The American Frontier Readings And Documents:

The American Frontier Robert V. Hine, Edwin R. Bingham, 1972 Reading the American Past: Volume I: To 1877 Michael P. Johnson, 2012-01-05 With five carefully selected documents per chapter this two volume primary source reader presents a wide range of documents representing political social and cultural history in a manageable accessible way Thirty two new documents infuse the collection with the voices of an even wider range of historical actors Expertly edited by Michael P Johnson one of the authors of *The American Promise* the readings can be used to spark discussion in any classroom and fit into any syllabus Headnotes and discussion questions help students approach the documents and comparative questions encourage students to make connections across documents *Reading the American Past* is FREE when packaged with *The American Promise* *The American Promise A Compact History and Understanding the American Promise* For more information on the reader or on package ISBNs please contact your local sales representative or click here *Reading the American West* Mitchell Roth, 1999 This anthology is from our Primary Sources in American History series designed to make primary sources widely available in an inexpensive format that encourages analytical thinking The letters diary excerpts speeches interviews and newspaper articles in *Reading the American West* let students experience what historians really do and how history is written Every document is accompanied by a contextual headnote and study questions and each chapter includes extensive introductions *Reading the American Past: Volume II: From 1865* Michael P. Johnson, 2012-01-05 With five carefully selected documents per chapter this two volume primary source reader presents a wide range of documents representing political social and cultural history in a manageable accessible way Thirty two new documents infuse the collection with the voices of an even wider range of historical actors Expertly edited by Michael P Johnson one of the authors of *The American Promise* the readings can be used to spark discussion in any classroom and fit into any syllabus Headnotes and discussion questions help students approach the documents and comparative questions encourage students to make connections across documents *Reading the American Past* is FREE when packaged with *The American Promise* *The American Promise A Compact History and Understanding the American Promise* For more information on the reader or on package ISBNs please contact your local sales representative or click here Masculinities, Violence and Culture Suzanne E. Hatty, 2000-05-11 This exciting and unique new book offers a post modern analysis linking the contemporary social crisis of masculine subjectivity and the law and order crisis over escalating violence In doing so it examines the major biological psychological sociological and anthropological theoretical models of masculinity and violence and formulates an integrated theoretical approach to the relationship between violence and masculinity In essence the book focuses on violence as a gendered activity specifically a masculine activity Early chapters define and theorize both violence and masculinity and subsequent chapters focus on representations of violence and masculinity in popular culture Familiar but insightful examples from cartoons fiction television and the movies are used to illustrate the construction of masculinity in popular culture as well

as the range of images of violence that dominate our senses Drawing from diverse literatures and traditions this engaging book is directed to advanced undergraduate and graduate students as well as professionals in Criminology Legal Studies Psychology Sociology Gender Studies and Cultural Studies Because of its theoretical aspects it will be of interest to students and scholars in the United Kingdom Australia and Canada as well as in the United States *The Republic of Nature* Mark Fiege,2012-03-20 In the dramatic narratives that comprise *The Republic of Nature* Mark Fiege reframes the canonical account of American history based on the simple but radical premise that nothing in the nation's past can be considered apart from the natural circumstances in which it occurred Revisiting historical icons so familiar that schoolchildren learn to take them for granted he makes surprising connections that enable readers to see old stories in a new light Among the historical moments revisited here a revolutionary nation arises from its environment and struggles to reconcile the diversity of its people with the claim that nature is the source of liberty Abraham Lincoln an unlettered citizen from the countryside steers the Union through a moment of extreme peril guided by his clear eyed vision of nature's capacity for improvement In Topeka Kansas transformations of land and life prompt a lawsuit that culminates in the momentous civil rights case of *Brown v Board of Education* By focusing on materials and processes intrinsic to all things and by highlighting the nature of the United States Fiege recovers the forgotten and overlooked ground on which so much history has unfolded In these pages the nation's birth and development pain and sorrow ideals and enduring promise come to life as never before making a once familiar past seem new *The Republic of Nature* points to a startlingly different version of history that calls on readers to reconnect with fundamental forces that shaped the American experience For more information visit the author's website <http://republicofnature.com> **The U.S. Army and the Negro** US Army Military History Research Collection,John Slonaker,1971

Special Bibliography - US Army Military History Research Collection US Army Military History Research Collection,1970 *The US Army and Domestic Disturbances* Slonaker, John,1970 **The U.S. Army and the Negro** John Slonaker,1971 **Cultural History of Reading** Sara E. Quay,Gabrielle R. Watling,2008-11-30 What is it about some books that makes them timeless *Cultural History of Reading* looks at books from their earliest beginnings through the present day in both the U S and regions all over the world Not only fiction and literature but religious works dictionaries scientific works and home guides such as Mrs Beeton's all have had an impact on not only their own time and place but continue to capture the attention of readers today Volume 1 examines the history of books in regions throughout the world identifying both literature and nonfiction that was influenced by cultural events of its time Volume 2 identifies books from the pre colonial era to the present day that have had lasting significance in the United States History students and book lovers alike will enjoy discovering the books that have impacted our world **Six Years of Home Reading for Boy Scouts, Camp Fire and Bee Hive Girls, Their Parents, and Others** Joshua Hughes Paul,1920 **Struggle Against Russia in the Romanian Principalities** Radu Florescu,2022-07-01 The period leading up to the unification of the Romanian principalities is one of the

most dynamic periods in modern Romanian history It was a time of effervescence which witnessed the birth of new ideas and the struggle between revolution and reaction With the expansion of Russia in the Balkans amidst the decline of the Ottoman Empire the struggle against Russia in the Romanian principalities supported by Anglo Turkish diplomacy took on international significance Written by one of the leading specialists on Romanian history in the United States The Struggle Against Russia in the Romanian Principalities is a significant contribution to nineteenth century European diplomatic history The author Radu R Florescu was a professor of history at Boston College He received his B A and M A degrees from Christ Church Oxford University in Great Britain before moving to the United States where he completed his Ph D at Indiana University Professor Florescu was a distinguished scholar and the author of numerous books and articles on Romanian and East European history

Books in Print, 1979

The United States of America, a Syllabus of American Studies: Reading List United States Information Agency, 1963

Reading These United States Keri Holt, 2019-01-15 Reading These United States explores the relationship between early American literature and federalism in the early decades of the republic As a federal republic the United States constituted an unusual model of national unity defined by the representation of its variety rather than its similarities Taking the federal structure of the nation as a foundational point Keri Holt examines how popular print including almanacs magazines satires novels and captivity narratives encouraged citizens to recognize and accept the United States as a union of differences Challenging the prevailing view that early American print culture drew citizens together by establishing common bonds of language sentiment and experience she argues that early American literature helped define the nation paradoxically by drawing citizens apart foregrounding rather than transcending the regional social and political

differences that have long been assumed to separate them The book offers a new approach for studying print nationalism that transforms existing arguments about the political and cultural function of print in the early United States while also offering a provocative model for revising the concept of the nation itself Holt also breaks new ground by incorporating an analysis of literature into studies of federalism and connects the literary politics of the early republic with antebellum literary politics a bridge scholars often struggle to cross *The New Larned History for Ready Reference, Reading and Research*
Josephus Nelson Larned, 1924
