The Acts Of A Pagan Jew:

On Pagans, Jews, and Christians Arnaldo Momigliano, 1987-11 An analysis of the relationships between pagan Greece imperial Rome Judaism and Christianity The Acts of a Pagan Jew Nina Galen, 2005-03-28 The Jews of Egypt Joseph Modrzejewski, 1995 This is the story of the adventures and misadventures of the Jewish people in the land of Egypt The author uses the clear light of scientific analysis and archaeological research to illuminate the reality underlying the images from the Biblical accounts and Jewish and pagan literary texts through the great love affair between Jews and Hellenic culture It ends with the brief but crucial episode when budding Christianity and the Alexandrian Jews parted company

The Jews Among Pagans and Christians in the Roman Empire Judith Lieu, John North, Tessa Rajak, 2013-04-15 In the period of Roman domination there were communities of Jews some still in Palestine some dispersed in and around the Roman Empire they had to face at first the world wide power of the pagan Romans and later on the emergence of Christianity as an Empire wide religion How they coped with these dramatic changes and how they influenced the new forms of religious life that emerged in this period provide the main themes of The Jews Among Pagans and Christians Essays by the leading scholars in the field together with the introduction by the editors offer new approaches to understanding the role of Judaism and the pattern of religious interaction characteristic of the period **The Acts of the Apostles: The Jewish, Gentile and**

Christian backgrounds Kirsopp Lake, 1920 **The Acts of a Pagan Jew** Nina Galen, 2005 Here is history from the Crucifixion to the fall of Jerusalem seen through the eyes of a young Jewish arena cleaner who is placed by Chance in the very womb of Christianity at the very heart of Imperial Rome In this prophecy driven tale of love longing and revenge meet Paul of Tarsus St Paul the gospels Mark and Luke Pontius Pilate Caligula the generals Vespasian and Titus three notorious Greek anti Semites and some remarkable women Accompany Paul on the road to Damascus and share his last voyage Witness the burning of Nero s Rome the horrors of the Roman Jewish war the life and death of a great black gladiator and seated beside Caligula observe the strange encounter between a man named Androcles and a lion **Golden Calf**

Traditions in Early Judaism, Christianity, and Islam Eric F. Mason, Edmondo F. Lupieri, 2018-10-16 The seventeen studies in Golden Calf Traditions in Early Judaism Christianity and Islam explore the biblical origins of the golden calf story in Exodus Deuteronomy and 1 Kings as well as its reception in a variety of sources Hebrew Scriptures Hosea Jeremiah Psalms Nehemiah Second Temple Judaism Animal Apocalypse Pseudo Philo Philo Josephus rabbinic Judaism the New Testament Acts Paul Hebrews Revelation and early Christianity among Greek Latin and Syriac writers as well as the Qur an and Islamic literature Expert contributors explore how each ancient author engaged with the calf traditions whether explicitly implicitly or by clearly and consciously avoiding them and elucidate how the story was used both negatively and positively for didactic allegorical polemical and even apologetic purposes Augustine and the Jews Paula Fredriksen, 2010-10-12 Now in paperback with a new postscript this updated edition of Paula Fredriksen s critically

acclaimed Augustine and the Jews traces the social and intellectual forces that led to the development of Christian anti Judaism and shows how and why Augustine challenged this tradition Drawing us into the life times and thought of Augustine of Hippo 396 430 Fredriksen focuses on the period of astounding creativity that led to his new understanding of Paul and to his great classic The Confessions She shows how Augustine s struggle to read the Bible led him to a new theological vision one that countered the anti Judaism not only of his Manichaean opponents but also of his own church The Christian Empire Augustine held was right to ban paganism and to coerce heretics But the source of ancient Jewish scripture and current Jewish practice he argued was the very same as that of the New Testament and of the church namely God himself Accordingly he urged Jews were to be left alone Conceived as a vividly original way to defend Christian ideas about Jesus and about the Old Testament Augustine s theological innovation survived the collapse of the Western Roman Empire and it ultimately served to protect Jewish lives against the brutality of medieval crusades Augustine and the Jews sheds new light on the origins of Christian anti Semitism and through Augustine opens a path toward better understanding between two of the world s great religions

Fallen Angels and the History of Judaism and Christianity Annette Yoshiko Reed, 2005-11-28 This book considers the early history of Jewish Christian relations focussing on the fallen angels

The Literary Construction of the Other in the Acts of the Apostles Mitzi J. Smith, 2011-01-01 Too often the negative characterization of others in the biblical text is applied to groups and persons beyond the text whom we wish to define as the Other Otherness is a synthetic and political social construct that allows us to create and maintain boundaries between them and us The other that is too similar to us is most problematic This book demonstrates how proximate characters are constructed as the Other in the Acts of the Apostles Charismatics Jews and women are proximate others who are constructed as the external and internal Other

Jews in East Norse Literature Jonathan Adams, 2022-12-05 What did Danes and Swedes in the Middle Ages imagine and write about Jews and Judaism This book draws on over 100 medieval Danish and Swedish manuscripts and incunabula as well

as runic inscriptions and religious art c 1200 1515 to answer this question There were no resident Jews in Scandinavia before the modern period yet as this book shows ideas and fantasies about them appear to have been widespread and an integral part of life and culture in the medieval North Volume 1 investigates the possibility of encounters between Scandinavians and Jews the terminology used to write about Jews Judaism and Hebrew and how Christian writers imagined the Jewish body The mis use of Jews in different texts especially miracle tales exempla sermons and Passion treatises is examined to show how writers employed the figure of the Jew to address doubts concerning doctrine and heresy fears of violence and mass death and questions of emotions and sexuality Volume 2 contains diplomatic editions of 54 texts in Old Danish and Swedish together with translations into English that make these sources available to an international audience for the first time and demonstrate how the image of the Jew was created in medieval Scandinavia *Paul within Paganism* Alexander

