

The Teaching Profession

Chapter 1. Teaching as a Profession

Professional implies one who possesses skill and competence/ expertise. A professional is one who conforms to the technical or ethical standards of a profession.

Elements of Profession

1. Initial Professional Education- This means long and arduous years of preparation. Professional expected to learn endlessly.
2. Accreditation- University programs are approved by a regulatory body like the Commission on Higher Education (CHED) in the Philippines to ensure that graduates from these recognized programs start their professional lives with competence.
3. Licensing – Licensing is mandatory, not voluntary and is administered by a government authority.
4. Professional Development- In the Philippines , this is Continuing Professional Development mandated by RA 10912 otherwise known as the CPD Act of 2016.
5. Professional Societies- These professional societies put dedication to the public interest and commitment to moral and ethical values. Professional societies define certification criteria, manage certification programs ,establish accreditation standards and define a code of ethics and disciplinary action for violations of that code.
6. Code of Ethics - Professionals can be ejected from their professional societies or lose their licenses to practice for violating their code ethics.

The teaching profession is governed by the Code of Ethics for Professional Teachers, Violation of the Code of Ethics for professional teachers is one of the grounds for the revocation of the professional teacher's Certificate of Registration and suspension from the practice of the teaching profession (Sec.23,RA. 7836)

The Historical Development of Teaching as a Profession in the Philippines

- The first legal document that professionalized teaching was Presidential Decree 1006 issued by then President Ferdinand E. Marcos.
