

# The Alamo

**James E. Crisp**

## The Alamo:

**What Was the Alamo?** Pam Pollack, Meg Belviso, Who HQ, 2013-10-03 Remember the Alamo is still a rallying cry more than 175 years after the siege in Texas where a small band of men held off about two thousand soldiers of the Mexican Army for twelve days The Alamo was a crucial turning point in the Texas Revolution and led to the creation of the Republic of Texas With 80 black and white illustrations throughout and a sixteen page black and white photo insert young readers will relive this famous moment in Texas history To the Last Man John Micklos Jr., John Micklos Jr, 2015-08 Examines the Battle of the Alamo including its causes leaders and results **Exodus from the Alamo** Phillip Thomas Tucker, 2020-01-10 The award winning historian provides a provocative new analysis of the Battle of the Alamo including new information on the fate of Davy Crockett Contrary to legend we now know that the defenders of the Alamo during the Texan Revolution died in a merciless predawn attack by Mexican soldiers With extensive research into recently discovered Mexican accounts as well as forensic evidence historian Phillip Tucker sheds new light on the famous battle contending that the traditional myth is even more off base than we thought In a startling revelation Tucker uncovers that the primary fights took place on the plain outside the fort While a number of the Alamo s defenders hung on inside most died while attempting to escape Capt Dickinson with cannon atop the chapel fired repeatedly into the throng of enemy cavalry until he was finally cut down The controversy surrounding Davy Crockett still remains though the recently authenticated diary of the Mexican Col Jos Enrique de la Pe a offers evidence that he surrendered Notoriously Mexican Pres Gen Antonio L pez de Santa Anna burned the bodies of the Texans who had dared stand against him As this book proves in thorough detail the funeral pyres were well outside the fort that is where the two separate groups of escapees fell on the plain rather than in the Alamo itself **Susanna of the Alamo** John Jakes, 1986 Relates the experiences of the Texas woman who along with her baby survived the 1836 massacre at the Alamo *Forget the Alamo* Bryan Burrough, Chris Tomlinson, Jason Stanford, 2021-06-08 A New York Times bestseller Lively and absorbing The New York Times Book Review Engrossing Wall Street Journal Entertaining and well researched Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo dispelling the myths exploring why they had their day for so long and explaining why the ugly fight about its meaning is now coming to a head Every nation needs its creation myth and since Texas was a nation before it was a state it s no surprise that its myths bite deep There s no piece of history more important to Texans than the Battle of the Alamo when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico losing the battle but setting Texas up to win the war However that version of events as *Forget the Alamo* definitively shows owes more to fantasy than reality Just as the site of the Alamo was left in ruins for decades its story was forgotten and twisted over time with the contributions of Tejanos Texans of Mexican origin who fought alongside the Anglo rebels scrubbed from the record and the origin of the conflict over Mexico s push to abolish slavery papered over *Forget the Alamo* provocatively explains the true story of the battle against the

backdrop of Texas's struggle for independence then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century As uncomfortable as it may be to hear for some celebrating the Alamo has long had an echo of celebrating whiteness In the past forty some years waves of revisionists have come at this topic and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone But we are not living in one of those times the fight over the Alamo's meaning has become more pitched than ever in the past few years even violent as Texas's future begins to look more and more different from its past It's the perfect time for a wise and generous spirited book that shines the bright light of the truth into a place that's gotten awfully dark     The Alamo 1836 Stephen L. Hardin, 2004 In 1836 Texan dissatisfaction with increasingly oppressive Mexican rule led to war with Santa Anna The story of this campaign including the epic siege of the Alamo is one of the most fascinating in military history     **Alamo Sourcebook, 1836** Timothy J. Todish, Terry Todish, Ted Spring, 1998 Describes the Siege and Battle of the Alamo and covers related aspects such as the facts and fiction of Davy Crockett Alamo heroes and leaders writings of the participants uniforms and weaponry Alamo movies and music and places to visit     *Remember The Alamo* J.A. Johnstone, William W. Johnstone, 2014-11-20 The Battle of the Alamo is about to be fought again in this thriller by the USA Today bestselling author William J Johnstone the author of Vengeance Is Mine and Invasion USA sounds another wake up call with his latest action packed novel set on America's most dangerous battleground its own border Remember the Alamo Only career politicians could dream up a stunt like this courting the growing Hispanic community that keeps them in office the geniuses in charge in San Antonio agree to grant temporary dominion over the Alamo to the Mexican government for a week long celebration That doesn't sit too well with Gulf War vet Phil Cody who remembers his Texas history With veterans from wars as far back as WWII Cody organizes a nonviolent protest on the day of the handover But word comes from Mexico that the reconquistadors anti American extremists determined to reassert Mexican control over the southwestern United States by the bloodiest means necessary are planning to take over the Alamo permanently Peace becomes war Despite ample warning the American authorities twiddle their thumbs when the reconquistadors make their move leaving it up to Cody and his band of patriots who are seriously outnumbered and outgunned to protect the Alamo Left out to dry by their own government history repeats itself as Americans are once again besieged and forced to take a stand to preserve their heritage When this battle is over America will have a new reason to remember the Alamo     Sleuthing the Alamo James E. Crisp, 2004-12-01 In Sleuthing the Alamo historian James E Crisp draws back the curtain on years of mythmaking to reveal some surprising truths about the Texas Revolution truths often obscured by both racism and political correctness as history has been hijacked by combatants in the culture wars of the past two centuries Beginning with a very personal prologue recalling both the pride and the prejudices that he encountered in the Texas of his youth Crisp traces his path to the discovery of documents distorted censored and ignored documents which reveal long silenced voices from the Texan past In each of four chapters focusing on specific

