Linguistics at School Kristin Denham, Anne Lobeck, 2010-01-07 This volume

shows how linguistics can be integrated into school curricula presenting research and practice in the field of language within education *Professional Development of English Language Teachers in Asia* Kayoko Hashimoto, Van-Trao

Nguyen, 2018-05-16 Why has English language proficiency in Japan remained so low in comparison to other Asian countries

Has Vietnam attempted to improve English language teaching because ASEAN has adopted English as its working language

Why do English language teachers struggle with curriculum changes imposed by governments in order to make them

competitive in the international community Do professional development PD programs actually meet the needs of teachers

This book addresses issues surrounding these questions by examining how the Japanese and Vietnamese governments have

approached and defined the PD of English language teachers and how such PD programs have been delivered It further

analyses the impact of policy changes on individual teachers and explores how PD can help teachers to implement such

changes effectively at the micro level PD of language teachers or language teacher education is relatively new as a field of

inquiry in Applied Linguistics By including case studies of Japan and Vietnam in the one volume this book embarks on the

challenging task of demonstrating that PD is an essential element of the successful implementation of language policies in

Asia where World Englishes have been shaped by distinct local contexts Preparing Teachers to Teach English as an

International Language Aya Matsuda, 2017-01-19 This book explores ways to prepare teachers to teach English as an

International Language EIL and provides theoretically grounded models for EIL informed teacher education The volume

includes two chapters that present a theoretical approach and principles in EIL teacher education followed by a collection of

descriptions of field tested teacher education programs courses units in a course and activities from diverse geographical

and institutional contexts which together demonstrate a variety of possible approaches to preparing teachers to teach EIL

The book helps create a space for the exploration of EIL teacher education that cuts across English as a Lingua Franca World

Englishes and other relevant scholarly communities **A Practical Guide to Teaching English in the Secondary School**
