Heritage Speakers of Spanish and Study Abroad Rebecca Pozzi, Tracy Quan, Chelsea Escalante, 2021-04-19 Heritage Speakers of Spanish and Study Abroad is an edited volume that provides emerging research on heritage speakers of Spanish in immersion contexts in theoretical empirical and programmatic terms This edited collection seeks to expand our understanding of heritage speakers of Spanish by incorporating research on their linguistic sociolinguistic and pragmatic development during and after a sojourn abroad by discussing the complexities of their identity formation and negotiation during immersive stays and by highlighting programmatic innovations that could be leveraged to better serve diverse learners in study abroad contexts This volume advances the fields of both heritage language education and research on immersion study in a variety of ways and will be of interest to scholars of applied linguistics sociolinguistics second language acquisition and educational linguistics especially those interested in study abroad programming and Spanish for heritage speakers

On Being a Language Teacher Norma López-Burton, Denise Minor, 2014-03-11 On Being a Language Teacher provides an innovative personal approach to second language teaching Through illustrative personal anecdotes this text guides new and aspiring language teachers through key pedagogical strategies while encouraging productive reflection by classroom veterans An ancillary website provides online videos to complement the text by showing an experienced teacher applying the book s lessons In a market dominated by dense theoretical approaches to language pedagogy this text provides an instantly accessible practical set of teaching tools for educators at all levels Its accessible style and affordability give it the flexibility to serve as either a primary or a supplemental text for teaching assistants students in credential programs or undergraduates in applied linguistics courses

The Changing Landscape of Spanish Language Curricula Alan V. Brown, Gregory L. Thompson (College teacher), 2018 Brown and Thompson argue that Spanish language education needs to

evolve to reflect changes in the U S s sociocultural socioeducational and sociopolitical landscape They provide coherent and compelling discussion of the most pressing issues facing Spanish post secondary education and strategies for turning these challenges into opportunities The Praeger Handbook of Latino Education in the U.S. Lourdes Diaz Soto,2006-11-30

Latinos in the United States have fought hard to attain equality especially in the field of education The Praeger Handbook of Latino Education in the U S focuses on this fight for equal educational access and represents a significant addition to American educational literature The contributors to this volume reveal that many Latino children still face challenges that were present many decades ago In addition to such obstacles as cultural conflicts and racism they also face teachers curricula and assessments that are not always respectful to their backgrounds Educators parents policy makers and communities across the country will find this work a goldmine of detailed historical and current information **Innovative Strategies for Heritage Language Teaching** Marta Fairclough,Sara M. Beaudrie,2016 Heritage language HL learning and teaching presents particularly difficult challenges Melding cutting edge research with innovations in teaching practice the contributors in this volume provide practical knowledge and tools that introduce new solutions informed by linguistic sociolinguistic and educational research on heritage learners Scholars address new perspectives and orientations on designing HL programs assessing progress and proficiency transferring research knowledge into classroom practice and the essential question of how to define a heritage learner Articles offer analysis and answers on multiple languages and the result is a unique and essential text the only comprehensive guide for heritage language learning based on the latest theory and research with suggestions for the classroom **Encyclopedia of Diversity in Education** James A. Banks,2012-05-17

The diversity education literature both nationally and internationally is broad and diffuse Consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals American citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead With continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in U S education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the K 12 and postsecondary levels With about 700 signed entries with cross references and recommended readings the Encyclopedia of Diversity in Education 4 volumes in both print and electronic formats will present research and statistics case studies and best practices policies and programs at pre and postsecondary levels Diversity is a worldwide phenomenon and while most of the entries in the Encyclopedia will focus on the United States diversity issues and developments in nations around the world including the United States are intricately connected Consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity From A to Z this

Encyclopedia will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education This four volume reference work will be the definitive reference for diversity issues in education in the United States and the world Introducción a la sociolingüística hispánica Manuel