documentary finds Crisp uncovers the clues that led to these archival discoveries Along the way the cast of characters expands to include a prominent historian who tried to walk away from his first book an unlikely teenaged speechwriter for General Sam Houston three eyewitnesses to the death of Davy Crockett at the Alamo a desperate inmate of Mexico City's Inquisition Prison whose scribbled memoir of the war in Texas is now listed in the Guinness Book of World Records and the stealthy slasher of the most famous historical painting in Texas In his afterword Crisp explores the evidence behind the mythic Yellow Rose of Texas and examines some of the powerful forces at work in silencing the very voices from the past that we most need to hear today Here then is an engaging first person account of historical detective work illuminating the methods of the serious historian and the motives of those who prefer glorious myth to unflattering truth

**The Battle of the Alamo** Amie Jane Leavitt, 2008-01-01 Examines the 1836 battle the issues that led up to the siege and the events that followed after

**Eyewitness to the Alamo** Bill Groneman, 2001-06 Eyewitness to the Alamo is the actual account of the siege and Battle of the Alamo by those who were present during the attack This book is the first complete accounting of the Battle of the Alamo by one of our country's foremost authorities on the event

*Encyclopedia of the Alamo and the Texas Revolution* Thom Hatch, 2007-08-15 Remember the Alamo is a phrase that is woven into the American consciousness but what do most people really remember about the Alamo Much of the true story has been shrouded in myth for over 150 years This comprehensive encyclopedia provides thorough coverage for people places events and issues spanning the pre Revolution period and settlement of Texas by Americans to the forming of the Republic in 1836 When appropriate a mini chronology supplements the entry placing the discussion in context A day by day account details the thirteen day famous siege Entries cover major players such as Santa Anna Jim Bowie and David Crockett and provide biographies from obscure sources in some cases of every Alamo defender killed in the battle American and Mexican resources have been used to assure a well rounded picture of often misunderstood events Maps and an extensive bibliography complement the text

*Inherit the Alamo* Holly Beachley Brear, 1995-03-01 Myth and Ritual at an American Shrine Includes bibliographical references and index

**The Battle of the Alamo** Matt Doeden, 2005 The story of the 1836 battle of the Alamo told in comics format

*The Alamo* John Myers, 1973-01-01 The majority of the stories of the Alamo fight have been partly legendary partly hearsay and at best fragmentary It has been left to John Myers Myers to present an exhaustively researched book which reveals the chronicle of the siege of the Alamo in an entirely different light Myers story will stand as the best that has yet been written on the Alamo It's a classic Boston Post Here is a historian with the vitality and drive to match his subject A reporter of the first rank he can clothe the dry bones of history with the living stuff of which today's news is made Chicago Tribune John Myers Myers authored sixteen books including Doc Holliday and Tombstone's Early Years also available as Bison Books

