The Accessible Aunt:

The Accessible Aunt Vanessa Gray,1992-01-01 **Navigating Life's Sling Shots & Leading from Within** Dr. Lateshia Woodley,2021-05-23 This project was birth out of the desire to bring awareness to the plight of women in leadership The concept of the sling shot is used as a metaphor for life When we think of a sling shot we think of a toy sometimes used to teach students about physics In this book the concept of the sling shot provides the premise that all the negative situations we face in life act as sling shots Although being pulled and stretched by people and situations can be viewed as negative during the experience in retrospect it can be viewed as preparation designed to maximize our impact and influence The amazing thing about this concept is that upon Breaking Free from the Grip of Life Sling Shots just like the ball in a sling shot experiment one s life has the opportunity to propel at a high rate speed toward one s destiny and the individual is provided the opportunity to achieve at levels that seem impossible to others The challenge is how to maintain one s moral and ethical values when faced with the adversity of dealing with Life s Sling Shots **Influencing Small Business Investment in Enterprise Zones** United States. Congress. Senate. Committee on Small Business,1982 **On Main Street** Prudence Hatch McMann,2000 On Main Street illuminates the lives of people from earlier generations who influenced the author The book captures the essence and innocence of a Maine town when communities were more insular and self sufficient While the individual events are those of Dexter they reflect an era of great change in America The stories universal themes combine the child s sense of wonder with the adult s observations and experience On Main Street is about change and loss connections and ironies nostalgia and realities It is told with subtle self deprecating humor new found wisdom and insight This book will be enjoyed by an audience spanning several generations On Main Street celebrates the lives of the author s family members a grandfather who is known for his egocentricities and eccentricities his children who grew up in two very different worlds and a great aunt whose strength of character shines through This book also details the lives of ordinary people and unusual characters in the community from Louis Chabot who worked the looms at Amos Abbott Woolen Mill to Jere Abbott son of the mill owner who became a co founder of the Museum of Modern Art in New York City and a benefactor of Colby College s art museum **The Track** Jennifer Fox,2022-08-05 On what otherwise seemed to be an ordinary spring night in 1994 Jennifer Foster a young struggling single mother receives an unexpected phone call What she learns is anything but ordinary There has been an unusual accident and the details are unclear however she learns that her younger brother a popular high school football star scheduled to graduate from high school in six weeks has been involved When she arrives at the hospital the scene is horrifying causing her to flashback in her mind to a journey through childhood and adolescence growing up in a small town in rural Upstate New York in a family that has up to this point endured their fair share of trials Now facing her biggest challenge yet as her hometown community is devastated and her family has made headline news Jennifer grapples to make sense of the broken fragments of a shattered life After years of battling unanswered questions nineteen years later in a

mind boggling twist of events a mysterious note from a stranger changes this family's world and perspective of life after death forever This emotionally charged book summons readers along on a journey through a phenomenally inspirational story that will usher you directly into the heart and nature of God amid unfathomable human suffering and tragedy In a fallen world filled with so much pain and suffering THE TRACK wrestles with difficult questions such as Is Heaven real Is there life after death Is there a God and is He really in control If so is He good where is He during unspeakable tragedy and how can anything good come from pain loss and human suffering The answers this family gets will astound you and perhaps transform you as much as they did them You are personally invited to follow along and begin your very own journey on THE TRACK that leads to triumph No matter where you are or where you have been this story has the power to absolutely change your life

The Face of the Fox Frederick O. Gearing, 2017-07-28 In *The Face of the Fox* an anthropological and sociological study of the Fox American Indians the Mesquakie their actual tribal name who live just outside Tama Iowa Frederick Gearing puts a face on the peoples of this tribe In doing so Gearing particularly deals with the estrangement of the Fox Indians and the Westerners surrounding them He defines the concept of estrangement as including feelings of contempt indifference and pity often leading to misplaced hurt and hate on both sides Specifically he states that when one is estranged he is unable to relate because he cannot see enough to relate to which is a type of social disconnect Estrangement shackles both parties leaving them unable to connect with one another Finding this is more of a cognitive mental processing problem Gearing proposes gaining control of the mind believing the opposite of being estranged is to find a people believable and real The way to do this is to educate each estranged group about the other and put a face on each group Educating Westerners about the Fox people they live next to Gearing describes their community their social structure their culture their language and some of its many meanings and their view of themselves and how they view their future Attempting to end estrangement and engender endearment and understanding *The Face of the Fox* will be of interest to anthropologists and sociologists focusing on the American Indian

