American Breeder, 1908 **Shadow of My Dreams: The Allon National (Revised)** Steven Newell, 2017-12-29

Although his seeking to accomplish great things in the goal of the American dream is fallen before his eyes there is a meaning which is new. As he faces the truth before him a kind of cosmic connection grows more apparent in his awareness. He finds new ways of being and a mindfulness in expression that does work for his life anyway. While he may never be and Admiral in the US military he feels a growing awareness of his leadership as his ideal of being an Astronaut become more clear to him. And his resistance to advice on how to be a man has kept his friendship and good relations with others in the arts who are also non conformist to antiquated ways of dealing with their humanity. He sees a bigger dream that he understood as a teenager and he lives well in the shadow of his dreams. The Lancet London, 1846 *The New Partridge*
