The Albuquerque Murders

Robert K. DeArment

The Albuquerque Murders:

Daughters of the West Mesa Irene I Blea Ph D, 2015-03-15 In 2012 New Mexico celebrated 100 years of statehood In its tribute to that anniversary the Albuquerque Journal noted the West Mesa murder case was Albuquerque greatest mystery This Daughters of the West Mesa is a work of fiction based on this true story On February second 2009 a woman walked her dog on the mesa Officials encountered a human femur bone near 118th Street and Dennis Chavez SW Police excavated the area and ultimately found the remains of eleven women and an unborn fetus Nine were Hispanic one was Native American and one was African American It was discovered that they went missing between 2003 and 2005 after struggling with drug addiction and high risk behavior that sometimes included prostitution Police officials have named no suspect I have a personal connection to the story and to the community in which it developed I followed the story closely was peripherally involved with some of the victim s families attended three funerals and talked with members of the police and sheriff departments I also attended alone the rituals at the wall altar described in this book I was present at the information sessions and rallies at the park I talked with the media family members and other people before and after the funerals and still maintain communication with two family members of two of the identified victims in this unsolved mystery The sentiments of one of those families is found on the back cover of this novel None of the young women was my daughter Nevertheless I felt they were because my daughter worked in the clubs at night came home in the dark and I feared for her and her friend s safety The sight of the remains of the women found on the West Mesa and their families affected the community profoundly Yet a non community member said to me recently Oh I forgot about that case We sometimes are a world apart in the same place There is no intent to victimize anyone I simply want to humanize those involved I desire to render human the women s lives their parents to document the questions they asked themselves and others their memories their regrets and their conclusions about themselves when their dead and missing daughters were identified found or finally buried I also want to acknowledge the work of various officials attached to the case Lastly I write this book with the desire to impress upon others that the West Mesa murders is the largest crime scene in the U S that it is still an unsolved mystery and that perhaps this book can bring us closer to finding the killer At least one person knows or suspects who it is Dr Irene Isabel Blea is an award winning native of New Mexico who lives in Albuquerque but with deep ties to Colorado The author has published several books many articles and much poetry She keeps a strong internet presence Her Chicana Facebook page has 14 400 members She still reads her poetry to audiences and speaks at various events about her activism regarding issues that concern Chicanas and Indigenous women

The Albuquerque Murders Philip L. Hosford, 2005-08-01 WHAT THOSE WHO SHOULD KNOW SAY ABOUT HOSFORD S ALBUQUERQUE MURDER Well written and compelling One of the best crime novels I have ever read The author weaves a plot that takes the reader from suspicion to sympathy and then to doubt masterfully without sacrificing authenticity and accuracy Lynn Hodges Commander of Criminal Investigations Las Cruces New Mexico Police

Deptment Very current and timely considering the corporate ethics and national security concerns in today s world Well thought out fast moving novel that sparks your interest till the last page Edward McLellan CEO Pulse Systems Los Alamos NM One of the best mystery novels I have read leaving the reader in suspense throughout the story The characters and plot are well developed Jim Williams President of New Mexico Utilities Corporation Ret Albuquerque New Mexicso The Torreon Cabin Murders Maurice Moya,2015-03-10 The Torreon Cabin Murders in December of 1995 was one of the most heinous cases in the history of the state of New Mexico A young man and his live in girl friend were murdered execution style in a cabin in Cibola National Forest near a small town called Torreon Her two young sons were then locked in the cabin to die of starvation and dehydration by the murderer Later the young man s father discovered the bodies and New Mexico State Police and a gang detective from the Albuquerque Police Department were assigned to investigate the four deaths No crime scene team was sent to the cabin to look for evidence according to the author Investigators came up with prime suspects and with the guidance of the District Attorney s office took numerous statements from two of them until they were able to obtain what appeared to some to be false confessions Three young men were eventually charged with the death penalty But was the real killer in the Torreon cabin murders released on the public to continue his crimes Let the reader decide **Murder in the Burque Bosque** Gil Lovato,2021-12-07 For years Police Detective Sergeant Daniel Garcia has grappled with the unsolved murder of his twin brother Unbeknown to Garcia today his daughter sits in a high school history classroom that is being taught by a teenage serial murderer Will his daughter meet the same fate as his twin brother *The Cutie-Pie Murders* Don Travis,2021-04-20 A BJ Vinson Mystery When BJ Vinson agrees to investigate the murder of young Mateo Zapata he knows it will be a tough case Not only is the victim s uncle Zancon the mob underboss BJ took down six years earlier but Matt seems to be the third victim of a depraved serial killer who debauches his victims before strangling them BJ and his team including his lover journalist Paul Barton start down a long and tangled road while the killer strikes again and again with seeming impunity His sterile semen offers no DNA for identification nor is it clear how he finds his victims Park House a new near downtown apartment high rise could be the key to the mystery but BJ can t find the lock it fits However his search stirs up old resentments and new dangers At any moment Zancon impatiently waiting in the New Mexico State Penitentiary to exact his revenge could decide to take matters into his own hands And poking around in the case has excited the killer s lust for Paul whose eagerness to help stop the killings puts him in the path of certain death unless BJ can reach him in time **Murder on the Largo:** Eleanor Williams,2024-12-15 In western New Mexico in 1905 there rode a notorious outlaw from the Mexican border named Henry Coleman With a Colt 45 strapped to his hip Coleman alias Street Hudspeth from the well to do Texas family came to be either despised as a deceitful rustler and ruthless murderer or admired as a man of honor and great courage a popular and charismatic cowman who was fast with a gun No one seemed indifferent In less than a decade Coleman who was fluent in Spanish and popular with many of the Hispanics of the area became as famous in

