Florida. Retardation Program Office

Teaching Curriculum Goals In Routine Environments A Manual For The Instruction Of Multihandicapped Students:

Teaching Curriculum Goals in Routine Environments Dini Frans, 1987 The manual presents a methodology for teaching multihandicapped students which stresses development and utilization of classroom routines to enhance individualized instructional effectiveness The first chapter by Paul Carreiro and Sue Townsend provides the theoretical basis for using a routine based teaching approach The second chapter outlines a framework for the implementation of this model Chapter 3 provides detailed instructions for using the manual The fourth chapter lists curriculum objectives for severely mentally retarded students in the areas of receptive language expressive language cognition fine and gross motor skills eating dressing and grooming Objectives are coded to specific routines Chapter 5 consists of a number of typical routines presented in matrix form outlining numerous curriculum objectives that can be taught in the context of these routines In chapter 6 a teaching sequence for use in the routine context is provided for each of the curriculum objectives Chapter 7 contains a curriculum checklist to serve as a tool for assessment as well as a record of progress The final chapter presents an example of a learning program for a typical severely handicapped student showing the objectives for the student with teaching sequences inserted in the routines appropriate for one school day DB