Chantziantoniou, Paula Fredriksen, Stephen L. Young, 2025-11-04 A collaborative project this work introduces a burgeoning new approach to the study of Paul which contextualizes the pagans apostle within the wider world of ancient Mediterranean religion so called paganism The anthology assembles cutting edge essays from both senior and rising scholars whose contributions collectively demonstrate how Paul s Jewish religious program is native to the ancient Mediterranean While providing a go to introductory resource for teachers and scholars of biblical studies the essays are pitched to be accessible for students both liberal arts and divinity in order to invite seminarians and church groups to think in religious studies ways about Paul s letters This volume explores in particular how Paul positively avails himself of ideas and activities constitutive of his own time and place such as divination deification magic idols and a host of other social practices traditionally attributed to pagans and so emphatically denied of Jews and Christians At the same time it interrogates how features of Paul s letters traditionally categorized as exclusively Jewish such as his use of scripture his claims about faith his ideas about law and his focus on foreskin are themselves evidence of Paul s participation in wider Mediterranean ways of promoting engagement with the numinous Paul operated within paganism even at his supposedly most Jewish points Just as the Paul within Judaism movement emphasizes Judaism not primarily as the contrast to but rather as the context for and content of Paul s gospel Paul within Paganism does the same for Paul in relation to wider Greco Roman culture Paul and his Judaism emerge here as instances of not exceptions to ancient Mediterranean religion *Jews, Pagans and Christians in Conflict* D.

Rokeah, 2022-07-11 **Jewish Martyrs in the Pagan and Christian Worlds** Shmuel Shepkaru, 2006 This book presents a linear history of Jewish martyrdom from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choose between death and conversion in medieval Christendom

Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaism differed from Christianity they in fact reveal a common mindset **Peter, Paul, and Mary Magdalene** Bart D Ehrman,2008-04-24 From the Publisher Bart Ehrman author of the bestsellers *Misquoting Jesus* and *Truth and Fiction in The Da Vinci Code* here takes readers on another engaging tour of the early Christian church illuminating the lives of three of Jesus most intriguing followers Simon Peter Paul of Tarsus and Mary Magdalene **The Acts of the Apostles: The Jewish, Gentile and Christian backgrounds** Frederick John Foakes-Jackson,Kirsopp Lake,1920 *Understanding the Jewish Roots of Christianity* Gerald McDermott,2021-03-17 How Jewish is Christianity The question of how Jesus followers relate to Judaism has been a matter of debate since Jesus first sparred with the Pharisees The controversy has not abated taking many forms over the centuries In the decades following the Holocaust scholars and theologians reconsidered the Jewish origins and character of Christianity finding points of continuity *Understanding the Jewish Roots of Christianity* advances this discussion by freshly reassessing the issues Did Jesus intend to form a new religion Did Paul abrogate the Jewish law Does the New Testament condemn Judaism How and when did Christianity split from Judaism How should Jewish believers in Jesus relate to a largely gentile church What meaning do the Jewish origins of Christianity have for theology and practice today In this volume a variety of leading scholars and theologians explore the relationship of Judaism and Christianity through biblical historical theological and ecclesiological angles This cutting edge scholarship will enrich readers understanding of this centuries old debate *Hidden Criticism of the Angry Tyrant in Early Judaism and the Acts of the Apostles* , Drew J. Strait,2019-07-31 *Hidden Criticism of the Angry Tyrant in Early Judaism and the Acts of the Apostles* adds to the current literature of imperial critical New Testament readings with an examination of Luke s hidden criticism of imperial Rome in the Acts of the Apostles and in Paul s speech on the Areopagus in Acts 17 Focusing on discursive resistance in the Hellenistic world Drew J Strait examines the relationship between hidden criticism and persuasion and between subordinates and the powerful and he explores the challenge to the dissident voice to communicate criticism while under surveillance Strait argues that Luke confronts the idolatrous power and iconic spectacle of gods and kings with the Gospel of the Lord of all a worldview that is incompatible with the religions of Rome including emperor worship **Religious Competition in the Third Century CE: Jews, Christians, and the Greco-Roman World** Jordan D. Rosenblum,Lily Vuong,Nathaniel DesRosiers,2014-10-01 The essays in this work examine issues related to authority identity or change in religious and philosophical traditions of the third century CE This century is of particular interest because of the political and cultural developments and conflicts that occurred during this period which in turn drastically changed the social and religious landscape of the Roman world The specific focus of this volume edited by Jordan D Rosenblum Lily Vuong and Nathaniel DesRosiers is to explore these major creative movements and to examine their

strategies for developing and designating orthodoxies and orthopraxies Contributors were encouraged to analyze or construct the intersections between parallel religious and philosophical communities of the third century including points of contact either between or among Jews Christians pagans and philosophers As a result the discussions of the material contained within this volume are both comparative in nature and interdisciplinary in approach engaging participants who work in the fields of Religious Studies Philosophy History and Archaeology The overall goal was to explore dialogues between individuals or groups that illuminate the mutual competition and influence that was extant among them and to put forth a general methodological framework for the study of these ancient dialogues These religious and philosophical dialogues are not only of great interest and import in their own right but they also can help us to understand how later cultural and religious developments unfolded