the western part of the state as Billy the Kid was in Lincoln County Sheriff Elfego Baca of Socorro County who was careful not to confront Coleman referred to him as the last of the bad men of New Mexico Especially spellbinding are the recollections of how Coleman came to be associated with several murders Also intriguing is how he died so violently at the hands of a posse of cattlemen in October 1921 From her ranch on Largo Creek not far from where Coleman was said to have committed more than one murder Eleanor Williams worked hard to interview anyone who had known him or had any knowledge of his daring deeds Williams first published Coleman s story in the New Mexico Electric News a monthly electrical co op magazine from 1964 to 1965 Award winning historian Jerry Thompson edited and annotated it with additional historical context also included is a short biography of Williams by her daughter Helen Cress

Border Bodies Bernadine Marie Hernández,2022-03-10 In this study of sex gender sexual violence and power along the border Bernadine Marie Hernández brings to light under heard stories of women who lived in a critical era of American history Elaborating on the concept of sexual capital she uses little known newspapers and periodicals letters testimonios court cases short stories and photographs to reveal how sex violence and capital conspired to govern not only women s bodies but their role in the changing American Southwest Hernández focuses on a time when the borderlands saw a rapid influx of white settlers who encountered elite landholding Californios Hispanos and Tejanos Sex was inseparable from power in the borderlands and women were integral to the stabilization of that power In drawing these stories from the archive Hernández illuminates contemporary ideas of sexuality through the lens of the borderland s history of expansionist violent and gendered conquest By extension Hernández argues that Mexicana Nuevomexicana Californiana and Tejana women were key actors in the formation of the western United States even as they are too often erased from the region s story

Annual Law Enforcement Services Report United States. Bureau of Indian Affairs. Division of Law Enforcement Services,1975

The World Encyclopedia of Serial Killers, Volume Four T-Z Susan Hall,2021-01-05 The 4th volume of this comprehensive work features hundreds of serial killers from Sacramento to Soviet Russia plus numerous unsolved cases The World Encyclopedia of Serial Killers is the most complete reference guide on the subject featuring more than 1 600 entries about the lives and crimes of serial killers from around the world Defined by the FBI as a person who murders three or more people with a hiatus of weeks or months between murders the serial killer has presented unique and terrifying challenges to have walked among us since the dawn of time a fact this extensive record makes chillingly clear The series concludes with Volume Four T Z Entries include the Terminator Anatoly Yuriyovych Onoprienko Trailside Killer David Joseph Carpenter Vampire of Sacramento Richard Trenton Chase and the Voroshilovgrad Maniac Zaven Almazyan plus the unsolved cases of the Adelaide Child Murders the Axeman of New Orleans the Chillicothe Killer the Dead Women of Juarez the Korea Frog Boy Murders and the Volga Maniac

