**History as Mystery** Michael Parenti, 2016-08-22 In a lively challenge to mainstream history Michael Parenti does battle with a number of mass marketed historical myths He shows how history s victors distort and suppress the documentary record in order to perpetuate their power and privilege And he demonstrates how historians are influenced by the professional and class environment in which they work Pursuing themes ranging from antiquity to modern times from the Inquisition and Joan of Arc to the anti labor bias of present day history books History as Mystery demonstrates how past and present can inform each other and how history can be a truly exciting and engaging subject Michael Parenti always provocative and eloquent gives us a lively as well as valuable critique of orthodoxy posing as history Howard Zinn author of A People s History of the United States Deserves to become an instant classic Bertell Ollman author of Dialectical Investigations Those who keep secret the past and lie about it condemn us to repeat it Michael Parenti unveils the history of falsified history from the early Christian church to the present a fascinating darkly revelatory tale Daniel Ellsberg author of The Pentagon Papers Solid if surely controversial stuff Kirkus

**Encyclopedia of Renaissance Philosophy** Marco Sgarbi, 2022-10-27 Gives accurate and reliable summaries of the current state of research It includes entries on philosophers problems terms historical periods subjects and the cultural context of Renaissance Philosophy Furthermore it covers Latin Arabic Jewish Byzantine and vernacular philosophy and includes entries on the cross fertilization of these philosophical traditions A unique feature of this encyclopedia is that it does not aim to define what Renaissance philosophy is rather simply to cover the philosophy of the period between 1300 and 1650

The Emergence of Christianity Cynthia White, 2010-10-01 This brief survey text tells the story of early Christianity Cynthia White explores the emergence of Christianity in Rome during the first four centuries of the Greco Roman empire from the first followers of Jesus Christ to conflicts between Christians and Jewish kings under Roman occupation to the torture of Christian followers Diocletian s reforms and Constantine s eventual conversion to monotheism which cemented Christianity s status as the official religion of Rome The text s chapters will integrate key pedagogy including introductions study questions textboxes photos maps suggested readings and a glossary and timeline

The Making of a Christian Empire Elizabeth DePalma Digeser, 2000 The Making of a Christian Empire is the first full length book to interpret the Divine Institutes as a historical source Exploring Lactantius s use of theology philosophy and rhetorical techniques Digeser perceives the Divine Institutes as a sophisticated proposal for a monotheistic state that intimately connected the religious policies of Diocletian and Constantine both of whom used religion to fortify and unite the Roman Empire

BOOK JACKET *Vipers of New Rome* Max Fram, 2018-07-09 This is an unconventional non fiction story of the somewhat stereotypical evil empresses of Constantinople Eirene Theophano and Zoe

presented in the historical context of the successively emerging flourishing and declining Byzantine Empire This is a thrilling tale of three ambitious women and at the same time a dark story of three highly controversial individuals who may have loved their husbands and children but intrigued betrayed poisoned maimed and killed for power This is also the story of the imperial court and the Great Palace of New Rome Constantinople medieval Europe s greatest metropolis and its people This is a study of Byzantine society and its dominant power players the imperial family the arrogant military the fractious clergy and the ever conspiring eunuch bureaucracy More than anything this book is about people who lived and breathed in early medieval times

Eusebius Aaron P. Johnson,2013-12-17 Eusebius of Caesarea 263 339 CE is one of the most important intellectuals whose writings survive from late antiquity His texts made lasting and wide ranging contributions from history writing and apologetics to biblical commentary and Christian oratory He was a master of many of the literary and scholarly traditions of the Greek heritage Yet he left none of these traditions unaltered as he made brilliant and original experiments in the many genres he explored Aaron P Johnson offers a lively introduction to Eusebius chief oeuvre while also discussing recent scholarship on this foundational early Christian writer Placing Eusebius in the context of his age the author provides a full account his life including the period when Eusebius controversially sought to assist the heretic Arius He then discusses the major writings apologetic treatises the pedagogical and exegetical works the historical texts the anti Marcellan

**Basileus** Weston Barnes,2019-02-25 This is a book on emperors of Byzantine Empire in Christian Greek dominion that ruled Late Antique and Medieval East Europe from 330 to 1453 CE as the inherited Roman state that fell in Western Rome in 476 CE From the golden renowned Queen of Cities Constantinople city of Constantine holy men travelers pilgrims merchants ambassadors and many other people from all walks of life filled its streets Finally there was the emperor the master of this city and an empire once stretching from the Black Sea to Spain until its fall to the powerful Turks in the fifteenth century In a line of Basilioi triumph tragedy trust and betrayal

