Dalits' Struggle for Social Justice in Andhra Pradesh (1956-2008) Akepogu Jammanna,Pasala

Sudhakar,2016-12-14 The complete alienation of Dalits from resources like land water and agricultural implements has led to the collective demand for an equal share in productivity This book discusses the range of socio economic and cultural problems faced by the Dalit community The movement advancing the rights of Dalits took place both before and after independence however they varied in intensity and concerned land ownership and fair wages self respect social dignity and the demand for equal rights This movement appeared to have significantly changed the very mindset and attitude of upper caste people to restrain themselves and not to resort to any discrimination or humiliation of Dalits However this seems to have been only a temporary phenomenon and the practice of suppression and humiliation continues today This book explores the circumstances of Dalits in the Indian state of Andhra Pradesh and the current efforts attempting to achieve more social equality for the caste here DNA of Dalit Movement Ojha Jai Prakash,2014-02

The book is a collection of essays woven around the contours of the growth of the dalit movement the crusade undertaken by the dalit icons for the cause of dalit emancipation and the burning issues that have cropped up before the dalits These issues are at the crux of very lively debates that are taking place in contemporary India Politics of exclusion and identity have restricted the amalgamation of dalits into the national mainstream to a certain extent and despite more than 60 years of independence they are dependent on reservation as their major mobilisation plank The new economic reforms have led to reduction in the scope and breadth of reservation and lessened the role of the state to the detriment of majority of the dalit population The challenges posed to the dalit movement by the mandalites and the Hindutva forces have also been discussed in the book Dalit symbolism and the repercussions of such acts on overall polity position of the dalits in rural India their acute deprivation from land assets and inter squabbles among them have also been highlighted in this book The presentation style is lucid and simple so as to enable even ordinary readers to understand the topics One hopes that the book will be found to be useful for the students of Indian polity Voices Of Resilience: Exploring Dalit History And Literature Rafrat Shakil Ansari,Shachee Agnihotri,2025-01-24

Approaches to History Sabyasachi Bhattacharya, 2011

History as a social science is arguably more self reflective than associated disciplines in that family Other social scientists seem to see little reason to look beyond the paradigm they are developing in the present times Historians on the other hand tend to depend on the cumulative process of the development of their craft and the fund of accumulated knowledge Yet while this is acknowledged in the practice of research Historiography in itself as a subject of study has rarely found its place in the syllabi of Indian universities Knowledge of Historiography is taken for granted when a scholar plunges into research In an attempt to address this lacuna the Indian Council of Historical Research ICHR has planned a series of volumes on Historiography comprising articles by subject specialists commissioned by the ICHR The first volume in the series Approaches to History Essays in Indian Historiography brings to the readers the first fruits of that endeavour While the

essays encompass areas of research presently at the frontiers of new research scholars will also find the bibliographies accompanying the essays of significant appeal

The Weave of My Life Urmila Pawar, 2009-07-15 My mother used to weave aaydans the Marathi generic term for all things made from bamboo I find that her act of weaving and my act of writing are organically linked The

weave is similar. It is the weave of pain, suffering and agony that links us. Activist and award-winning writer Urmila Pawar recounts three generations of Dalit women who struggled to overcome the burden of their caste. Dalits or untouchables make up India's poorest class. Forbidden from performing anything but the most undesirable and unsanitary duties for years, Dalits were believed to be racially inferior and polluted by nature and were therefore forced to live in isolated communities. Pawar grew up on the rugged Konkan coast near Mumbai where the Mahar Dalits were housed in the center of the village so the upper castes could summon them at any time. As Pawar writes, the community grew up with a sense of perpetual insecurity, fearing that they could be attacked from all four sides in times of conflict. That is why there has always been a tendency in our people to shrink within ourselves like a tortoise and proceed at a snail's pace. Pawar eventually left Konkan for Mumbai where she fought for Dalit rights and became a major figure in the Dalit literary movement. Though she writes in Marathi, she has found fame in all of India. In this frank and intimate memoir, Pawar not only shares her tireless effort to surmount hideous personal tragedy but also conveys the excitement of an awakening consciousness during a time of profound political and social change.