[The Vanishing at Smokestack Hollow](#) Jake Anderson,2024-09-24 An immersive exploration of the mystery that gripped internet sleuths and bloggers and inspires an avid online following to this day the bizarre disappearance of the Jamison family in the

rugged Sans Bois Mountains from a contemporary master of true crime journalism There s dark stuff up there sir You know that right Cults and such That s what Starlet Jamison told the Sheriff after her son and his family went missing On October 8th 2009 Bobby Jamison his wife Sherilynn and their six year old daughter Madyson set off for a drive from their home in Eufaula Oklahoma to the nearby Sans Bois Mountains They didn t return that day or the next A week later their truck was found abandoned on a mountain road Inside was their dog malnourished but alive the family s cell phones wallets and 32 000 in cash The ensuing eight month search was the largest in Oklahoma history but it yielded little evidence Online bloggers and web sleuths put forth dozens of theories fueled by the Jamisons strange trancelike behavior on a CCTV video Some claimed the family was abducted by white supremacists or a religious cult In 2013 there was a tragic break in the case when deer hunters stumbled upon the skeletal remains of two adults and a child in the Smokestack Hollow area of Panola Mountain Forensic testing confirmed the Jamisons identities But the mystery was only beginning Had the Jamisons been planning to abandon their lives and raise Madyson alone in the wilderness and if so why What happened to the briefcase and handgun that Sherylynn was seen putting into the car And why were no arrests ever made Investigative journalist Jake Anderson draws on police notes interviews and exclusive evidence to piece together the Jamisons last days and weeks weaving together startling material with his own personal insights The story is one of dark paranoid obsessions but also of real malevolent forces residing in those shadowy mountains and a compulsively readable account of a true murder mystery whose chilling impact continues to be felt

A Casebook of Murder Colin Wilson,2020-04-30 From the bestselling author of *The Outsider* an exhaustive historical true crime survey Colin Wilson co author of the bestselling *Encyclopedia of Murder* has written a definitive volume on the world s major cases of violent murder In doing so he traces the history of violence from its beginnings From Sawney Bean and his cannibal family to Ed Gein the Wisconsin Necrophile Wilson illustrates the changing fashions of murder and indicates some hope for the future

Experimentalisms in Practice Ana R. Alonso-Minutti,Eduardo Herrera,Alejandro L. Madrid,2018-01-02 Taking a broad approach to a wide variety of Latin and Latin American music traditions *Experimentalisms in Practice* challenges traditional notions of what has been considered experimental and provides new points of entry to reevaluate modern and avant garde music studies

With Reckless Abandon Sam Fluharty,2017-06-01 Angel Vierra is a homicide cop who never gives up on a case until the cuffs are on or the perp is dead He tracked the Bible in Blood serial killer and arrested her after she shot him He also solved the Winter Kill case that ended in a shootout with the psycho killer When two elected county sheriffs are murdered he is sent to the water winter wonderland of northern Michigan Vierra quickly discovers that his killer is Manny Modelo the regional sales manager for the Sina Loa drug cartel His partner Adrienne Kincaid is a War on Terror vet who ably assists in the investigation However Modelo has Kincaid in his sights and is set on eliminating her Jack Thorn the Toronto Blue Jay s ace left handed pitcher is the wild card Thorn has his own reasons to eliminate Modelo and his own special ops talents Thorn also has some powerful

friends on his side including a svelte and savvy NYPD detective The question becomes who will find the killer first Critical praise for Sam Fluhartys first novel Rite of Revenge Fluharty a former Vietnam pilot puts his flight experience to good use in this novel and also showcases an authority on police techniques and procedure he story is briskly paced and the narrative remains central without disappearing behind extraneous information An uneven romantic thriller that will appeal to genre fans Kirkus Reviews of New York Sam Fluharty flew a gunship in Vietnam and earned the Distinguished Flying Cross for Valor and the Purple Heart He earned a law degree and life got boring Angel Vierra is Harry Bosch Lucas Davenport and Billy Gravesand of course Sam Fluharty Try to keep up with him **September Sacrifice** Mark Horner,2008-07-29