**The Battle of the Alamo** Steven Otfinoski, 2019 Vivid storytelling brings American history to life and place readers in the shoes of twelve people who experienced an iconic moment of U S history the Battle of the Alamo In early 1836 a small group of Texas

volunteer soldiers occupied the Alamo fort and withstood a 13 day siege by a massive Mexican Army force Suspenseful dramatic events unfold in chronological interwoven stories from the different perspectives of people who experienced the event while it was happening Narratives intertwine to create a breathless What's Next kind of read Students gain a new perspective on historical figures as they learn about real people struggling to decide how best to act in a given moment

**The Alamo Remembered** Timothy M. Matovina, 2013-12-06 A collection of all known Tejano accounts of the Battle of the Alamo As Mexican soldiers fought the mostly Anglo American colonists and volunteers at the Alamo in 1836 San Antonio's Tejano population was caught in the crossfire both literally and symbolically Though their origins were in Mexico the Tejanos had put down lasting roots in Texas and did not automatically identify with the Mexican cause Indeed as the accounts in this new collection demonstrate their strongest allegiance was to their fellow San Antonians with whom they shared a common history and a common plight as war raged in their hometown Timothy M Matovina here gathers all known Tejano accounts of the Battle of the Alamo These accounts consist of first reports of the battle including Juan N Segu'n's funeral oration at the interment ceremony of the Alamo defenders conversations with local Tejanos unpublished petitions and depositions and published accounts from newspapers and other sources This communal response to the legendary battle deepens our understanding of the formation of Mexican American consciousness and identity A fascinating and much needed anthology of Tejano accounts of America's most storied battle There are no books like it in the field despite considerable publishing on the Alamo and the Texas revolt Paul Hutton Executive Director Western History Association The first full scale collection offers a rich insight into the formation of Mexican American identity in San Antonio The book speaks eloquently to a general audience trying to gain a more balanced perspective of the storied conflict at the Alamo Review of Texas Books Matovina's message is that historians who concentrate on the question of which side Tejanos joined or did not join miss the larger point for the Tejanos themselves the choice of sides during the revolt was not the overriding issue of their lives nor was it the touchstone of their identity What the Tejano accounts of the Alamo show Matovina argues is that the divisions engendered by the revolution failed to destroy what remained an amazingly cohesive community in which families friends and neighbors split apart by the war reunited in harmony in its aftermath Southwestern Historical Quarterly

**The Alamo** Michael Lind, 1997 An American epic about one of the great mythic moments in U S history the Texas Revolution the critical event in the complex and gradual takeover of Northern Mexico by Anglo Americans which culminated in the Mexican War It follows the linked but episodic adventures of William Barret Travis Davy Crockett and Jim Bowie through the siege and battle of the Alamo as they lead a vastly outnumbered Texas army of independence against the charismatic and ruthless Mexican general Antonio Lopez de Santa Anna

*The Mystery of the Alamo Ghost* Carole Marsh, 2011-01-01 One ghostly figure four kids in jail seven miles of snaky river too many clues and time is running out Four real kids visit the Alamo and become ensnarled in a mystery where clues take them along the River Walk and through old San Antonio on a mission to save the

Alamo and they learn a little history all along the way LOOK what s in this mystery people places history and more The Alamo Story and History History of Texas General Santa Anna San Jacinto River Battle TX Davy Crockett history of his life and his role at the Alamo General Sam Houston Remember The Alamo Sarah Seely DeWitt Come and Take It William Barret Travis Commander of the Alamo in 1836 A line in the sand The Alamo San Antonio de Valero The Alamo Shrine The Alamo Hospital The Alamo Soldier s Barracks The Cenotaph Memorial The River Walk Paseo del Rio The Circus Museum Like all of Carole Marsh Mysteries this mystery incorporates history geography culture and cliffhanger chapters that will keep kids begging for more This mystery includes SAT words educational facts fun and humor built in book club and activities Below is the Reading Levels Guide for this book Grade Levels 3 6 Accelerated Reader Reading Level 4 7 Accelerated Reader Points 2 Accelerated Reader Quiz Number 74561 Lexile Measure 720 Fountas Pinnell Guided Reading Level Q Developmental Assessment Level 40

**The Alamo Reader** Todd Hansen, 2003 If everyone was killed inside the Alamo how do we know what happened This surprisingly simple question was the genesis for Todd Hansen s compendium of source material on the subject The Alamo Reader Utilising obscure and rare sources along with key documents never before published Hansen carefully balances the accounts against one another culminating in the definitive resource for Alamo history

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **The Alamo** . In a downloadable PDF format ( \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
