God in Pain, 2010-09-01 Everyone understands human pain But many Christians have difficulty comprehending God's pain especially God's pain in the death of Christ Is it atonement or child abuse To speak of God in pain says Barbara Brown Taylor is not only to address the biblical stories of Christ's suffering and death but also to proclaim the God who is present in our pain This volume of teaching sermons on suffering presents different approaches to the problem of God in pain In each sermon Taylor speaks with sensitivity and profound insight as she addresses pain and both its human and divine impact

Preaching to Teach Richard Voelz, 2019-08-06 Preaching to Teach merges the related functions of preaching and teaching and equips the reader to accomplish both Preachers stand up to speak each week in challenging times to unsettled congregations Each week seems to bring a new difficult subject mass shootings and other forms of violence hard conversations around race ethnicity and multi religious contexts immigration poverty climate change foreign and domestic terrorism and bickering about it all on social media Preachers are hungry for ways to envision the work of preaching in these times as well as for tools that will help them speak to difficult and contentious topics In a divided and weary world preachers struggle with the choice of any number of images to describe their preaching identity Responding to social crisis after social crisis preachers most often lean toward the roles of pastor prophet or somewhere on the spectrum in between the two Juggling between these images and their associated roles on a week to week basis can be exhausting But there is an ancient image of the preacher that may help the preacher as teacher The image of teacher has traditionally focused on content and

rhetorical aspects of preaching the preacher is conveying information modeling theological reasoning or effecting a certain pulpit style But rather than focusing on traditional concepts of teaching to determine the content form style or delivery of sermons the field of critical pedagogy represented by notable figures such as Paulo Freire Henry Giroux Peter McLaren and bell hooks offers a way of re envisioning the preacher as teacher Recasting the preacher as teacher through the lens of critical pedagogy grounds the image of teacher in an ethical framework inviting preachers to redefine their public roles stand in relationships of solidarity with communities of faith break the silences of taboos tackle tough issues and re imagine the world in the shape of the kingdom of God *Preaching and Teaching from the Old Testament* Walter C. Kaiser,

Jr.,2003-03-01 Viewed as antiquated and remote the Old Testament is frequently neglected in the preaching and teaching ministry of the church But contrary to the prevailing attitude might the Old Testament contain relevant and meaningful application for today Renowned author and scholar Walter Kaiser shows why the Old Testament deserves equal attention with the New Testament and offers a helpful guide on how preachers and teachers can give it the full attention it deserves Growing out of his teaching material from the last decade *Preaching and Teaching from the Old Testament* demonstrates Kaiser s celebrated straightforward exposition Offering an apologetic for the Christian use of the Old Testament the opening chapters deal with the value problem and task of preaching from it Following a discussion of the role of expository preaching Kaiser provides a practical focus by examining preaching and teaching from the texts of various genres A final chapter explores the relevance of the Old Testament in speaking to a contemporary audience Bible teachers pastors seminary students and professors will appreciate Kaiser s practical focus and relevant applications Additional helps include a glossary and suggested outlines and worksheets for expository preaching **The Teaching Minister** ,1991-01-01 With concise and practical guidelines for recovering the identity of the church Clark Williamson and Ronald Allen demonstrate that the central task of ministry is teaching the Christian faith The authors believe that how well ministers understand what is required of them and how well they do what is required of them is part of the problem of churches today as well as part of the solution

The God of the Dangerous Sermon Frank A. Thomas, 2021-10-19 Learn to engage with a dangerous God to preach the sermons your community needs today Every sermon has a theology and a god of that theology behind it Preaching is more effective and has more integrity when preachers understand the god behind their theology Specifically whether the god is a universal God like the one expressed by Christ and the Christian faith or a tribal god which is sometimes dressed up to resemble Christianity but is something else entirely Frank A Thomas culminates his exploration of the Dangerous Sermon with this book which leads readers through the process of identifying and understanding the gods behind theology and their connection to preaching The reader is equipped to discern the metaphors symbols and rhetorical indicators which point to the god a preacher is serving and calling others to serve Praise for The God of the Dangerous Sermon Enlightening vibrant and memorable A vital resource for anyone who seeks to preach substantive sermons Donyelle McCray Associate Professor of Homiletics Yale Divinity School New Haven CT With dexterous and definitive argument Thomas compels preachers to be accountable for the God behind their rhetoric Karoline M Lewis Marbury E Anderson Chair of Biblical Preaching Professor of Biblical Preaching Luther Seminary St Paul MN The God of the Dangerous Sermon and its two companion books will raise up the next wave of preachers who simultaneously nurture faith communities and bear witness to the God of justice we know in the face of Jesus Christ Gregory V Palmer Resident Bishop of the Ohio West Episcopal Area United Methodist Church Warning to all preachers Do not open this book by Frank Thomas unless you are ready to be changed No one else lays out the promise and perils of preaching with such clarity and compassion I know I do not live up to the call of the God of the Dangerous sermon every single Sunday but Frank Thomas sure makes me want to Great teachers and preachers will do that Lillian Daniel senior pastor of First Congregational Church in Dubuque IA author of Tired of Apologizing for a Church I Don t Belong To In God of the Dangerous Sermon Frank Thomas refines his theoretical vision of celebration in African American preaching and demonstrates how and why theological content is at the heart of his project For Thomas celebration is rhetorical theology made possible because of the actions and character of a God whose divine performance consists of healing the brokenhearted liberating the oppressed and refusing to be tribal A legend in his time this is Thomas at the height of his native genius and creative powers Kenyatta R Gilbert professor of homiletics Howard University School of Divinity Washington DC author of Exodus Preaching Crafting Sermons about Justice and Hope from Abingdon Press
