaram an angel in the Secret Book of John to Zostrianos a third century Gnostic text and is a reliable reference for the Nag Hammadi library and other Gnostic texts An introduction explains who the Gnostics were and provides a whirlwind tour through the history of this captivating movement

The Gospel of the Gnostics Duncan Greenlees, 2006-10 Recommended by top scholars in the field of Gnostic studies for many years but has been virtually impossible to find until now One of the best books on the subject essential for any serious researcher A virtual gold mine of Gnostic material some translated and presented here for the first time

The Unauthorized Dan Brown Companion John Helfers, 2012-03-01 The definitive truth within Dan Brown s fantastic fiction revealed at last With millions of copies of his books in print a major motion picture based on The Da Vinci Code in theaters and religious leaders everywhere launching scathing attacks on his work Dan Brown is quite simply a phenomenon His novels intricate mosaics combining well researched facts with action packed storytelling have created their own industry of location tours seminars even PBS specials But perhaps the one thing that still keeps his readers guessing is that nagging question How much of this is true The Unauthorized Dan Brown Companion tells all Unlike the avalanche of books

specifically about The Da Vinci Code The Unauthorized Dan Brown Companion covers all of Dan Brown s books and crucially has no religious agenda or political axe to grind these are the facts Could there actually be an unbreakable code that would cripple US intelligence as in Digital Fortress How much truth lies in The Da Vinci Code s history altering propositions that have so angered the Vatican Are the Illuminati from Angels and Demons really alive and well The answers are here covering every picture place proper name and historical event through all of Brown s books explaining what s absolutely true possible improbable or completely fictitious One of Dan Brown s greatest accomplishments as a writer is his uncanny ability to blur the line between fact and fiction Now with The Unauthorized Dan Brown Companion readers will at last have all of the information to distinguish for themselves between the inventions of a master storyteller and the historical revelations of a first rate investigator John Helfers is a full time writer and editor currently living on Green Bay Wisconsin He is the co editor of The Valdemar Companion a guide to the work and life of fantasy writer Mercedes Lackey Recent published books include two anthologies he edited In the Shadow of Evil and Slipstreams He has also written nonfiction with his history of the United States Navy The Alpha Bravo Delta Guide to the U S Navy published in 2003 *Gnostic Religion in Antiquity* R. van den Broek,2013-01-24 An examination of Gnostic religion in Late Antiquity within its historical and religious context using Greek Latin and Coptic sources *The Bible of Bibles* Frank L. Riley,1996-09 1928 a source book of religions demonstration the unity of the sacred books of the world Contents God the Beneficence of God Creation the Origin and Constitution of Man the Problem of Evil the World Matter the Unreal the Works of the Flesh the *Fragments Of A Faith Forgotten* G. R. Mead,1997-07 1906 Some short sketches among the Gnostics mainly of the first two centuries A contribution to the study of Christian origins They strove for the knowledge of God the science of realities the gnosis of the things that are wisdom was their goal **The Twentieth Century** ,1902 **The Bible of Bibles** ,1928 What Happened to the Ancient Library of Alexandria? Mostafa El-Abbadi,Omnia Fathallah,Ismail Serageldin,2008-02-28 In adopting the theme of What Happened to the Ancient Library of Alexandria this book aims at presenting afresh a highly specialized discussion of primary sources related to the diverse aspects and episodes of that long disputed question The book covers a wide range of topics beginning with an initial presentation of different Ancient Egyptian types of library institutions with a special focus on the later Coptic Nag Hamadi Library It then deals with the troubled times under later Ptolemies and Romans when the Royal Library the Daughter Library and the Mouseion came under a succession of threats Caesar s Alexandrian War in 48 B C and during the tragic developments in the third and fourth centuries which ultimately culminated in the destruction of the Serapeum that housed the Daughter Library A discussion of the intellectual milieu during the fourth and fifth centuries follows as well as the conflicting attitudes within the Church with regard to classical learning An analysis of historical and new archaeological evidence confirms the fact that Alexandria continued to be a city of books and scholarship centuries after the destruction of the Library Finally the late medieval Arab story of the destruction of the Library by order of Caliph Omar is fully considered

and refuted through textual analysis of the original sources Contributors include William J Cherf Dimitar Y Dimitrov Maria Dzielska Mostafa A El Abbadi Jean Yves Empereur Fayza M Haikal Georges Leroux Bernard Lewis Grzegorz Majcherek Mounir H Megally Birger A Pearson Lucien X Polastron Qassem Abdou Qassem and Ismail Serageldin **God's Library** Brent Nongbri, 2018-08-21 In this bold and groundbreaking book Brent Nongbri provides an up to date introduction to the major collections of early Christian manuscripts and demonstrates that much of what we thought we knew about these books and fragments is mistaken While biblical scholars have expended much effort in their study of the texts contained within the earliest Christian manuscripts there has been a surprising lack of interest in thinking about these books as material objects with individual unique histories We have too often ignored the ways that the antiquities market obscures our knowledge of the origins of these manuscripts Through painstaking archival research and detailed studies of the most important collections of early Christian manuscripts Nongbri vividly shows that the earliest Christian books are more than just carriers of texts or samples of handwriting They are three dimensional archaeological artifacts with fascinating stories to tell if we re willing to listen **In Light of Women** Mary Jane Miller, 2018-03-22 72 pages of egg tempera icon painting collection and commentary An exploration of women in iconography and the absence of their voices in the church and icon image Exquisitely painted icons are juxtaposed with text describing each of the images history religious context and reflections about the world we live in today This book is a must for any library for those collectors of icons and those in authority who preserve this great tradition Iconography has the potential the shape future theology through new liturgy and perspective for men and women everywhere Mary Jane Miller s collection of new work is exquisite **The Nineteenth Century and After** ,1902 **Nineteenth Century and After** ,1902

Discover tales of courage and bravery in Crafted by is empowering ebook, **The Akhmim Gnostic Codex** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