Describes the disappearance of Malaysian born bank teller Girly Chew and the efforts of law enforcement investigators to bring to justice her estranged husband Diazien Hossencofft a ruthless con man and murderer **The Pot Thief Who Studied the Woman at Otowi Crossing** J. Michael Orenduff,2021-06-08 A New Mexico pottery dealer cracks a perplexing mystery in this winning blend of humor and character development Publishers Weekly Hubert Schuze is an adjunct professor at the University of New Mexico in Albuquerque and he has a fairly lucrative side gig digging up ancient relics and selling them He also seems to have a talent for finding killers When Hubie discovers a body outside his pottery shop it appears the victim was stabbed in the back with something resembling a screwdriver But the story gets a lot more mysterious when a video turns up showing the man collapsing with no one else nearby Furthermore a slip of paper is found in his pocket with Hubie s name and address on it suggesting there may be a connection between the two men though Hubie has no idea what it could be Now the professor and pottery expert must put his sleuthing skills to work while simultaneously managing his new role running the university s art department to piece together the shards of a baffling crime in this breezy novel from a winner of the Left Award for Best Humorous Mystery starring a witty amateur detective Albuquerque Journal A winning series Susan Wittig Albert New York Times bestselling author of the China Bayles Herbal Mysteries Mysterious New Mexico Benjamin Radford,2014-08-15 New Mexico s twin traditions of the scientific and the supernatural meet for the first time in this long overdue book by a journalist known for investigating the unexplained Strange tales of ghosts monsters miracles lost treasure UFOs and much more can be found not far from the birthplace of the atomic bomb Huge radio astronomy dishes search desert skies for alien life and the world s first spaceport can be found in this enchanted land in many ways New Mexico truly is a portal to other worlds Mysterious New Mexico is the first book to apply scientific investigation methods to explain some of New Mexico s most bizarre lore and legends Using folklore sociology history psychology and forensic science as well as good old fashioned detective work Radford reveals the truths and myths behind New Mexico s greatest mysteries The Sheriff and the Folsom Man Murders Doris R. Meredith,1999 A Sheriff Charles Matthews Mystery *Jim Courtright of Fort Worth* Robert K. DeArment,2004 Timothy Isaiah Longhair Jim Courtright operated on both sides of the law and became a legend in his lifetime and after his death One of the most colorful characters

from the wild and woolly days of Fort Worth's Hell's Half Acre Courtright was at various times city marshal deputy sheriff deputy U S marshal private detective hired killer and racketeer Today he is almost forgotten either as a gunfighter or a lawman except in Fort Worth Little is known about Courtright's early life though he apparently served in the Union army during the Civil War But when he arrived in the West Courtright seemed to attract trouble He was involved in a shootout during the 1886 railroad strikes and was accused of murder in New Mexico Deputies were sent to Fort Worth to escort him to New Mexico to stand trial His escape from them complete with guns hidden under a restaurant table is one of Fort Worth's most colorful stories Finally he was killed in a shootout that he apparently provoked with gambler and gunman Luke Short To this day nobody is sure what provoked that feud but Courtright was honored with the longest funeral procession Fort Worth had ever seen The myth of Courtright as legendary gunfighter was built in two previous biographies one by a novelist and the other by a Franciscan priest After exhaustive research into contemporary newspapers and other accounts and close study of the previous two books historian Robert K DeArment deconstructs the myth of Longhair Jim and reconstructs the gunfighter as a real human being complex flawed often courageous usually both honorable and dishonorable This book is a must for all those interested in the legends of the West its lawmen and its outlaws

Fort Worth Characters Richard F. Selcer, 2009 Fort Worth history is far more than the handful of familiar names that every true blue Fort Worthers hears growing up leaders such as Amon Carter B B Paddock J Frank Norris and William McDonald Their names are indexed in the history books for ready reference But the drama that is Fort Worth history contains other less famous characters who played important roles like Judge James Swayne Madam Mary Porter and Marshal Sam Farmer well known enough in their day but since forgotten Others like Al Hayne lived their lives in the shadows until one spectacular moment of heroism Then there are the lawmen Jim Courtright Jeff Daggett and Thomas Finch They wore badges but did not always represent the best of law and order These seven plus five others are gathered together between the covers of this book Each has a story that deserves to be told If they did not all make history they certainly lived in historic times The jury is still out on whether they shaped their times or merely reflected those times Either way their stories add new perspectives to the familiar Fort Worth story revealing how the law worked in the old days and what life was like for persons of color and for women living in a man's world As the old TV show used to say There are a million stories in the Naked City There may not be quite as many stories in Cowtown but there are plenty waiting to be told enough for future volumes of Fort Worth Characters But this is a good starting point

Deadly Dozen Robert K. DeArment, 2012-03-30 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who

killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron clad research this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different Together the Deadly Dozen volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James

Thank you for reading **The Albuquerque Murders**. Maybe you have knowledge that, people have look numerous times for their favorite books like this The Albuquerque Murders, but end up in infectious downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they juggled with some infectious bugs inside their computer.
