Raising Big Smiling Squash Kids Richard Millman,Georgetta Morque,2006 Offering a complete roadmap to all the game has to offer this resource offers practical advice ranging from the best age to get your kid started in squash to pursuing a career in professional squash to finding ways squash players can give back to their communities *Teaching Squash* ,1986

A Brief Course in the Teaching Process George Drayton Strayer,1911 *Teaching Politically* May Hawas,Bruce Robbins,2025-07-01 Culture is inextricable from politics This includes the politics of who we are as teachers intellectuals writers cultural workers and students and what we want to bring to and take from the site of instruction It also includes the politics of who we want to be as citizens professionals and active contributors to our communities and to the world in general and what we can be realistically in the particular contexts in which we live Teaching Politically addresses some of the political constraints that shape our pedagogical spaces especially in the teaching of literature The book brings together a global group of academics activists public intellectuals poets and novelists to examine the way politics manifest pedagogically and how a commitment to educating manifests politically in and beyond the classroom At the heart of the discussion is how political and professional paradigms chafe against intersect with or otherwise become inseparable from each other in any vocation that attempts to educate from writing journalism and public speaking to art activism and medicine Contributors Dimitris Christopoulos Dimitri Dimoulis Khaled Fahmy Rishi Goyal May Hawas Bonnie Honig Mona Kareem Benjamin Mangrum Nora Parr Bruce Robbins Ahdaf Soueif Omid Tofighian Elahe Zivardar *The American Primary Teacher* ,1901

100 Ideas for Primary Teachers: Maths Shannen Doherty,2021-05-13 No matter what you teach there is a 100 Ideas title for you The 100 Ideas series offers teachers practical easy to implement strategies and activities for the classroom Each author is an expert in their field and is passionate about sharing best practice with their peers Each title includes at least ten additional extra creative Bonus Ideas that won t fail to inspire and engage all learners Offering 100 fun practical ideas for teaching primary maths this is the perfect resource for teachers looking for creative ways to vary their practice The activities cover the entire maths National Curriculum for Key Stages 1 and 2 from number and place value to fractions measurement geometry and algebra The ideas are rooted in a mastery approach and are designed to support both struggling and able learners but they can easily be embedded into any teaching method and work brilliantly in all classrooms Whether you re looking to grow your confidence find new inspiration or simply need one off ideas this is a must have toolkit for you From teaching proportion using playing cards to setting up a classroom shop to practise currency calculations this book includes games starters and open ended investigations as well as tips for stretch and challenge These ideas are designed to save teachers time keep all children engaged and put the magic back into maths Gig John Bowe,Marisa Bowe,Sabin

Streeter,2009-02-04 An engaging humorous revealing and refreshingly human look at the bizarre life threatening and delightfully humdrum exploits of everyone from sports heroes to sex workers Douglas Rushkoff author of Coercion Ecstasy Club and Media Virus This wide ranging survey of the American economy at the turn of the millennium is stunning surprising and always entertaining It gives us an unflinching view of the fabric of this country from the point of view of the people who keep it all moving The more than 120 roughly textured monologues that make up Gig beautifully capture the voices of our fast paced and diverse economy The selections demonstrate how much our world has changed and stayed the same in the three decades prior to the turn of the millennium If you think things have speeded up become more complicated and more technological you re right But people s attitudes about their jobs their hopes and goals and disappointments endure Gig s soul isn t sociological it s emotional The wholehearted diligence that people bring to their work is deeply inexplicably moving People speak in these pages of the constant and complex stresses nearly all of them confront on the job but nearly universally they throw themselves without reservation into coping with them Instead of resisting work we seem to adapt to it Some of us love our jobs some of us don t but almost all of us are not quite sure what we would do without one With all the hallmarks of another classic on this subject Gig is a fabulous read filled with indelible voices from coast to coast After hearing them you ll never again feel quite the same about how we work