were lifelong dramas for the men and women in the purple sitting on the palace throne      *The History of Christianity* Dyron B. Daugherty, 2019-07-08 Christianity has been accused of being misogynistic pro slavery and anti science and some say it is finally beginning its long decline This book provides an entirely different side to the stories about this faith Why did Christianity become the largest religion in the world Is it because it was misogynistic pro slavery anti science and set on condemning those who didn't join it This book investigates many of the misconceptions about Christianity and argues that there are good reasons this faith has become the world's largest The book includes chapters on various misconceptions related to the history of Christianity such as the beliefs that Jesus was a meek and mild carpenter the Roman emperor Constantine was insincere in his Christian faith medieval Europe was devoutly Christian and Christianity was anti science Each chapter explores how the historical misconception developed and spread and offers what we now believe to be the historical truth contradicting the fiction Excerpts from primary source documents provide evidence for the historical misconceptions and truths and help readers to respond critically to claims about Christian history      **Little Sister** Bob Halliday, 2014-03-18 The Christian state church emerged from the religion of pagan Rome A declining western empire gave the church political power but provoked conflict between church and state In the Scottish post Reformation Stewart monarchy the king claimed to control the church by divine right Covenanters exchanged state control for a theocracy built on the idea that Scotland like Israel had a God given destiny As the purest kirk in Christendom nation and kirk were the political and religious faces of one body Like pre Christian Israel Scotland was one of the only two nations ever covenanted to the Lord This idea owed more to political pressure than theological insight Today a mindset survives which still refuses to separate kirk from nation and thereby undermines the missionary calling The urgent need is to recognize that God made a covenant with Israel alone and to think in terms of a second Israel was to misunderstand the development of church history Today's Kirk must see herself not as the representative of the Christian faith of the Scottish people to bring the ordinances of religion to the people in every parish of Scotland but as the representative of Christ with an apostolic mandate for evangelism      **The Roman Empire** James W. Eder, 2018-05-01 Covering material from the time of Julius Caesar to the sack of Rome this topically arranged reference set provides substantive entries on people cities government institutions military developments material culture and other topics related to the Roman Empire The Roman Empire was one of the greatest and most influential forces of the ancient world and many of its achievements endure in one form or another to this day Because of its geographic breadth cultural diversity and overall complexity it is also one of the most difficult organizations to understand This book focuses on the Roman Empire from the time of Julius Caesar to the sack of Rome While most references on the Roman world provide a series of alphabetically arranged entries this work is organized in broad topical chapters on government and politics administration individuals groups and organizations places events military developments and objects and artifacts Each section provides 20 to 30 substantive entries along with an overview essay The

work also provides a selection of primary source documents and closes with a bibliography of important print and electronic resources

**Conversion Among the Germanic Peoples** Carole M. Cusack, 1998-11-06 This book is a study of the process of conversion among the Germanic peoples from the third to eleventh centuries The intention is twofold firstly to examine previous scholarship on conversion and to develop a model of conversion appropriate to the Germanic peoples and secondly to produce a comparative study of six Germanic conversions Chapter 1 reviews the existing models of conversion developed by scholars in a number of fields principally psychology anthropology and religious studies and develops an alternative model Chapters 2-7 are case studies which apply this model to the conversions of the Goths Franks Anglo Saxons continental Saxons Scandinavians and Icelanders The final chapter presents in summary form the insights from the case studies

**The Early Medieval World** Michael Frassetto, 2013-03-14 This book examines a pivotal period in ancient human history the fall of the Roman Empire and the birth of a new European civilization in the early Middle Ages The Early Medieval World From the Fall of Rome to the Time of Charlemagne addresses the social and material culture of this critical period in the evolution of Western society covering the social political cultural and religious history of the Mediterranean world and northern Europe The two volume set explains how invading and migrating barbarian tribes spurred by raiding Huns from the steppes of Central Asia contributed to the fall of the Western Roman Empire and documents how the blending of Greco Roman Germanic and Christian cultures birthed a new civilization in Western Europe creating the Christian Church and the modern nation state A-Z entries discuss political transformation changing religious practices in daily life sculpture and the arts material culture and social structure and provide biographies of important men and women in the transitional period of late antiquity The work will be extremely helpful to students learning about the factors that contributed to the decline of the Roman Empire an important and common topic in world history curricula

**Church and World** Simon P. Schmidt, 2020-02-14 In the world but not of it an expression that has been interpreted in a multitude of ways With the publication of Rod Dreher's much debated book The Benedict Option in 2017 the question of just how the church is to exist in but not of the world is once again on the minds of many To provide answers true to the context in which the Western church now finds itself it is worth first investigating how

the question has been answered in the past In determining what to do today it helps to understand how we got here in the first place At the beginning of the fourth century people were persecuted for being Christians by the end of the fourth century people were persecuted for not being Christians This book is an academic investigation of how three paradigmatic theologians interpreted this so called Constantinian shift Eusebius of Caesarea ca 260 339 Augustine of Hippo 354 430 and John Howard Yoder 1927 1997 Surprising similarities between the theology of Eusebius and Yoder become apparent and underlying theological structures of how to interpret what it looks like to be a community that follows Christ are revealed