The Aunt's Mirrors Damien Freeman, 2014-09-01 On the top shelf in his aunt's dressing room Damien Freeman discovered a collection of family memorabilia that told a story he had always assumed to be perfectly unexceptional *The Aunt's Mirrors* reveals an unexpected story of how an immigrant family from Poland made a new life whilst continuing an old one in 19th century Beechworth Grafton Rylstone and Sydney through the shared sense of meaningfulness that permeated the lives of seven generations of this Australian Jewish family

Opening The Door Frankford Friends School, 2015-05-02 Stories written by children in the sixth grade at Frankford Friends School in Philadelphia Given the opening sentence As soon as I opened the door I knew my life would change forever every child finished the story in a quite different way A fascinating glimpse into one teacher's way of getting children excited about creative writing **Dr.**

Directions in Functional Linguistics Akio Kamio,1997-11-20 Functional linguistics is concerned with the function of language and considers it an essence of human language Views like this is not particularly new but rather traditional in the history of linguistics But today functional linguistics is constituted by a wide range of theoretical and methodological concerns What unifies them as functional is the concern with discourse This is quite natural since language can only function in discourse not as isolated sentences This collection of papers reflects some of the major approaches and methodologies in contemporary functional linguistics in Japan and the United States Based on the fundamental concerns with discourse the nine articles deal with a variety of up to date topics in functionalism and present numerous analyses discussing from the question of basic grammatical categories to the inadequacy of some representative analyses in formal linguistics

This book is intended for readers with a wide scope of interest for example for those who are interested in discourse and conversational analysis information structure modality aspect morphology and syntax Readers will learn how various contemporary functional linguistics is and yet how fundamental the role of discourse is throughout the functional inquiry in language

Amazonian Linguistics Doris L. Payne, 2014-06-23 Lowland South American languages have been among the least studied in the world Consequently their previous contribution to linguistic theory and language universals has been small However as this volume demonstrates tremendous diversity and significance are found in the languages of this region These nineteen essays originally presented at a conference on Amazonian languages held at the University of Oregon offer new information on the Tupian Cariban Jivaroan Nambiquaran Arawakan Tucanoan and Makuan languages and new analyses of previously recalcitrant Tup Guaran verb agreement systems The studies are descriptive but typological and theoretical implications are consistently considered Authors invariably indicate where previous claims must be adjusted based on the new information presented This is true in the areas of nonlinear phonological theory verb agreement systems and ergativity grammatical relations and incorporation and the uniqueness of Amazonian noun classification systems The studies also contribute to the now extensive interest in grammatical change

The Road Taken Rona Jaffe, 2014-02-18 The masterful author of *Class Reunion* offers this ambitious story of choices chances and fate spanning four generations of an unforgettable American family Rose Smith is born in the very beginning of 1900 the year that ushered in the most rapidly changing century in history At the age of ten Rose loses her mother and must learn to become independent and adaptable As she grows up and begins a family of her own she and her three daughters are a vital part of the country's rapid growth during a turbulent era These women all different all fiercely willed will make courageous sometimes reckless choices in their lives as they move boldly through a new world Yet they will be united by an inner strength that will withstand life's most chaotic demands helping each to accept tragedy embrace joy and ultimately find redemption PRAISE FOR RONA JAFFE Reading Rona Jaffe is like being presented with a Cartier watch you know exactly what you're getting and it's exactly what you want Cosmopolitan Vivid and trenchant Wry and very readable A minor genius New York Times Book Review Jaffe has not lost her wit her keen eye for human frailties and her ear for the small but telling remark Publishers Weekly
