Tears Of Things:

The Tears of Things Richard Rohr, 2025-03-04 NEW YORK TIMES BESTSELLER In his first major work since *The Universal Christ* one of our most prominent spiritual voices offers a wholehearted and hope filled model for the world today grounded in the timeless wisdom of the Hebrew prophets Richard Rohr is one of the great Christian spiritual masters of our time Of any time James Martin SJ author of *Come Forth* How do we live compassionately in a time of violence and despair What can we do with our private disappointments and the anger we feel in such an unjust world In his most personal book yet Richard Rohr turns to the writings of the Jewish prophets revealing how some of the lesser read books of the Bible offer us a crucial path forward today The prophets writings reflect the full spectrum of human maturity In almost every case their initial rage and their accusatory words evolve into a profound pathos and lamentation about our shared human condition and the world s suffering Through astute critiques of culture and institutions and their journey from anger to sadness and ultimately compassion the prophets exemplify what Rohr calls sacred criticism a distinct approach to confronting evil and injustice that acknowledges the wholeness of history the interconnectedness of every living being and the reality of a divine and universal love In this they set the stage for Jesus who follows this identical pattern Drawing on a century of biblical scholarship and written in the warm pastoral voice that has endeared Rohr to millions *The Tears of Things* breathes new life into ancient wisdom It paves a path of enlightenment for anyone seeking a compassionate way of living in a hurting world
